

BUSINESS OPPORTUNITIES OUTREACH SEMINAR

Theme:

Empowering Partnerships for Business in ADB & WB-financed Operations

Objective OF Business Opportunities Outreach Event:

The outreach aims to empower Partnerships for Business Opportunities in ADB & WB financed Operations. It also seeks to gather feedback from local businesses about their experience participating in ADB and WB-financed procurements and what would motivate them to bid for such opportunities.

Overview:

The Outreach will be conducted in the following two parts:

- Plenary outreach is open to all interested contractors, suppliers, consultants, and businesses.
 During the event, ADB and WB will present their programs in Mongolia, discuss opportunities, and provide tips to the industry on bidding for and winning ADB & WB-financed procurements.
 Attendees will also have the opportunity to hear from companies that have successfully bid for and won ADB and WB-financed contracts.
- 2. One-on-one meetings with ADB and World Bank staff for interested businesses to ask specific questions. These sessions will also be an opportunity for ADB and WB to get feedback from contractors/suppliers. This will be a "first come, first serve" session, and they will be invited to register in advance.

Target Audience:

- Local entrepreneurs and small/medium business owners
- Corporate leaders and executives
- Representatives from business associations and chambers of commerce
- Contractors/Suppliers experienced in bidding/implementing for ADB and WB financed projects
- Media and industry analysts

Expected Outcomes:

Attendees will gain practical strategies for applying the potential opportunities funded by the ADB & WB to their own businesses, driving growth and creating new markets for innovation. The ADB & WB will also get feedback from the industry about how to motivate them to participate in the procurement.
