The countries listed in this presentation do not imply any view on ADB's part as to sovereignty or independent status or necessarily conform to ADB's terminology.*

## ***FOR THOSE COMING TO ADB FOR THE FIRST TIME***

- Education one of the 5 core operational areas of ADB
- Education by 2020: A Sector Operations Plan provides guidance
- The mid term review of Strategy 2020 outlines expansion of education to 6%–10% of annual approvals from 3% in 2008–2012
- ADB focus is on post-basic education, technical and vocational education and training, and higher education.

# How does ADB respond to the needs of Developing Member Countries?

**Basic Education:**  
Improving quality and completion. Continued attention to equity (girls, disadvantaged); Learning improvements

**Secondary Education:**  
Universal secondary education, strengthening quality, introduction of STEM and technology streams; introducing ICT

**Skills Development/TVET:**  
Workforce skills development; greater role of industry in training provision, relevance to job markets;  
Demand for both cognitive and non-cognitive skills (“soft skills”).

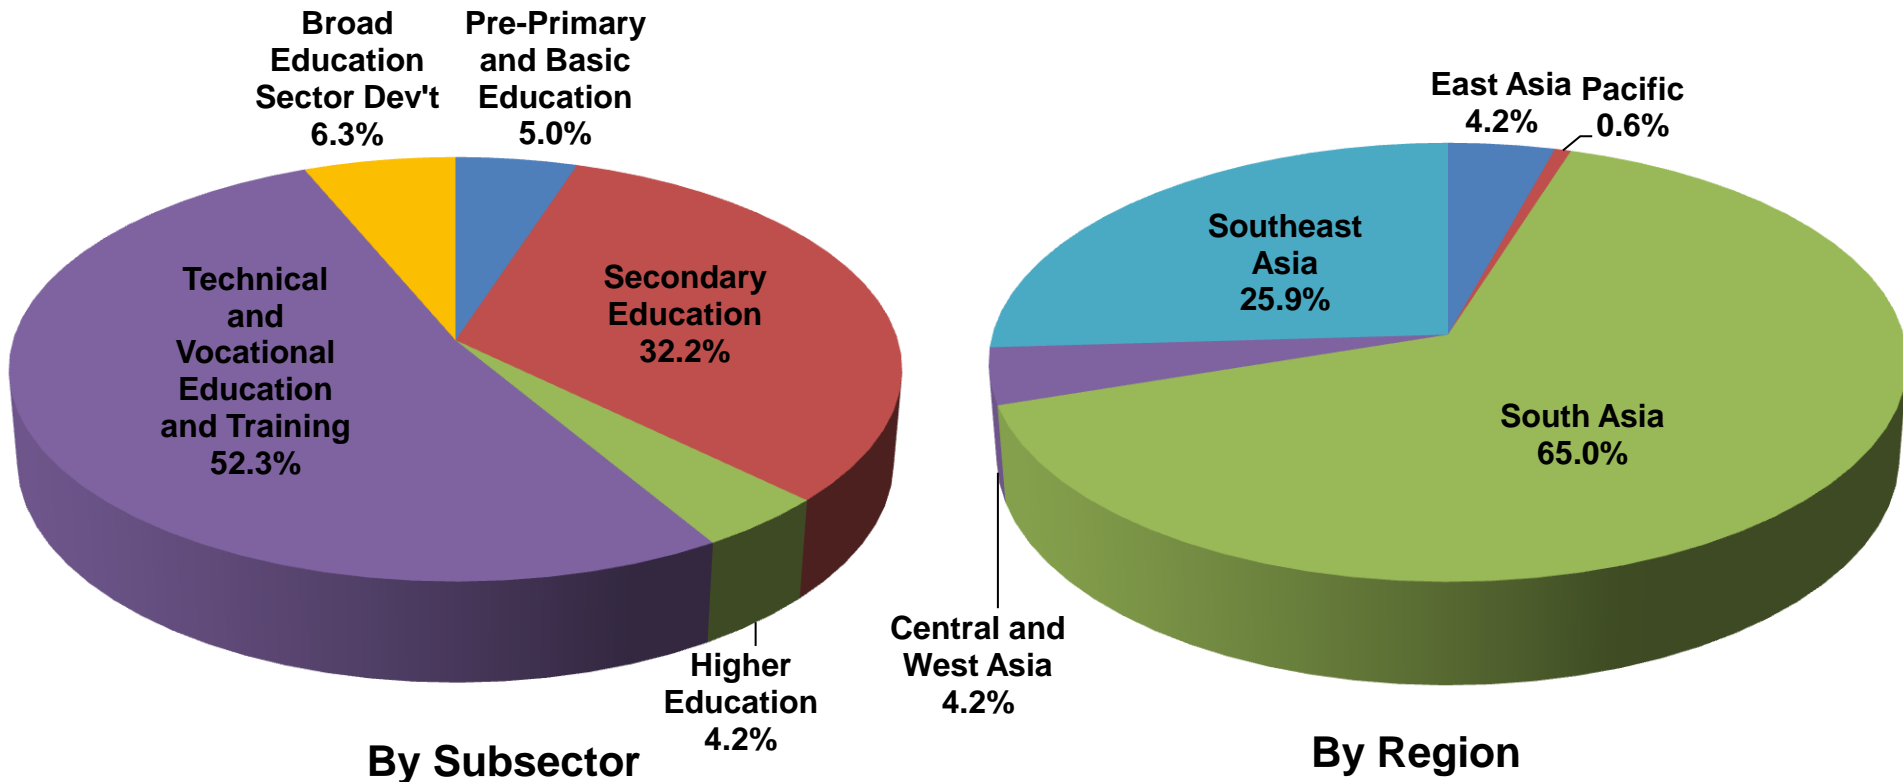

**Education Sector Development:**  
Sector-wide reform programs to increase quality and standards in education.

**Higher Education:**  
Increasing capacity and quality; increasing access to target population groups. Support to countries to expand and diversify higher education for growth and competitiveness.

# 2015-2017 Education Loans and Grants Pipeline (US\$2,545.5 million)
