

ADB Business Opportunities Fair 2011

Recruitment of consultants

Galia Ismakova, Senior Procurement
Specialist, COSO

2 March 2011

The views expressed in this presentation are the views of the author/s and do not necessarily reflect the views or policies of the Asian Development Bank, or its Board of Governors, or the governments they represent. ADB does not guarantee the accuracy of the data included in this presentation and accepts no responsibility for any consequence of their use. The countries listed in this presentation do not imply any view on ADB's part as to sovereignty or independent status or necessarily conform to ADB's terminology.

Regional Multi-lateral Development Bank with HQ in Manila, Philippines

ADB

Since it was established, ADB financed

2,206 loan projects in 41 countries, totaling \$155.94 billion

315 grant projects, totaling \$5.19 billion

6,863 technical assistance projects, totaling \$3.81 billion.

Operations Update 2010

(as of 30 November 2010)

Public Sector (Sovereign) Operations:

ADB has approved, in 2010, 85 loans to 20 developing member countries totaling \$7.69 billion. Approved loans from ADB's ordinary capital resources (OCR) total about \$5.59 billion, while \$2.10 billion came from ADB's concessional Asian Development Fund (ADF).

Private Sector (Nonsovereign)

Operations: ADB has approved 16 nonsovereign projects worth \$1,44 billion.

Grants: ADB has approved 45 grant-financed projects totaling \$642.3 million, and 226 technical assistance projects worth \$202.00 million.

The ADB logo consists of the letters "ADB" in a white, serif font, centered within a dark blue square.

Guidelines on the Use of Consultants by ADB and its Borrowers (2010)

Policies and procedures for selecting, contracting and monitoring consultants.

Applicable to both ADB and Borrower-administered contracts

Guidelines on the Use of Consultants by ADB and Its Borrowers - Sources

Coverage of the Guidelines

Procurement Guidelines

Procedures apply to all contracts for goods and works financed in whole or in part by ADB.

Consulting Guidelines

Consulting services to which these Guidelines apply are generally of an intellectual and advisory nature covering a wide range of sectors, both public and private, and a wide range of services at all stages of the project cycle. These guidelines do not normally apply to other types of services in which the physical aspects of the activity predominates (e.g. construction of works).

General Considerations

1. need for high-quality service
2. Need for economy and efficiency
3. Need to give all qualified consultants an opportunity to compete in providing the services financed by ADB
4. ADB's interest in encouraging the development and use of national consultants from developing member countries (DMCs)
5. Need for transparency in the selection process
6. Need for increasing focus on anticorruption and observance of ethics

Governance

Conflict of Interest is any situation in which a party has interests that could improperly influence that party's performance of official duties or responsibilities, contractual obligations, or compliance with applicable laws and regulations

- Conflict between consulting and procurement activities
- Conflict among consulting assignments
- 'Family' relationship between the consultant and the borrower
- Government officials – a special case

Unfair Competitive Advantage

- Equal access to information
- Upstream (PPTA) and downstream (Loan Projects) issues

Fraud and Corruption

Penalties (Misprocurement and Sanctioning)

Consulting Trends

Gradual increase of national inputs.

Gradual decrease of international inputs.

Inter-disciplinary assignments

PPP/ PSP/ Non-sovereign lending

Networking Opportunities

ADB set-up network to facilitate collaboration between consultants looking for business partners to pursue ADB-funded opportunities. Consultants/consulting entities will need to have LinkedIn profile to be able to use the facility

ADB Consultants Network:

<http://www.linkedin.com/e/qfo72y-gkf0zuh8-6r/vgh/3796524/>

Guidelines on the Use of Consultants

Selection Methods and Determination of
Consultants' source (International or
National)

Selection Methods (Firms)

Selection Method	Technical Proposal Evaluation	Financial Proposal	Selection procedure
LCS – Least Cost Selection	>= 750 out of 1000	Lowest priced	Firm with lowest priced responsive proposal wins
QCBS – Quality and Cost based selection	>= 750 out of 1000	Competitive (Quality-cost ratio 70:30; 80:20; 90:10)	Firm representing the best combination of quality and price wins
FBS – Fixed Budget Selection	>= 750 out of 1000 And Highest Technical Score	<= budget	Firm with the best technical proposal and the financial proposal within the budget wins
QBS – Quality Based Selection	>= 750 out of 1000 And Highest Technical Score	Supporting documents to prove financial position of the firm, remuneration of experts, social and overhead charges	Negotiations are conducted with the firm that presented the best technical proposal
CQS – Consultants' Qualification Selection	Amplified Expression of Interest (EOI) Structured EOI submission >= 750 out of 1000		Negotiations are conducted with the firm that presented the best expression of interest
SSS – Single Source Selection	>= 750 out of 1000	Supporting documents to prove financial position of the firm, remuneration of experts, social and overhead charges	Negotiations are conducted with the firm that is selected without benefit of competition

Factors Affecting Choice of Selection Method

ADB's recruitment principles emphasize competition

- Technical complexity of the assignment
- Size and value of the assignment
- Assessment of national consulting industry
- Budget constraints/transaction costs
- Urgency / response to emergency situations/ natural disasters

Guidelines on the Use of Consultants

Selection of an NGO

Quality and Cost Based Selection (QCBS) if only NGOs are competing

Quality Based Selection (QBS) if firms and NGOs are competing

Consultants Qualification Selection (CQS) ALSO used for NGO selection for small contracts

Guidelines on the Use of Consultants

Commercial Practices.

2.33. In the case of loans on-lent by a financial intermediary to private sector enterprises or autonomous commercial enterprises in the public sector, the sub-borrower may follow well-established private sector or commercial practices that have been determined by ADB to be acceptable to it. Consideration shall also be given to the use of competitive procedure outlined earlier, particularly for large assignments.

Guidelines on the Use of Consultants

Contracting Arrangements

Contract Types

“Old” contracting arrangements

Time based contract

Lump sum contract

New additions

Indefinite delivery contract (Price Agreement)

Retainer and/ or Contingency (Success) Fee
Contract

Performance based contracts/hybrid

Other important issues

Disclosure of Information/ Debriefing procedure

Dealing with Complaints

Dealing with allegations of corruption
(Report to OAI)

Summary of Recruitment Cycle

Consulting Services Recruitment Notice (CSRN)

ADB/EA prepares Short-list

ADB/EA issues Request for Proposal (RFP)

ADB/EA evaluates Technical Proposal

Public opening of Financial Proposal

ADB/EA does overall ranking

ADB/EA conducts negotiations and signs contract

Shortlist and preparation of proposal

Not every qualified and eligible consultant that expressed interest in the project will be included in the shortlist. Shortlist is generally consist of 6 firms.

If consulting assignment is defined as national, only nationals of the country can undertake the assignment. However, international firms can be shortlisted for the assignment (to provide national experts).

Basic Strategies/Market Intelligence

Register in [ADB Consultant Management System \(CMS\)](#)

Study the ADB [Country Partnership Strategy](#)

Visit ADB (HQ and RM)

Review procurement plans [**Loan consultants**]

[Consulting Services Recruitment Notice \(CSRN\)](#)

Report and Recommendations of the President (RRP)

Express interest to ADB and/or the EA

Consultant Management System

Is an integrated system for registration and maintaining profiles of both consulting entities and individuals.

Allows consultants to register online via the Internet.

It replaced DACON (for consulting entities registration) and DICON (for individual consultant registration).

Embedded Validations within the system evaluate the correctness of the data and the eligibility of the registrant for ADB-financed projects.

Once the registration is accepted, the individual or firm is automatically included in the pool from which consultants are selected for consulting assignments.

Consultant Management System (CMS) registration of consultant or consulting entity is necessary to express interest online. There are 2 types of CMS registration – i) simplified (shall not take more than 15 minutes to complete; ii) full (depends on the qualifications) . Full registration is required prior to issuance of contract

CMS - Simplified and Full Registration

Simplified Registration Allows consultants to register quickly. Information required in the simplified registration process would be the **Basic Information** and **Attachments and Certification** for both individuals and firms

Tip: Registration must be completed within 30 minutes to avoid time-outs. Consultant information must be ready prior to registration.

Full Registration ADB encourages consultants to complete the full registration to increase chances of being selected as the selection process of consultants starts with a search based on the consultants' experience and other related information. Allows consultants to provide additional information about their consultancy experience.

Information required in the **full registration of individual consultants** would include **Work Experience, Credentials** and **Additional Information**

Consulting firm full registration would require **Business Details, Employees of the Organization** and **Key Experts**

Note: It is mandatory for consultants to be registered in CMS prior to expressing interest in ADB-financed TA projects and staff consulting assignments. During negotiations, consulting firms must have their team members register in CMS before contract award.

Features & Benefits – For Consultants

- web-based application which will allow eligible consultants and consulting entities to register and update their profiles in real time
- a choice between a simplified registration which is designed to be completed within no more than 30 minutes and a full registration similar in information requirements to DACON/DICON
- a facility to upload documents (resumes, annual reports) and web-links (websites, web-publications)
- a facility for linking of profiles of associated/ affiliated consulting entities and individual consultants to reflect operations of the consulting entity

Webmail facility informing on currently advertised consulting opportunities (started 1st week September 2010)

CMS features

Consultant Management System (CMS) provides facility for online registration, recruitment and management of qualified and eligible consultants for ADB-financed projects.

Through CMS, consultants can:

register and keep their profiles updated;

receive weekly email notifications on new consulting opportunities;

receive and respond to Requests for Proposals (RFPs) for firms' engagements*;

receive and respond to Non-Committal Inquiries (NCI) for individual consultants' engagements*;

create and submit proposals online*;

negotiate and finalize contracts*; and

submit feedback on completed projects.*

*currently available only for the selected ADB-administered projects

Consulting Services Recruitment Notice (CSRN)

- The Consulting Services Recruitment Notice (CSRN) provides detailed information on the consulting services required for ADB financed or administered technical assistance, loans and grants and provides the ability to collect expressions of interest (EOI).
- Starting from 26 January 2009, the system also allows advertisements of Staff Consulting Assignments, Indefinite Delivery Contracts and Special Assignments.
- Starting 1st week of September 2010, use webmailing facility to inform consultants on currently advertised opportunities.

Expressions of Interest (EOIs)

For projects and assignments administered by ADB, EOIs are expected to be presented online through CSRN (Consulting Services Recruitment Notice)

If for any reason, you are unable to use the e-facility, send the EOI to project officer stated in the CSRN. Standard template for EOI shall be followed. You may also attach EOI to your Consultant Management System registration page and cross-reference your submission

For EA administered assignments, submit EOI online (if option is available) and also send the copy of the EOI to EA contact person stated in the notice.

CMS e-Sourcing. Key features

E-sourcing facility – electronic submission of technical and financial proposal

Not a “drop-box” facility, e.g. requires sustainable internet connection and filling up templated forms.

Checks technical proposal vis-à-vis data sheet

Checks financial proposal submission vis-à-vis data sheet and technical proposal. Picks up inconsistencies, that result in “error” or “warning” messages.

The conflict will need to be resolved prior to submission of the proposal. Internally inconsistent proposals can’t be submitted.

Proposal can be returned to “draft status” from “submitted” before deadline.

Key lesson: Be prepared; aim to submit proposal several days prior, communicate with ADB if there are technical difficulties

CMS eSourcing – Key procedural changes

QBS submissions require financial proposal at the same time as technical. Financial proposal remain encrypted. Only first ranked consulting entity will need to present substantiation of rates. If you did not prepare financial proposal, you will not be able to submit proposal at all.

All members of association/ JV shall be registered in CMS prior to submission

All proposed personnel shall be registered in CMS prior to contract award.

Copy of government issued IDs is required to establish identity of the individual consultant, his/ her willingness to participate in the tender and eligibility.

How to access CMS?

ADB Business Opportunities

The screenshot shows the Microsoft Internet Explorer browser window displaying the ADB Business Opportunities website. The address bar shows the URL: <http://www.adb.org/Business/Opportunities/default.asp>. The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The toolbar contains icons for Back, Forward, Stop, Home, Search, Favorites, and other utilities. The website header features the ADB Asian Development Bank logo and navigation links: Home, Projects, Countries, News & Events, Publications, Economics & Statistics, Topics, Opportunities, and About ADB. A search bar is located in the top right corner. The main content area is titled "Business Opportunities" and includes a sidebar with a tree view of categories such as Procurement, Consulting Services, Proposed Projects, Approved Projects, and Removed Projects. The main text area contains the following information:

Business Opportunities

ADB funds development projects and programs in the Asian and Pacific Regions. Such funding generates opportunities for the business communities of its member countries.

Business Opportunities provides information on the requirements for goods, works, and services of projects under consideration by ADB.

A project is listed here once ADB is satisfied that it is suitable for financing. This is not an assurance that financing will be provided. New and proposed projects are listed until they have been approved for financing. Projects that have not proceeded will be removed.

Bidders for contracts and offering services for projects financed by ADB must be nationals of ADB's Member Countries.

[Procurement Guidelines](#) and [Guidelines on the Use of Consultants by ADB and Its Borrowers](#) are available online.

ADB publishes [Consulting Services Recruitment Notices \(CSRN\)](#) for approved projects and proposed projects.

Proposed or Approved Projects:
Consultants may view the CSRN online from either the Proposed or Approved Project pages by selecting the project from the list by sector and clicking the CSRN button on the right; or by clicking CSRN in the Business Opportunities menu.

On the right side of the page, there are two boxes: "What's New" with links for Consulting Services and Procurement, and "E-Learning" with links for Business Opportunities for Goods and Works and Using the Consultant Management System. Below these is the ADB Business Opportunities logo and the text "ADB Headquarters, Manila, Philippines, 2-3 March 2011" and a "Register on-line." link. The Windows taskbar at the bottom shows the Start button, several open applications, and the system tray with the time 7:58 AM.

Consulting Services Recruitment Notices

The Consulting Services Recruitment Notice (CSRN) provides detailed information on the consulting services required for ADB financed or administered projects. The CSRN includes the consultant's terms of reference and is posted on ADB's web site for at least one month (for consulting entity) or seven days (for individual consultants) before shortlisting. It enables consultants to prepare expressions of interest that are more specific and focused on the project.

Current List of Shortlisted Firms for Technical Assistance and Grant-Financed Projects

As of 9 February 2011

Consulting firms have been shortlisted for the following technical assistance and grant-financed projects and proposals submission deadlines are indicated for every project. Consultants not shortlisted but interested in being considered for participation in technical proposals should contact the firms directly. Please do not contact ADB.

By country
