

**ADB Workshop on Capacity Building for Health Sector Public-Private Partnerships (PPP)
Courtyard by Marriott Tashkent Hotel**

Monday, 22 September 2025

Timings	Description	Panellists/Speakers
8:30-9:10AM	Registration of participants Introduction by Asian Development Bank (ADB)	Farida Djumabaeva, Senior Gender and Social Development Officer, ADB
9:10-9:20AM	Opening by Uzbekistan Resident Mission, ADB	Kanokpan Lao-Araya, Country Director, ADB
9:20-9:30AM	Welcome Remarks	Abduqodir Yoqubov, Deputy Director of PPP Development Department, Ministry of Economy and Finance (MOEF), Uzbekistan
Part I: Introduction and Overview of Regulatory Landscape		
9:40-10:00AM	<u>Session 1:</u> 1.1 Introduction: What is PPP in health? This session opens with an interactive Menti warm-up exercise to gauge participants' perceptions and baseline understanding of PPPs. It then introduces the fundamentals of PPPs in health. Participants will explore key features and advantages of PPPs compared to traditional public procurement, value for money drivers for PPPs in the health sector, and the scope of healthcare PPPs.	Dhawal Jhamb, Principal Markets Development Advisory Specialist, ADB; Blaire Ng, Health Specialist, ADB
10:00-10:15AM	1.2 Strategic Fit: Linking PPP to National and Health Sectoral Priorities in Uzbekistan Explore how PPPs advance Uzbekistan's healthcare goals by addressing infrastructure gaps, improving service delivery, and mobilizing private investment. The session highlights national priorities, ongoing PPP projects, and the strategic alignment of PPPs with sectoral reforms to enhance access and quality of care.	Faruk Gapparov, Director, PPP, Ministry of Health (MOH), Uzbekistan
10:30-10:50AM	<u>Session 2:</u> PPP Regulatory Framework in Uzbekistan Gain an overview of Uzbekistan's legal and institutional framework for PPPs, including the PPP Law and key regulations. The session covers approval procedures, incentives for private sector participation, and the evolving regulatory environment that supports transparent, competitive, and sustainable PPP implementation.	Normurodov Alisher Shuhratovich, Chief Specialist, MOEF, Uzbekistan
10:50-11:35AM	<u>Session 3:</u> Landscape of PPP Models in Healthcare This session examines diverse PPP models in healthcare, from infrastructure-based to service-based and integrated approaches. Participants will learn how different structures are applied, with real case examples, to address various healthcare needs and contexts in Uzbekistan.	Dhawal Jhamb, ADB

11:35-12:15PM	Session 4: How PPPs are Structured	Satyam Sundaram, Ernst & Young (EY)
	Understand the essential elements of structuring healthcare PPPs, including project scope, risk allocation, payment mechanisms, and governance. The session explains how effective structuring ensures project viability, stakeholder alignment, and long-term sustainability in the health sector.	
Part II: Healthcare PPP Models and Project Structuring		
1:30-3:00PM	Exercise: <i>Value for Money Analysis for Investment Decisions in Health PPPs</i>	Dhawal Jhamb, ADB
4:30-5:00PM	Menti results, reflections, and Day 1 Recap	Blaire Ng, ADB; Mansoor Mamood, ADB
5:30-6:30PM	Networking reception	Hosted by ADB

Tuesday, 23 September 2025

Part III: PPP Project Conceptualization and Project Concept Document		
Timing	Description	Panellists/Speakers
9:00-11:00AM	Session 6: The Role of Project Concept in PPP Cycle	Elina Vildanova, Consultant, ADB; Dhawal Jhamb, ADB; Saloni Chawla, EY
	Discussion: <i>Development of Project Concept Document (PCD): Key Challenges and Common Issues</i>	
	Learn about the critical role of the PCD in initiating successful PPPs. The session covers the PPP lifecycle, the importance of a well-prepared PCD, and how it guides feasibility, structuring, and market engagement.	
11:20-12:35PM	Session 7: Overview of PPP Cycle (After Project Conceptualization)	Amit Goyal, EY
	This session provides a brief overview of the PPP lifecycle, from project conceptualization to implementation and contract management.	
Part IV: Post Workshop Evaluation and Closing		
12:35-12:50PM	Participants' feedback and evaluations Next steps and ways forward	Vasoontara Yiengprusawan, Senior Universal Health Coverage Specialist, ADB; Hayman Win, Principal Health Specialist, ADB
12:50-1:00PM	ADB certificate presentation Closing remarks	Farkhodjon Tashpulatov, Deputy Minister of Health, Uzbekistan
