

**TA 8075: IMPROVING ROAD SAFETY IN THE ASSOCIATION OF SOUTHEAST ASIAN NATION (ASEAN) COUNTRIES
TRAIN OF TRAINER PROGRAM- DRAFT**

Time/Day	Monday 23 June	Tuesday 24 June	Wednesday 25 June
08:00 - 08:30	Registration (ALL)	ASEAN ToT/GRSP Seminar Registration	ASEAN ToT Topic 2: <i>Data Systems</i> Registration
08:30 - 09:00			Opening Remarks
09:00 - 10:30	<p>Opening Ceremony James Nugent, Director General, Southeast Asia Department, ADB Pieter Venter, Chief Executive Officer, IFRC</p> <p>Keynote Address: <i>Improving Safety of Our Children</i> Avi Silverman, FIA Foundation,</p> <p>Decade of Action Global and Regional Updates Dr Gwendolyn Pang, Secretary General, Philippines Red Cross</p>	<p>Opening Remarks Jeffrey Miller, Principal Transport Specialist, ADB Rob Klein, Team Leader</p> <p>ASEAN ToT Topic 1- <i>Enforcement</i> Ray Shuey, Police Enforcement Expert</p>	<p>Robert Klein, Team Leader</p> <p>Road Safety Data Management Session 1</p> <ul style="list-style-type: none"> - Issues arising from the National Focal Point Survey - Who uses data and why? - Data storage, dissemination and reporting <p>Blair Turner, Road Safety Data Systems Expert</p>
10:30 - 11:00			
11:00 - 12:30	<p>Decade of Action Global and Regional Updates Jon Passmore, WHO Peter O'Neill, Chief, Policy and Development, Transport Division, UNESCAP</p> <p>Keynote Address: <i>Child Road Safety Issues in the Region</i> Cambodia – Choun Voun, Deputy Director-General, General Department of Transport Indonesia – Naufal Yahya, Brigadier General of Police Bangladesh – Dr. Md. Mazharul Hoque, Bangladesh University of Engineering and Technology (BUET)</p> <p>Keynote Address: <i>Road Safety in Asia Pacific</i> Nana Soetantri, Transport Specialist, RSID, Asian Development Bank</p> <p>Decade of Action Global and Regional Updates Mirjam Sidik, Executive Director, Asia Injury Prevention Foundation Australian National Road Safety Partnership Program</p>	ASEAN ToT Topic 1- <i>Enforcement</i> continues.	Session 1 continues

**TA 8075: IMPROVING ROAD SAFETY IN THE ASSOCIATION OF SOUTHEAST ASIAN NATION (ASEAN) COUNTRIES
TRAIN OF TRAINER PROGRAM- DRAFT**

	Peter Damen, General Manager, Australian Road Research Board (ARRB),				
12:30 - 14:30	Lunch				
14:30 - 16:00	Parallel Session 1.1 Creating Effective Partnerships for Road Safety	Parallel Session 1.2 Comprehensive Programs to Improve Safety Around Schools	Parallel Session 1.3 Increasing Use of Child Restraints	<p>iRAP update & iRAP Star Performer Award</p> <p>Decade of Action Global and Regional Updates Pieter Venter, Chief Executive Officer Blair Turner, Australian Road Research Board (ARRB)</p> <p>Keynote Address 4: <i>Developing Community Road Safety Initiatives</i> Liz Waller, Major Projects Manager Community Relations, Transport Accident Commission, Australia</p> <p>Plenary session: <i>“Speak up!”</i> 3 minutes to say what you think needs to happen to improve child road safety in your country, regionally or globally. Open to all participants.</p> <p>Closing Remarks Gil-Hong Kim, Director, Sustainable Infrastructure Division, RSDD Pieter Venter, Chief Executive Officer, GRSP</p>	<p>Session 2:</p> <ul style="list-style-type: none"> - Establishing and maintaining data systems - What and why data systems are needed - Monitoring and evaluation - Data for different road users and crash risks
15:30 - 16:00	Break				
16:00 - 17:00	Parallel Session 1.1 Creating Effective Partnerships for Road Safety continues	Parallel Session 1.2 Comprehensive Programs to Improve Safety Around Schools continues	Parallel Session 1.3 Increasing Use of Child Restraints continues	ASEAN ToT Topic 1- <i>Enforcement</i> continues.	Session 2 continues
17:00 - 17:30				Summary of Enforcement	Summary of Data System Management Session 1& 2 Rob Klein , Team Leader
17:30 - 19:00	Welcome Reception				

**TA 8075: IMPROVING ROAD SAFETY IN THE ASSOCIATION OF SOUTHEAST ASIAN NATION (ASEAN) COUNTRIES
TRAIN OF TRAINER PROGRAM- DRAFT**

Time/Day	Thursday 26 June	Friday 27 June	Saturday 28 June
08:00 - 08:30	REGISTRATION for ASEAN ToT		
08:30 - 09:00	Continuation of Topic 2: <i>Data Systems</i>	Topic 3: Road Safety Management	Continuation of Topic 3: Road Safety Management
09:00 - 10:30	Blair Turner , Road Safety Data Systems Expert Session 3 - Data storage and retrieval	Opening Remarks Issues arising from National Focal Point Rob Klein , Team Leader ROAD SAFETY MANAGEMENT Eric Howard , Road Safety Management Expert Session 1 - Plans, strategies, financing and targets	Eric Howard , Road Safety Management Expert Session 3 - Selecting interventions and prioritization - Infrastructure management policies, standards, guidelines, tools, technology and legislation
10:30 - 11:00	Break		
11:00 - 12:30	Session 3 continues - Assessing data quality	Session 1 continues - Human factor characteristics and compliance	Session 3 continues - Effective management and data systems
12:30 - 14:30	Lunch		
14:30 - 16:00	Session 4 - Analyzing data and quantifying key information - Data for road management, politicians and public	Session 2 - Monitoring and evaluation for effectiveness - Assessing risks and identifying issues - Roles, responsibilities and capacity	Session 4 - Road safety management and safe systems - Road Safety Management scope and context
15:30 - 16:00	Break		
16:00 - 17:00	Session 4 continues - Developing and scoping pipeline projects and case studies - Planning follow up activities with the National Consultant	Session 2 continues - Monitoring and evaluation for effectiveness - Assessing risks and identifying issues - Roles, responsibilities and capacity	Session 4 continues - Developing and scoping pipeline projects and case studies - Planning follow up actions with national consultant and developing Pipeline projects and case studies
17:00 - 17:30	Summary of Topic 2: Data Systems	Summary of Road Safety Management session 1 and 2	Summary of Topic 3: Road Safety Management
17:30 - 18:00	Rob Klein , Team Leader Blair Turner , Road Safety Data Systems Expert		Rob Klein , Team Leader Eric Howard , Road Safety Management Experts
Time/Day	Sunday 29 June	Monday 30 June	Tuesday 1 July
08:00 - 08:30	REGISTRATION for ASEAN ToT		
08:30 - 09:00	REST DAY	Opening Remarks	Continuation of GNCAP Workshop
09:00 - 10:30		Developing and delivering train the trainer sessions in country - Follow up activities in country - Pipeline Projects - Role of National Consultant Rob Klein , Team Leader Nana Soetantri , Transport Specialist, RSDD, ADB	Session Three - Regulatory Push and Demand Pull for Safer Vehicles - The United Nation's System of Motor Vehicle Regulations - the work of the UN Forum for Harmonization of Vehicle Regulations (WP29)
10:30 - 11:00	Break		

**TA 8075: IMPROVING ROAD SAFETY IN THE ASSOCIATION OF SOUTHEAST ASIAN NATION (ASEAN) COUNTRIES
TRAIN OF TRAINER PROGRAM- DRAFT**

11:00 – 12:30		Implementing the train the trainer in country - Role of trainer, trainee and national consultant - Prioritizing and developing a follow up program including case studies and pipeline projects - Understanding development assistance and ADB project cycles - Regional road safety strategy Rob Klein , Team Leader Nana Soetantri , Transport Specialist, RSDD, ADB	Session 3 continues - The Role of New Car Assessment Programmes (NCAPs) – the work of ASEAN, Latin and Australasian NCAP
12:30 – 14:30		Lunch	
14:30 – 16:00		Global New Car Assessment (GNCAP) Workshop Session One - Vehicle Safety and the UN Decade of Action - Vehicle Safety in the Global Plan for the UN Decade Session Two - Introduction to Vehicle Safety Key Concepts - Crash Phases - the timeline of a motor vehicle crash	Session Four - Improving Motor Vehicle Safety in the ASEAN Region - Towards an ASEAN motor vehicle safety strategy - ADB/ASEAN capacity building in motor vehicle safety
15:30 – 16:00		Break	
16:00 – 17:00		Session 2 continues - Crash worthiness - technologies to reduce injury during a vehicle crash - Crash avoidance - technologies to avoid the occurrence of vehicle crash	Session 5 Summary of GNCAP Workshop
17:00 – 17:30			
17:30 – 18:00			

**TA 8075: IMPROVING ROAD SAFETY IN THE ASSOCIATION OF SOUTHEAST ASIAN NATION (ASEAN) COUNTRIES
TRAIN OF TRAINER PROGRAM- DRAFT**

Time/Day	Wednesday 2 July	Thursday 3 July	Friday 4 July
08:00 - 08:30	REGISTRATION for ASEAN ToT		
08:30 - 09:00	Opening Remarks	Opening Remarks	Opening Remarks
09:00 - 10:30	Issues from national priorities Rob Klein , Team Leader Topic 4: MOTORCYCLE SAFETY (MC) Kenn Beer , Motorcycle Safety Expert Session 1: Developing a motorcycle safety strategy <ul style="list-style-type: none"> - Stakeholder buy-in and partnerships - Defining the problem (data and analysis) - Countermeasures review - Setting targets and performance indicators 	Issues from national priorities Rob Klein , Team Leader Topic 5: MOTORCYCLE SAFETY AND COMMUNICATION ROAD SAFETY Kenn Beer , Motorcycle Safety Expert Session 4: Licensing and training <ul style="list-style-type: none"> - Graduated Licensing Systems (GLS) - Rider training - Rider testing and - Targeted enforcement 	Rob Klein , Team Leader Topic 6: COMMUNITY ROAD SAFETY AND SAFE ROUTES TO SCHOOL Raymond Taylor , Community Road Safety and Safe Routes to School Expert Session 1: Community Road Safety Programs: Rationale and Strategic Role
10:30 - 11:00	Break		
11:00 - 12:30	Session 2: Implementation and evaluation of the strategy <ul style="list-style-type: none"> - Action plans (including resources and timelines) - Motivating and creating a feeling of urgency - Communicating the strategy and action plans - Aligning initiatives with the strategy - Monitoring and evaluation and - Adjusting and adapting 	Session 5: Helmets and protective clothing <ul style="list-style-type: none"> - Increasing wearing rates: - Understand the issue; - Market understanding; - Cultural differences; - Standards and legislations; and - Enforcement - 	Session 2: Framework for Community Road Safety Programs Session 3: Establishing a Community Road Safety Program
12:30 - 14:30	Lunch		
14:30 - 16:00	Session 3: Road Design, engineering and planning <ul style="list-style-type: none"> - Intersections - Roadsides and barriers - Surface issues 	Session 5 continues <ul style="list-style-type: none"> - Improving motorcycle helmet crash performance - Improving restraining systems for helmets - Optimizing rider vision - Proper use; and - Protective clothing in the heat Session 6: Vehicles <ul style="list-style-type: none"> - Topics include: - New vehicle standards (e. g. ABS and ESC) - Understanding the issue - Market understanding - Standards and legislation 	Module 4: Evaluation Module 5: Safe Routes to School: A Community Road Safety Program

**TA 8075: IMPROVING ROAD SAFETY IN THE ASSOCIATION OF SOUTHEAST ASIAN NATION (ASEAN) COUNTRIES
TRAIN OF TRAINER PROGRAM- DRAFT**

15:30 - 16:00	Break		
16:00 - 17:00	Session 3 continues - Road space allocation - Sightlines and delineation - Speed management - Professional education	Session 6 continues - Enforcement - Riding with lights on - Electric bikes and - Encouraging other vehicles that are friendly to motorcyclists (truck underrun protection and pedestrian safety (as a proxy to motorcycle safety))	Module 6: Safe Routes to School: Program Elements Summary of Community Road Safety and Safe Routes to School Rob Klein , Team Leader Raymond Taylor , Community Road Safety and Safe Routes to School Expert
17:00 - 17:30	Summary of Motorcycle Safety	Summary of Motorcycle Safety and Community Road Safety	Closing remarks
17:30 - 18:00	Rob Klein , Team Leader	Rob Klein , Team Leader	Awarding certificate of attendance
17:30 - 18:00	Kenn Beer , Motorcycle Safety Expert	Ken Beer , Motorcycle Safety Expert	TBC, ADB
