10:20 am - 10:40 am	Group Photo / Networking Break
10:40 am - 11:20 am	ICT for Development (ICT4D) with a Focus on Korea's Experience <i>Presenter: James F. Larson, Professor, State University of New York (Korea Campus)</i>
11:20 am - 12:20 pm	Setting the Context <p>This session will provide the brief understanding of the context in which the workshop is designed. The workshop will cover both topics of e-Government and Smart City that appear independent but are crossly linked in many ways for public administration as well as public services. To improve the public services using ICT for citizens at local level, the integration of both programs of e-Government and Smart City is critical and should be considered at the holistic manner. During the workshop, participants will learn each topic and also find the linkages between e-Government and Smart City for local and city governments.</p> <p><i>Moderator: Jeongwon Yoon, Executive Director of Global Cooperation Division, NIA</i></p> <p><i>Panelists:</i></p> <ol style="list-style-type: none"> <i>Shishir Belbase, Senior Information Technology Specialist, ADB</i> <i>James F. Larson, Professor, State University of New York</i> <i>Kuk Hwan Jeong, Vice President, Korea Institute for Development Strategy (KDS)</i>
12:20 pm - 1:30 pm	Lunch (NIA Dining Room)
