Instructions

Read this first before entering your payment information!

1. This platform serves as a convenient tool for you to enter and submit your payment information. Should ADB engage you or your firm for consulting assignments, any claims or advance payments will be transferred directly to the payment information you provide here.
2. Please remember to save your data every 15 minutes to avoid losing changes due to system timeout.
3. Please note that you can only maintain one (1) verified or active payment information per currency. You may use the same payment account information (beneficiary bank, account name, and number) for each currency in the contract, provided the account can accept multi-currency remittances.
4. To finalize your contract, ensure that payment information details for each currency (e.g., one account for USD, one account for EUR, etc.) have been created and verified by ADB.
5. Ensure that the Bank Account Name and Address details you provide match those used when opening your bank account. Please provide complete and accurate information, ensuring that you (or your firm) are the direct beneficiary of the account.
6. Keep in mind that intermediary banks may deduct fees, and the fees and processing times can vary depending on the banks involved and specific transfer arrangements. For the most cost-effective intermediary bank option, we recommend checking with your bank representative.
7. Please ensure that the information recorded here is complete, accurate, and compliant with Anti-Money-Laundering regulations. We strongly recommend consulting with your bank representative for any concerns or required information when entering your payment details. ADB does not accept trust or 3rd party accounts of any sort and will not be responsible for any loss, damage, cost, or expense resulting from failure to follow these instructions.
8. For individual consultants, the account should be located in the country of nationality or country of residency. For consulting firms, the account should be held in the country of incorporation or the main office country of the firm. If these conditions are not met, you are required to provide a reasonable explanation before submitting your payment information.

You may click this [link](#) to watch a video on entering and submitting payment information.

To proceed with entering your payment information, mark the checkbox below and click the "Next" button to advance to the first step of providing your payment information.

I have carefully reviewed and understood the provided instructions. I am ready to proceed with entering my payment information.

Step 5: Review and Submit

Step 1: Payment Currency and Account Owner Information

Please enter your Payment Currency, Bank Account Number, Bank Account Name, and Address. Ensure the details match the ones used when opening your bank account. If your payment currency is Euro or if your bank mandates an IBAN format for international transfers, kindly input your bank account number in IBAN format. You can use the following link to verify the accuracy of your IBAN account number: <https://www.iban.com/iban-checker>.

Kindly ensure that the information entered is complete, accurate, and that you are the direct beneficiary of the account in question.

* Payment Currency

* Bank Account Number

* Bank Account Name

This should match the Account Holder Name registered with your beneficiary bank.

Payment Information – Step 3

Step 3: Intermediary Bank

For international transactions, when ADB or other banking institutions don't have a direct relationship with your bank, an **Intermediary Bank**, also known as **Correspondent Bank**, is necessary to facilitate the transfer.

By default, the option is set to "Yes" if your chosen currency is different from the domestic currency of your bank's country. You can select No if your bank does not require an intermediary bank based on instructions from your bank representative. Conversely, the option is set to "No" if your selected currency is the domestic currency of your bank's country. You can select Yes if your bank operates locally and requires an intermediary bank to facilitate payment receipt from international banks. If your selected currency is "USD" or "PHP" and your bank branch is in ADB Headquarters in Manila, Philippines, the option is preset to "No" and is not edited.

Do you need an intermediary bank for transmitting payments to your bank? Yes No

CMS TIP: Provide intermediary bank

An intermediary bank is required when the currency referred to in your payment instructions is not the local currency of the country where the beneficiary bank is located (unless the indicated beneficiary bank is an ADB in-house bank). The intermediary bank is located in the country of the indicated payment currency. If the payment currency cannot be directly handled by the beneficiary bank, then payment will be coursed through the indicated intermediary bank. Transmittal charges will apply based on the specified intermediary bank.

Why do I need it?

To avoid unapplied payments, delays and unnecessary transaction fees.

Payment Information – Step 4

Step 4: Attachments

Please provide one of the following documents to verify your ownership of the bank account:

- A bank certificate that provides details of the bank account (balance information is not required to be shown).
- The header of a bank statement displaying the bank account name and account number (balance information is not required to be shown).

✔ **TIP** The Dashboard serves as a convenient starting point to directly access pending CMS tasks and online help and references. Please remember to **save your data every 15 minutes to avoid losing changes** due to system timeout. For inquiries, contact cmshelp@adb.org.

ATTENTION:

- Starting 17 December 2022, consultants who have not logged into CMS for more than five years will have their accounts archived. Logging in to CMS will reactivate the account that has been archived.
- To ensure payment before year-end, all requests for claims and advances under Staff Consultant contracts should be submitted online in the CMS along with complete supporting documents and endorsed to CTL for processing **on or before 8 December**. Claims and/or Advances submitted after the deadline will be processed and paid in January 2023.
