Common Mistakes in preparing bids

- Bids not signed or Bids signed by a person who is not authorized signatory
 - No Bid Security or Bid Securing Declaration (if required)
 - Insufficient Amount of Bid Security, Incorrect Validity Period
 - Lack of Supporting Documents (JV Agreements, Audited Fin Statements, Past Performance Certificates)
 - Incomplete Bids / Partial Bids
 - Absence of test reports if required as per bidding documents
 - Conflicts of interest not disclosed
 - Inclusion of financial offer with technical offer where bid conditions require them to be separated
-
- **Failure to provide a Signed letter of Bid, a correct Bid Validity Period and the required Bid Security or Bid Securing Declaration and Priced BOQs are grounds for immediate disqualification of the Bid.**
 - **Minor omissions to the documents required by the Bidding Documents may be clarified. Multiple minor omissions may add up to a major omission and if clarified would give the Bidder an unfair advantage.**

Consultant Management System

Overview **FAQ**

Welcome to the Asian Development Bank's Consultant Management System

Consultant Management System (CMS) is an integrated web-based system that supports the ADB's consulting services recruitment, from advertising the opportunity to awarding consulting contracts. This portal will enable users to work with the different facilities available in CMS.

Consultants create and update their profile, search opportunities, send Expressions of Interest (EOIs), respond to Non-Committal Inquiries (NCIs), and prepare and submit proposals. Login to the system by typing in your registered email address and password.

Since CSRN is now integrated in CMS, consultants are encouraged to complete their full registration to help facilitate EOI submission by tagging project and consulting experiences entered in their profile.

[Click here to know who can register as consultants in CMS.](#)
By using this service, you are accepting the [CMS Terms and Conditions](#).

ADB Project Team Members can access all CMS functions like creating a selection, advertising opportunities, sending Non-Committal Inquiries (NCIs), distributing Request for Proposals (RFPs), sending Notice to Proceed (NTPs), and approving requests, even while working outside of the ADB network. Login to the system by typing in your ADB Self-Service Username and Password.

Executing Agencies (EAs) can access Consulting Services Recruitment Notice (CSRN) to post consulting opportunities for ADB-financed projects. Login to the system by typing in your registered Username and Password.

To obtain an EA account, email your ADB Project Officer and copy csrnl@adb.org with the following details:

1. Email address of the agency representative
2. Full name of the agency representative
3. Name and address of the agency
4. Duration of the recruitment for the project

Consulting Services Recruitment Notice (CSRN)

The Consulting Services Recruitment Notice provides detailed information on the consulting services required for ADB-financed or administered projects. The CSRN includes the terms of reference and is posted on ADB's website for at least one month for firms for EA-administered projects, 15 days for firms for ADB-administered projects or 7 days for individual consultants before shortlisting.

This will provide consultants sufficient time to prepare EOIs that are more specific and focused on the project's requirements.
