PRC: Developing Students' Core Competencies and Reducing Rural–Urban Disparities in Primary Education Through the Use of ICT	Assessment and improvement of core competency development and rural–urban disparities	\$197,400	QCBS	Q2

Issues for Consideration

- Understand the local context, key stakeholders and their roles, and challenges, domestic project approval procedures
- Prepare detailed proposals according to guidelines
- Team leader should have strong management and technical skills, with ADB knowledge (RBL, MFF etc)
- PRC: Strong technical expertise
- MON: Flexibility
- New area: Elderly Care and pre-primary education
