ADB has worked with Papua New Guinea since 1971 and is the country's largest multilateral development partner.

PAPUA NEW GUINEA

The development priorities of Papua New Guinea (PNG) include promoting renewable energy and making improvements to transport infrastructure, health services, water and other urban infrastructure, and public sector management. The Government of PNG has also placed emphasis on environmental sustainability, private sector development, gender equity, and knowledge management.

Cumulative disbursements to PNG for lending and grants financed by ordinary capital resources, the Asian Development Fund, and other special funds amount to \$1.43 billion.

ADB-SUPPORTED PROJECTS AND PROGRAMS

ADB is funding the \$480 million Civil Aviation Development Investment Program to help provide safe, reliable, sustainable, and affordable aviation services across PNG. In 2016, ADB began disbursing \$130 million for the program's second tranche and, in December, it approved the third tranche of \$248

The Asian Development Bank (ADB) has been working with PNG since 1971 and is the country's largest multilateral development partner. The active ADB portfolio in PNG totals \$1.2 billion,
