Creating Awareness and Sharing Information

The infographic features a light beige background with a stylized cityscape at the bottom. At the top center is the 'MOVE AS ONE' logo, which consists of five vertical bars in purple, blue, green, yellow, and red. The main title is 'What can we do to celebrate the WORLD CAR-FREE DAY?' with 'WORLD CAR-FREE DAY?' in a larger, bold, dark green font. Below the title are five options, each in a white rounded rectangle with a green letter in a circle on the left. At the bottom, a paragraph explains the benefits of these actions.

MOVE AS ONE

What can we do to celebrate the **WORLD CAR-FREE DAY?**

- A** Bike, walk, and take mass transit to work or school.
- B** Push for protected bike lanes, safer walkways, and better public transportation.
- C** Call for the development of communities where everything we need – jobs, government services, schools, shopping, and the like – is within walking or biking distance.
- D** Encourage motorists to leave their cars at home for a day.
- E** All of the above.

All these will lessen air and noise pollution, ease congestion on our roads, and make it easier for everyone – including PWDs, the elderly, and children – to get to where they need to go.

The infographic has a dark red background with a faint cityscape. At the top center is the 'MOVE AS ONE' logo. The main text is in white and yellow. A large yellow arrow points downwards from the top right towards the center. The text 'TRANSPORTATION AND STORAGE TOTAL EMPLOYMENT' is in white, followed by '90,000' in a very large white font. Below that is 'IN JUNE 22 VS MAY 22'. A bulleted list follows, and at the bottom is the survey date.

MOVE AS ONE

TRANSPORTATION AND STORAGE TOTAL EMPLOYMENT

90,000

IN JUNE 22 VS MAY 22

- Employment in the transportation and storage services subsector remains down by 305,000 people vs full year 2019 employment.
- In contrast, 508,000 more people were employed across all industries in the Philippines.

Generating Data: On-Line Surveys

 **Komyut**

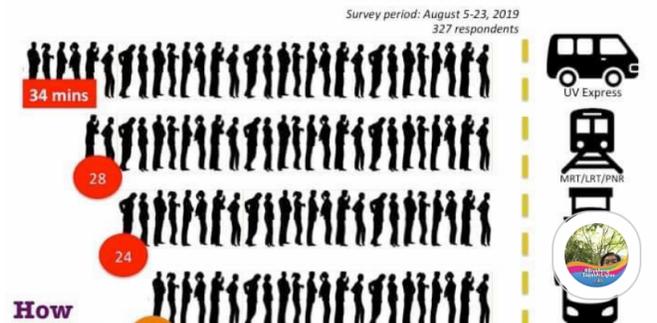

Toix Cerna
Aug 27, 2019 · 

Mga ka-commute, here's what we do with the data you send. ;) We draw attention on your daily commute to tell government what commuters experience every day and to shift attention from vehicles to commuters. #commutersnaman.

Keep the data coming!

Kumusta Komyut/Byahe Mo?
(Commute Survey)

We are on month two of the commute survey! This time, kasama nating pwedeng lumahok ang mga may pansariling mobility device/ vehicle. This is our chance to shape the narrative!

Muli, ang ating commuters (ONLY) ay maaring manalo ng **P1,000 commute allowance weekly.**

Mechanics for the Weekly Raffle:

1. Log your commute in less than 3 minutes
2. Every response is equivalent to 1 raffle entry.
3. You are entitled to 2 entries per day.

MOVE AS ONE

“
Before the program, I expect to become knowledgeable about the transportation topics. **The amount of learnings that I received, though, outweighed the ones I was expecting.** Learning more about the situation of public transportation in the Philippines with the help of YMLP has shifted my view from a infrastructure-only problem to a broader environmental and sociological issue facing not only in urban areas but for the rest of our country.”

JM Oñate
Think Tank Director of AYAN Philippines and Secretary-General of PUP House of Parliamentarians

Recognizing Champions

“With bike-friendly infrastructure, we aim to promote road safety to all.”

DPWH SECRETARY
Mark Villar

IN HIS STATEMENT REGARDING
DEPARTMENT ORDER NO. 88, S. 2020

PART 2 OF 4

HEARING ON THE PROPOSED BUDGET OF DOTR FOR FY 2023
HELD SEPTEMBER 13, 2022

ENCOURAGING THE COMMITTEE TO
STRENGTHEN THE INITIATIVES ON BIKE LANES:

I would like to manifest that the bike lane initiatives have been relatively successful in certain localities.

Like Quezon City and Iloilo City, for example. And I commend these cities for their initiatives with regard to bike lanes and I

hope these best practices continue for the years to come. [...]

I would like to manifest that perhaps that this committee can furnish us with feasibility studies so that we might be able to come up with legislation that would strengthen these initiatives.

Hon. JC Abalos

A meeting of minds

On Sept. 8, 2022, the Move As One Coalition, Move Metro Manila, and AltMobility PH met with Department of Transportation Sec. Jaime J. Bautista to discuss immediate steps to improve active transportation and public transportation. Sec. Bautista was joined by Atty. Mark Steven C. Pastor, Undersecretary for Road Transportation and Infrastructure, and Atty. Reinier Paul Yebra.
