LOW TRUST IN
GOVERNMENT

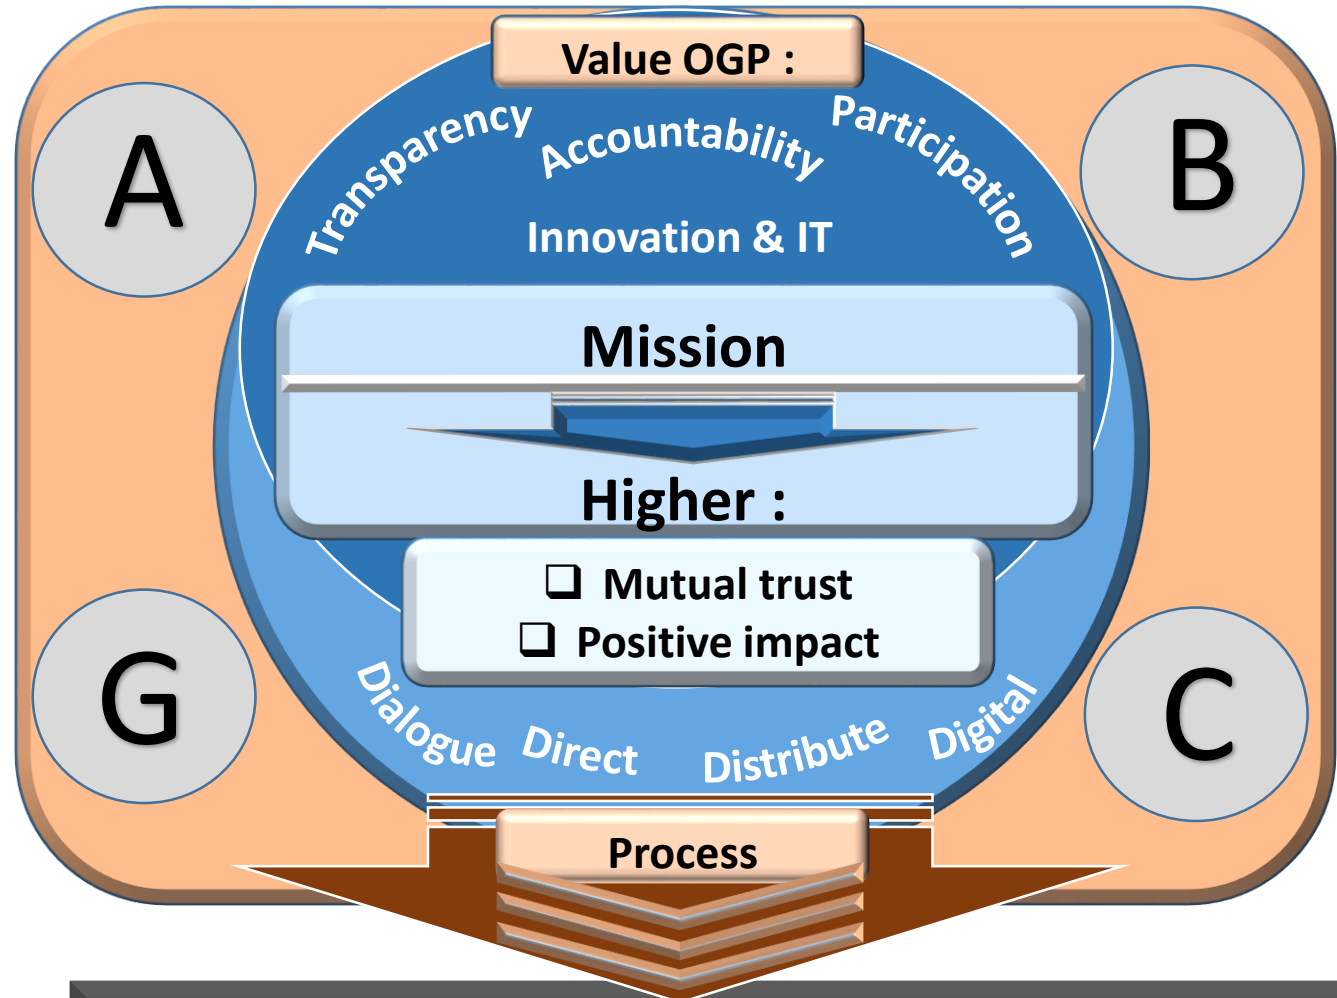

Bojonegoro has complex problems and is destined to become poor. a story of *Endemic Poverty in Indonesia* by DR. C.L.M. Penders (1900-1942)

OGP AS SOLUTION ?

- Global Concern
→ Government Becomes More **Transparent, Effective And Accountable**
- Problem Can Be Solve By **4-way Collaboration** → Need Openness
- Open Government As The Key Of **Sinergy Between Government And Public**

BOJONEGORO OPEN GOVERNMENT PARTNERSHIP

Global Concern And Local Prototype By Co-creation Of Four Elements Through Open Government Partnership (OGP)

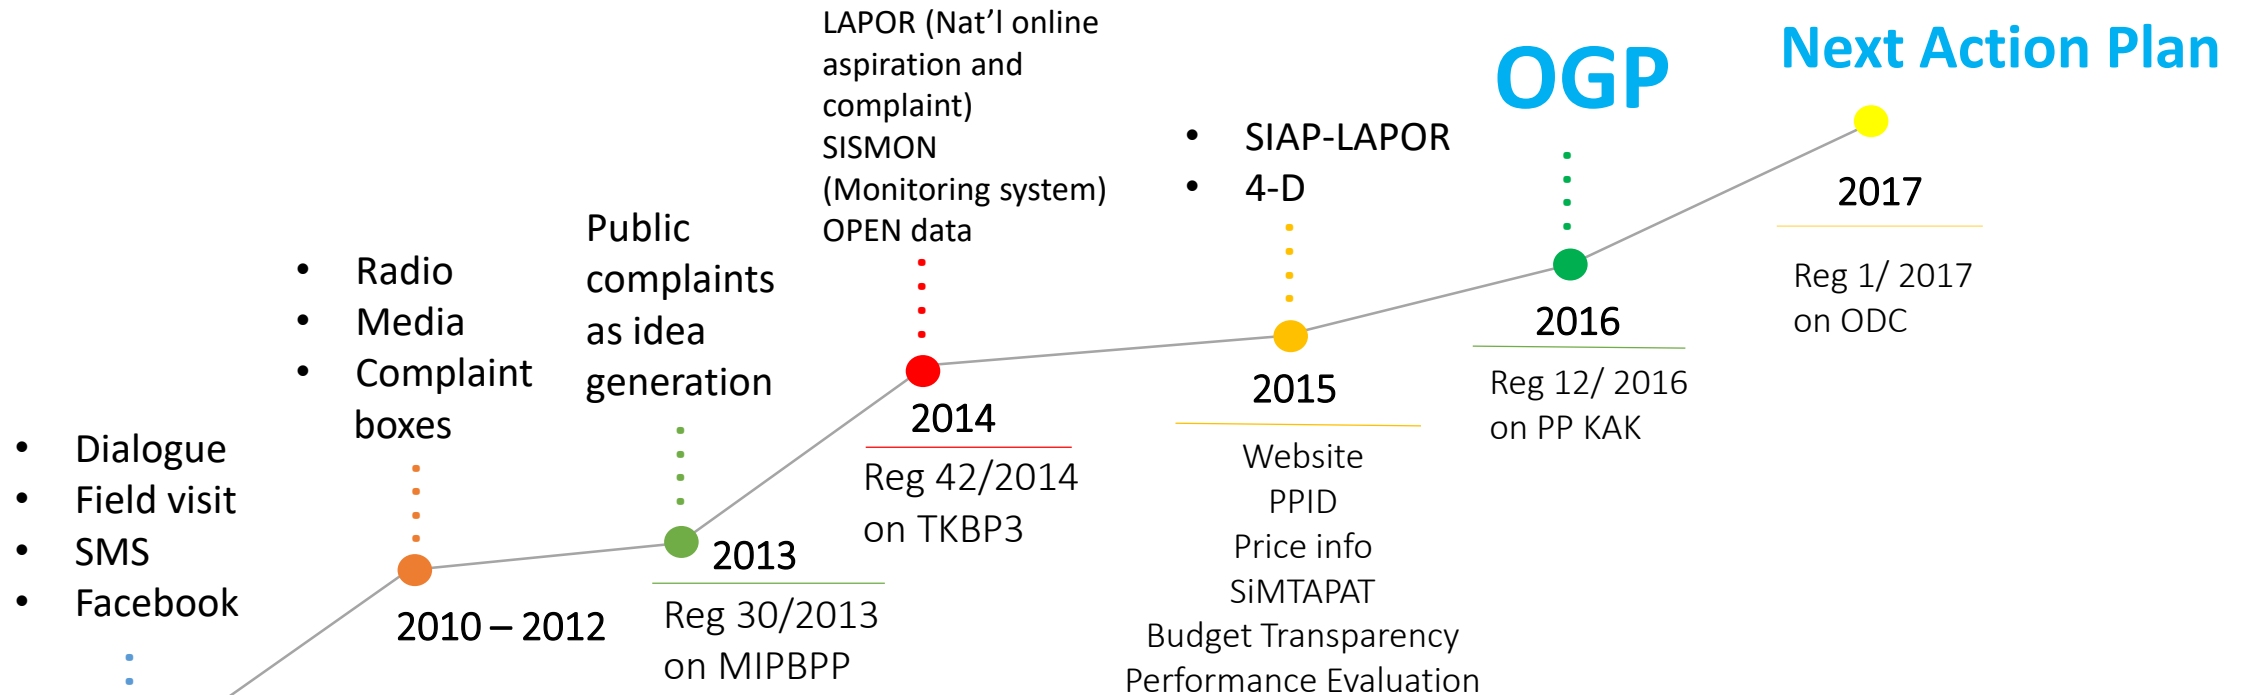

GOAL : Sustainable Development To Create Well-being For All
