**Know and control
your portfolio**

3rd Asia Finance Forum: The Future of Inclusive Finance
Manila, 4-7 November, 2019

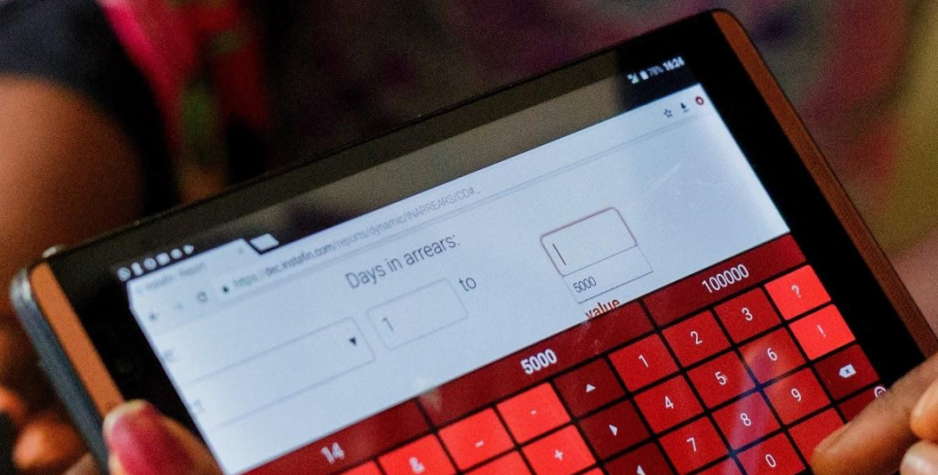

1.7B global adult population have
no access to financial services

65% of adult population in the Philippines
has no access to financial services

Breaking barriers to widen financial access through innovation

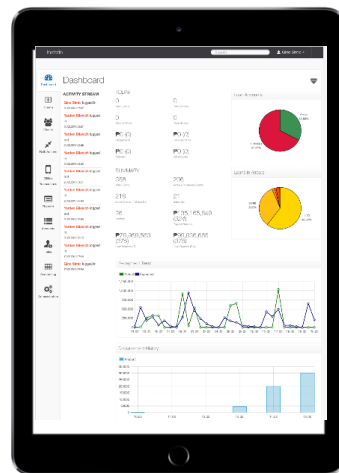

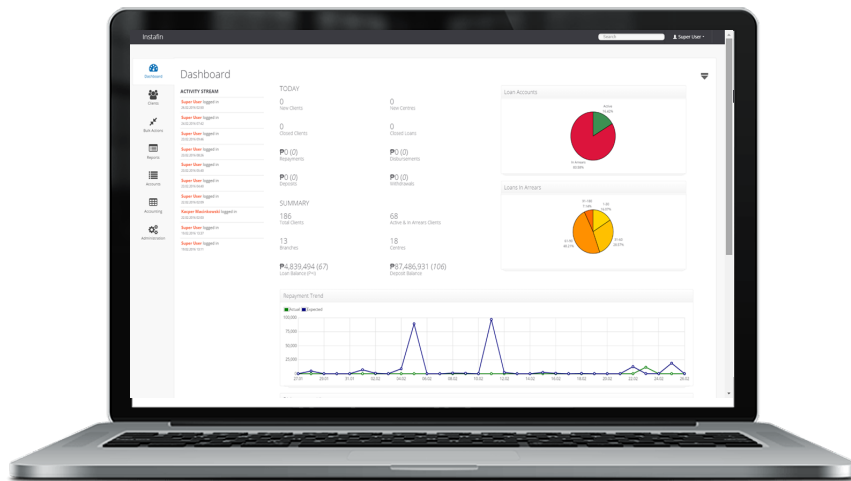

ADB

A woman with dark hair and glasses is speaking, looking slightly to her left. She is wearing a dark blue top. The background shows a building with a stone wall and a palm tree. To the right, a yellow building with a balcony and the word "CANT" in blue letters is visible. The sky is overcast.

Core banking technology in
the cloud has really helped us

Our core product - Instafin

Our customers journey to growth and leadership

Digitise

- Reduce time spent on manual processes
- Use the additional time to get more clients
- Reduce your risks of fraud, geo-hazards

Core Banking Platform

Optimise

Tap into best practice to:

- Implement more efficient processes
- Reduce your staff turnover
- Use accurate, digitised data to run real-time reports
- Make informed decisions

Oradian Know-How

Grow

Integrate with partners and new services:

- Rollout new services: Field Officer App and Instafin Messaging
- Reach to more clients
