## Areas of interest by sector

<i>General concerns</i>	<ul style="list-style-type: none"> <li>~ Audience is interested in <b>business opportunities</b>.</li> <li>~ <b>Geographical regions:</b> SERD, SARD and CWRD over EARD/PARD.</li> <li>~ <b>Type of projects/contracts:</b> those with opportunities requiring a larger volume of investment on the contract, certain degree of technology and digital elements, OCB, etc. For consultancy opportunities, contracts over \$1 million USD should gather more attention to the audience. Depending on the nature of the goods/equipment to be procured, focus on those with more digital components/technicalities. Civil works: we would like to focus on large infrastructure projects in water, energy, transport, agrobusiness, etc.</li> </ul>
<i>Energy</i>	<ul style="list-style-type: none"> <li>~ ASEAN Power Grid, Green hydrogen, Energy transmission, distribution and generation. Conventional and renewable energies (EPC Plants).</li> <li>~ 2nd line: General opportunities in Energy + digitalization of the energy sector.</li> </ul>
<i>Water and Urban development</i>	<ul style="list-style-type: none"> <li>~ (EPC Plants), urban water treatment and distribution, water sanitation, water digitalization, etc.</li> <li>~ 2nd line: General opportunities in WUS + digitalization of the energy sector.</li> </ul>
<i>AFNR +Climate Change</i>	<ul style="list-style-type: none"> <li>~ Food Hubs/Systems/distribution, blue economy, ecosystems.</li> <li>~ Irrigation &amp; agriculture, on projects such as: AIPF <i>Agriculture Investment Preparation Facility</i>, PSPI. <i>Philippine Solar-Powered Irrigation Project</i>, 53273 <i>Promoting Sustainability and Productivity for Enterprise Resilience and Upscaling in the Philippines (ProSPER) Project</i>, 59042 <i>Regional: Smart Agriculture Guidance and Enhancement</i>, 58472 <i>Promoting Digital Technology for Sustainable, Inclusive, and Resilient Agriculture in Asia</i>, 52327 <i>Vietnam: Climate Adaptation through Irrigation Modernization Project</i>, 53272 <i>Philippines: Mindanao Irrigation Development Project</i></li> </ul>
<i>Transport</i>	<ul style="list-style-type: none"> <li>~ Ports, airports, metro, railways (EPC - Turnkey projects), Transport mobility, Ticketing systems</li> <li>~ 2nd line: General opportunities in transport + digitalization of the transport sector</li> </ul>
