

RESILIENCE LEARNING MONTH EVENT

Focus Group Discussion (FGD) on Climate Finance Tracking and Paris Agreement Alignment

DATE: Thursday, 25 November 2021 | TIME: 3:00–4:30 p.m. (Manila) | VENUE: via MS Teams

SDCC-URG, SDCCD, and the Urban divisions of Operations Departments are jointly organizing on November 25 (Thursday) a deep dive program for the urban sector staff on ADB's procedures for working on the Paris Agreement Alignment (PAA) and tracking of climate finance (mitigation and adaptation) at the project level. The program will include specific guidance and clarifications, and case studies on applying the ADB procedures.

Please join this discussion to share your views, experience, and comments, valuable for scaling up climate finance, and completing the PAA guidance notes currently in preparation.
