Mission To promote quality, equitable, and sustainable large-scale, ICT-mediated teacher professional development through collaboration, research, and implementation support

Objectives

1

Support governments and implementers across the Global South in the design, development, and deployment of quality, equitable, and sustainable TPD@Scale models

2

Support research and knowledge-sharing on innovative TPD@Scale models and how to adapt them effectively and appropriately for a wide range of Global South contexts

3

Harmonize efforts and investments in TPD@Scale in the Global South

Landscape Review of TPD@Scale

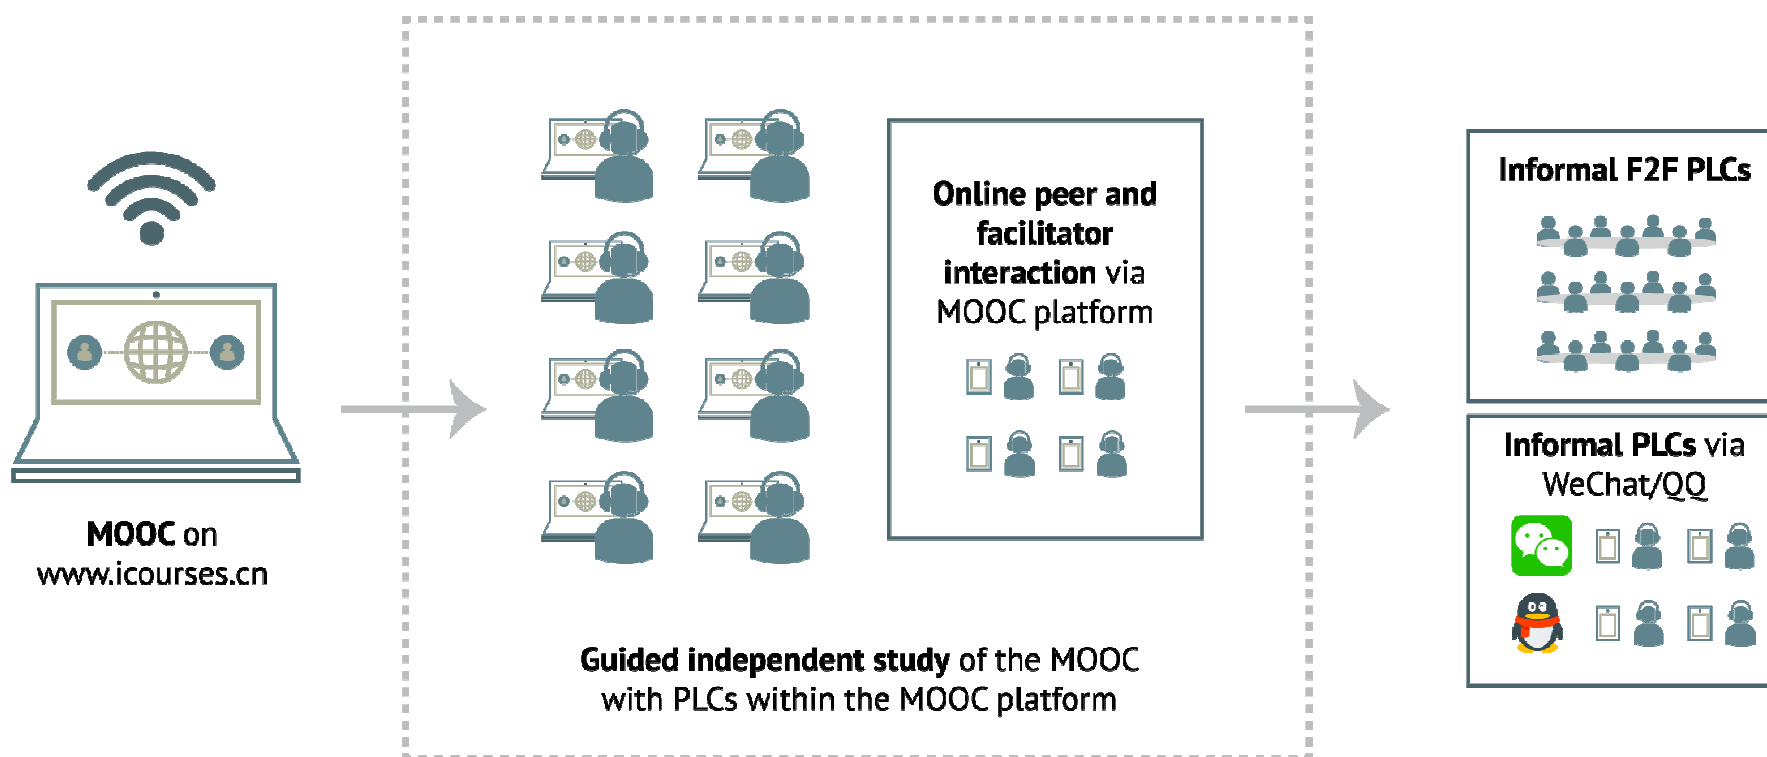

Research Questions

- 1. What models have been deployed?**
- 2. What are the key lessons in (a) learning design, (b) development, and (c) implementation generated from the experience of these models?**
- 3. What are the key inclusion-related challenges (e.g., gender, disability) involved, and how might findings from research questions 1 and 2 address such issues?**
