

Joint Internal Workshop on Urban Operational Plan (UOP)

04 December 2014 (Thursday)

8:30 am – 5:00 pm, Multi-purpose Hall

Overview:

The internal learning event will create the synergy that would benefit Urban Community of Practice (UCoP) network members, particularly, those working in ADB resident missions (RMs) in supporting UOP implementation and ultimately delivering innovative and meaningful urban projects around Asia and the Pacific. ADB staff, RM participants and resource persons will be engaged in knowledge sharing, discussing good ideas and experiences amongst cities, and interfacing on latest developments, potential pathways as well as emerging mechanisms under Integrated Urban Planning and City Cluster Development, Green, Inclusive, Competitive and Smart City.

This rare learning opportunity should be taken advantaged by ADB urban staff as good urban project design of Report and Recommendation of the President (RRP) will be shared by the task managers and will be discussed in the roundtable.

The UCoP spearheaded by the UOP three (3) themes Focal Groups is organizing this learning event following to the south-south City Leaders Forum (CLF) on December 2-3, organized by ADB (SARD) in which UCoP will promote the 3E agenda.

Resource Persons:

- Edward Leman, President, Chreod Ltd.
- Myounggu Kang, Professor of Urban and Regional Planning, University of Seoul
- Alfonso Vegara, President, Fundacion Metropoli Intelligent Urban Territory
- Roger Savage, Director, Infrastructure and Cities Advisory, ATKINS
- Toru Hashimoto, Director of International Technical Cooperation, City of Yokohama
