Hi there!
I'm MR. VIN
From Ireland

Hi there!
I'm MS. TILAT
From Bangladesh

Irish Pure Beauty and Bangla Brilliance & Happiness

Irish Pure Beauty is an Irish high tech aqua company that produces advanced water purification systems . The systems use advanced electronic process which causes soil and dirt particles in water to temporarily sink leaving 90% of water containers with clear pure water. The system also has a feature to carbonise the water for like *“Fresh Irish Sparkling Water”*.

The fastest growing market sector is in fitness centres where premium water attracts premium prices. This is where the Irish company focuses its attention as margins are higher for premium products.

The slogan for the machine is *“Fresh Sparkling Water from a little Irish Magic”*.

The Irish Pure Beauty company exports mostly to Europe with a small proportion of product sales going to USA. A new sales Director Mr. Vin has been appointed to develop sales to emerging markets.

Despite objections from senior Directors Mr. Vin decides that Bangladesh is a market of opportunity for the Irish Company and he organises a field visit to Dhaka Bangladesh. Mr. Vin is now in Dhaka!

He has organised a meeting with Ms. Tilat of Bangla Brilliance & Happiness in Dhaka who has expressed interest in purchasing one consignment of 10 units provided satisfactory terms and conditions for a contract can be agreed.

What are the key issues to be discussed and agreed between Mr. Vin & Ms. Tilat?

This COVID-19 is problematic for us!

We shipped on the basis of CIF **PORT B** (INCOTERMS 2020) in line with your advices at seminars.

The goods were loaded on board the vessel **VIN** at **PORT A** for destination **PORT B**

The problem is that due to lockout at port of destination the goods could not be unloaded and the buyer is suffering acute delay in delivery of the goods, plus demurrage etc.

The buyer has holding back payment due to Force Majeure at the port of discharge which he says is unexpected and beyond his control as it is state driven lockdown for health purposes.

What can I do as if goods not delivered and we will lose payment rights?

Article 1 Application of UCP
The Uniform Customs and Practice for Documentary Credits, 2007 Revision, ICC Publication no. 600 ("UCP") are rules that apply to any documentary credit ("credit") (including, to the extent to which they may be applicable, any standby letter of credit) when the text of the credit expressly indicates that it is subject to these rules. They are binding on all parties thereto unless expressly modified or excluded by the credit.
