Guide to Access the Course using your Web Browser (Google Chrome)

This guide is intended for learners who wish to take the course from their desktop or laptop using the recommended browser (Google Chrome).

I. Access the course from Development Asia or k-learn

A. From Development Asia

Step 1. Launch the site: http://development.asia/
Step 2. Click All content
Step 3. **Choose Course** as content type

Step 4. **Click the link to the course**
B. From k-Learn

Step 1. Launch the site: [http://k-learn.adb.org/](http://k-learn.adb.org/)
Step 2. Click **Go to k-Learn** button

Step 3. Click **Online Learning**

Step 4. Choose the Course you wish to take and click on the Course title
Step 5. Click the link to go to the Learning Management System (ADB eLearn)

Step 6. Click Login or Continue to access the course.
Step 7. For registered users, please proceed to step 10.

For first time users, click Create new account to create your Learner Account for one-time registration to ADB eLearn:

![Create new account screen]

Step 8. Complete the form especially the required fields marked with *. 

Note: Use a unique email address for the username for easy recall.

![Form creation screen]
Step 9. Confirm account.

Step 10. Enter your **username** and **password** and click **Log In** to access ADB eLearn.
Step 11. Choose your course and click the course title. Enter the **Enrollment Key** (if available) and click **Enrol Me** to access the course contents.
Step 12. Go through the different sections of the course until you can get your **Certificate of Completion**. Note: You need to complete the module requirements before you can proceed to the rest of the sections. Have fun!
