Udemy and Singapore - Civil Service College of Singapore

Udemy for Government is working with the Civil Service College of Singapore, to provide online learning to public service offers in order to upskill and stay relevant to serve the public well.

“As our environment changes rapidly, the Public Service has to constantly upskill ourselves in order to remain relevant and serve the public well.”

“Investing in our people and their growth is of utmost importance. Partnering with Udemy to provide our public officers with the curated courses they need to upskill and reach their career goals is a great complement to our existing offerings and a great way to help transform CSC for the future.”
