Taking Guest Order

Taking Guest Order

When the phone starts to ring, wait after 3 rings before picking up the phone. Remember to speak politely and clearly.

Receiving a call

1. Pick up the phone and greet the guest. Be sure to introduce yourself and offer greetings with a smile.
2. Write the guest details on the order slip. This includes the name and room number of the guest.

Sample script:

"Room Service. Good Morning!"

"This is....(mention your name) . How may I help you?"

"May I know who is on the line please?"

"May I know your room number?"

Getting the order

1. Ask for the order of the guest. If you are not

E-TESTDA LEARNING MODEL

BLENDED LEARNING

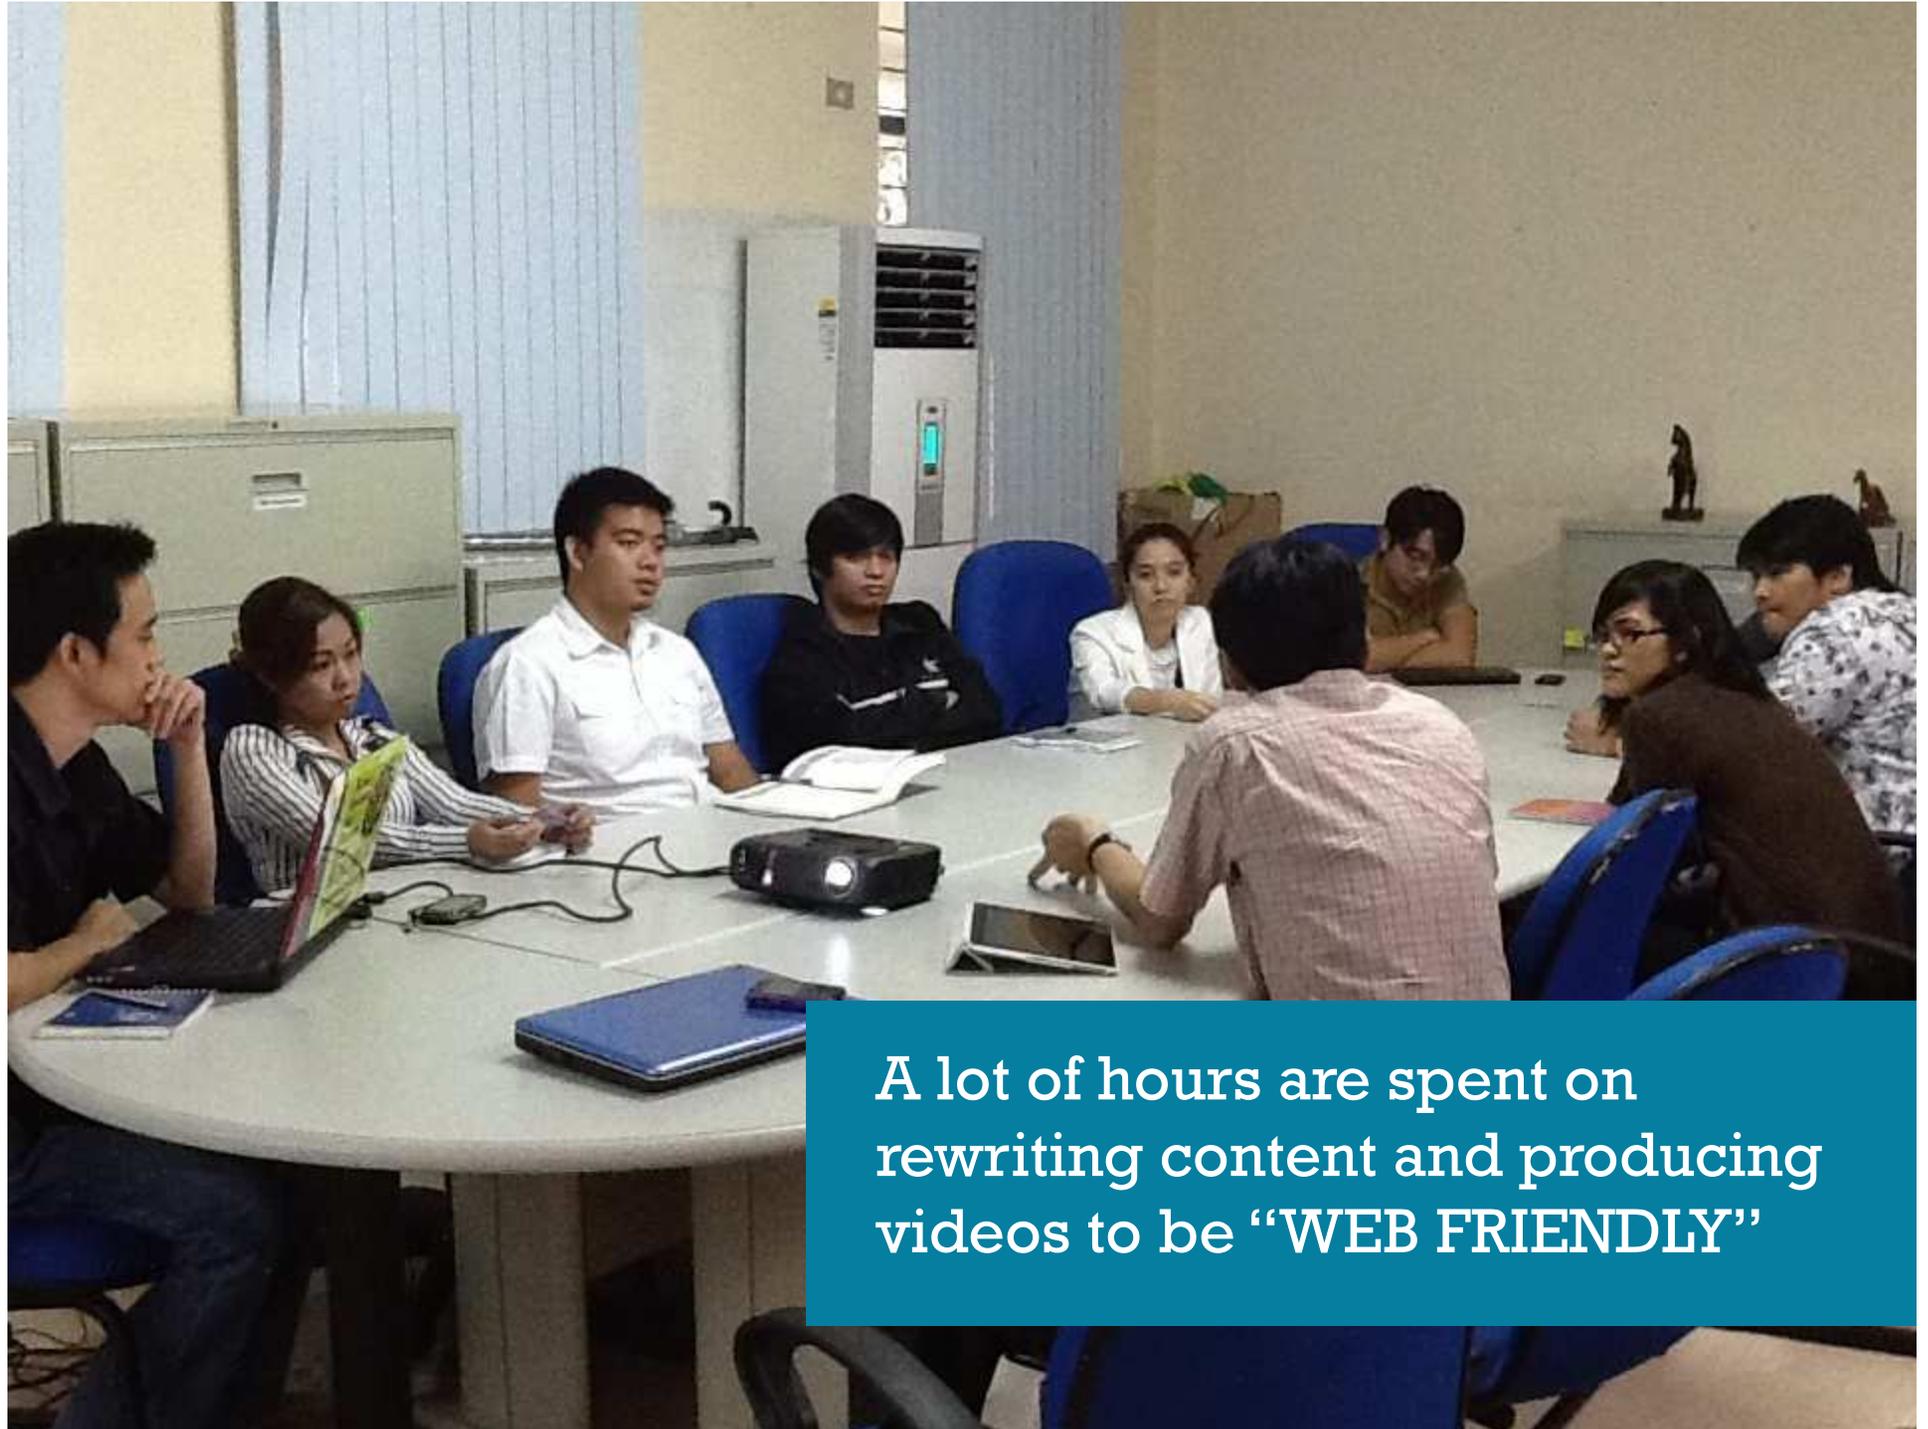

+ Changing experience of the learner

- ✓ Online materials can relieve time in the classroom
- ✓ Multimedia is engaging, allows repetition, and helps retention
- ✓ Adults who learn on their own time, pace, and place

4

Quality content
is **top priority**

A lot of hours are spent on rewriting content and producing videos to be “WEB FRIENDLY”

A lot more work “on-location shoot”.

Worked with quality TVET
Institutions

Worked with content experts to create new content and capture tacit knowledge

+ Challenges

1 – Content Updating

- Research
- Content Experts

2 - Module Chunking

- Re-organizing Lessons
- More short learning episodes (10 – 20 min.)

3 - Rewriting

- Entry level
- Simpler explanations
- Easy to master

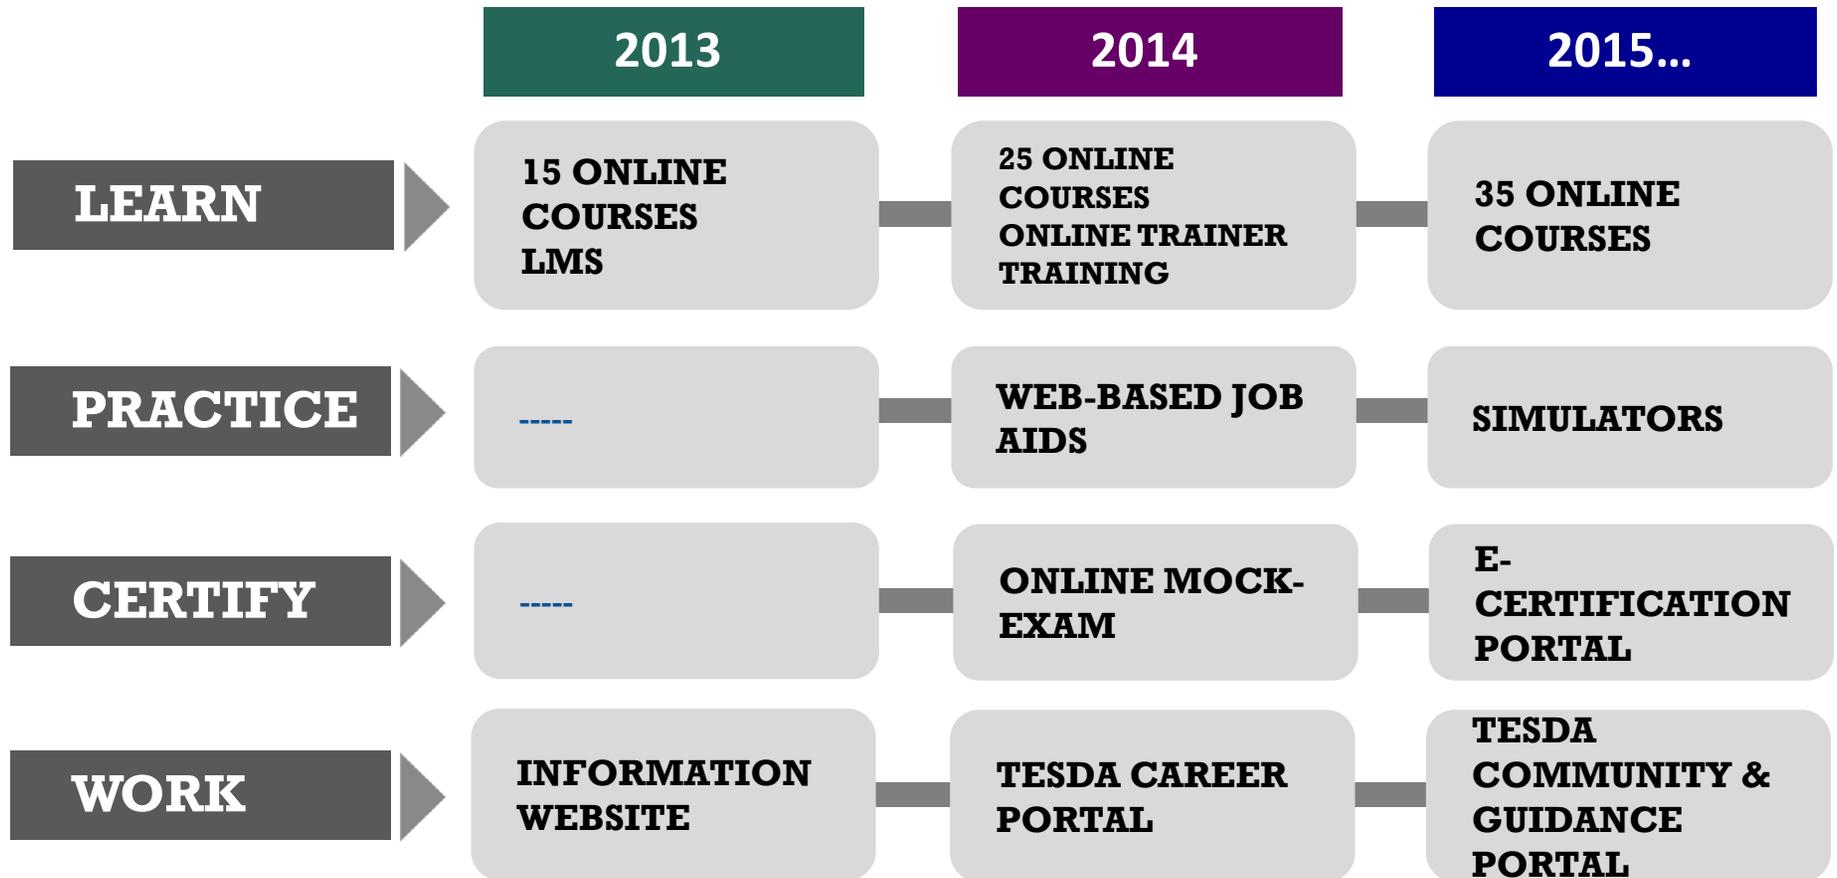

4 – ICT Production & Development

- Interactive Courseware
- Web-Text
- Video-Based Demos
- Other media
