

ADB at the 33rd Pacific Power Association Annual Conference and Trade Exhibition
1–5 NOVEMBER 2026
Nadi, Fiji

PROGRAM AGENDA
(ADB Energy Sector Cluster)

Objectives

The mission aims to:

- (i) Participate in the 33rd Pacific Power Association (PPA) Conference to deepen understanding of regional energy sector priorities and strengthen ADB engagement with Pacific utilities, governments, and development partners.
- (ii) Present ADB-supported regional initiatives and ongoing technical assistance¹ activities to enhance their visibility/alignment, facilitate stakeholder engagement, and promote collaboration with Pacific stakeholders.
- (iii) Consult with conference participants to identify emerging sector challenges, capacity building needs, and priority needs and opportunities for future ADB support.

ADB Energy Sector Cluster Agenda
