Transparency

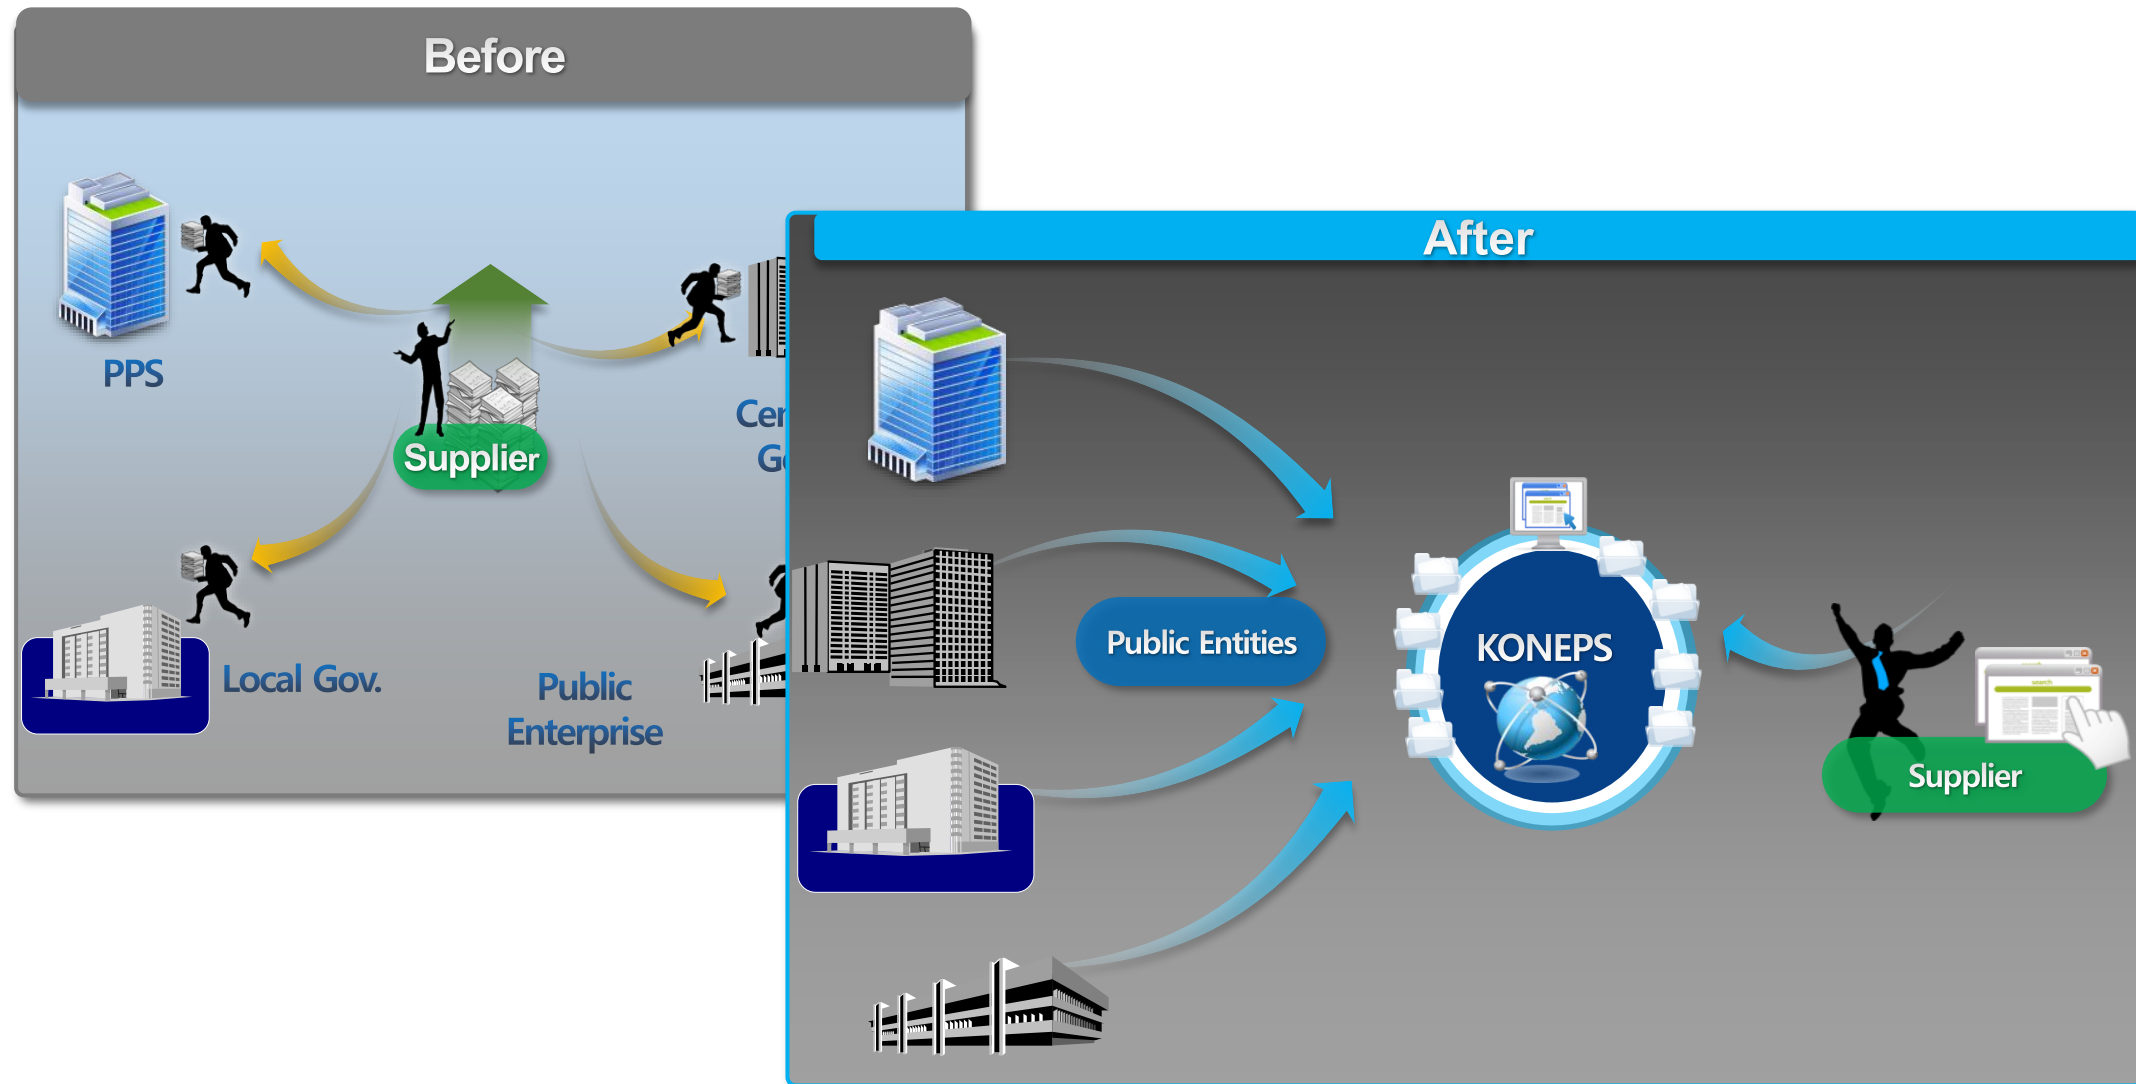

Private sector

Focus on Results over Process

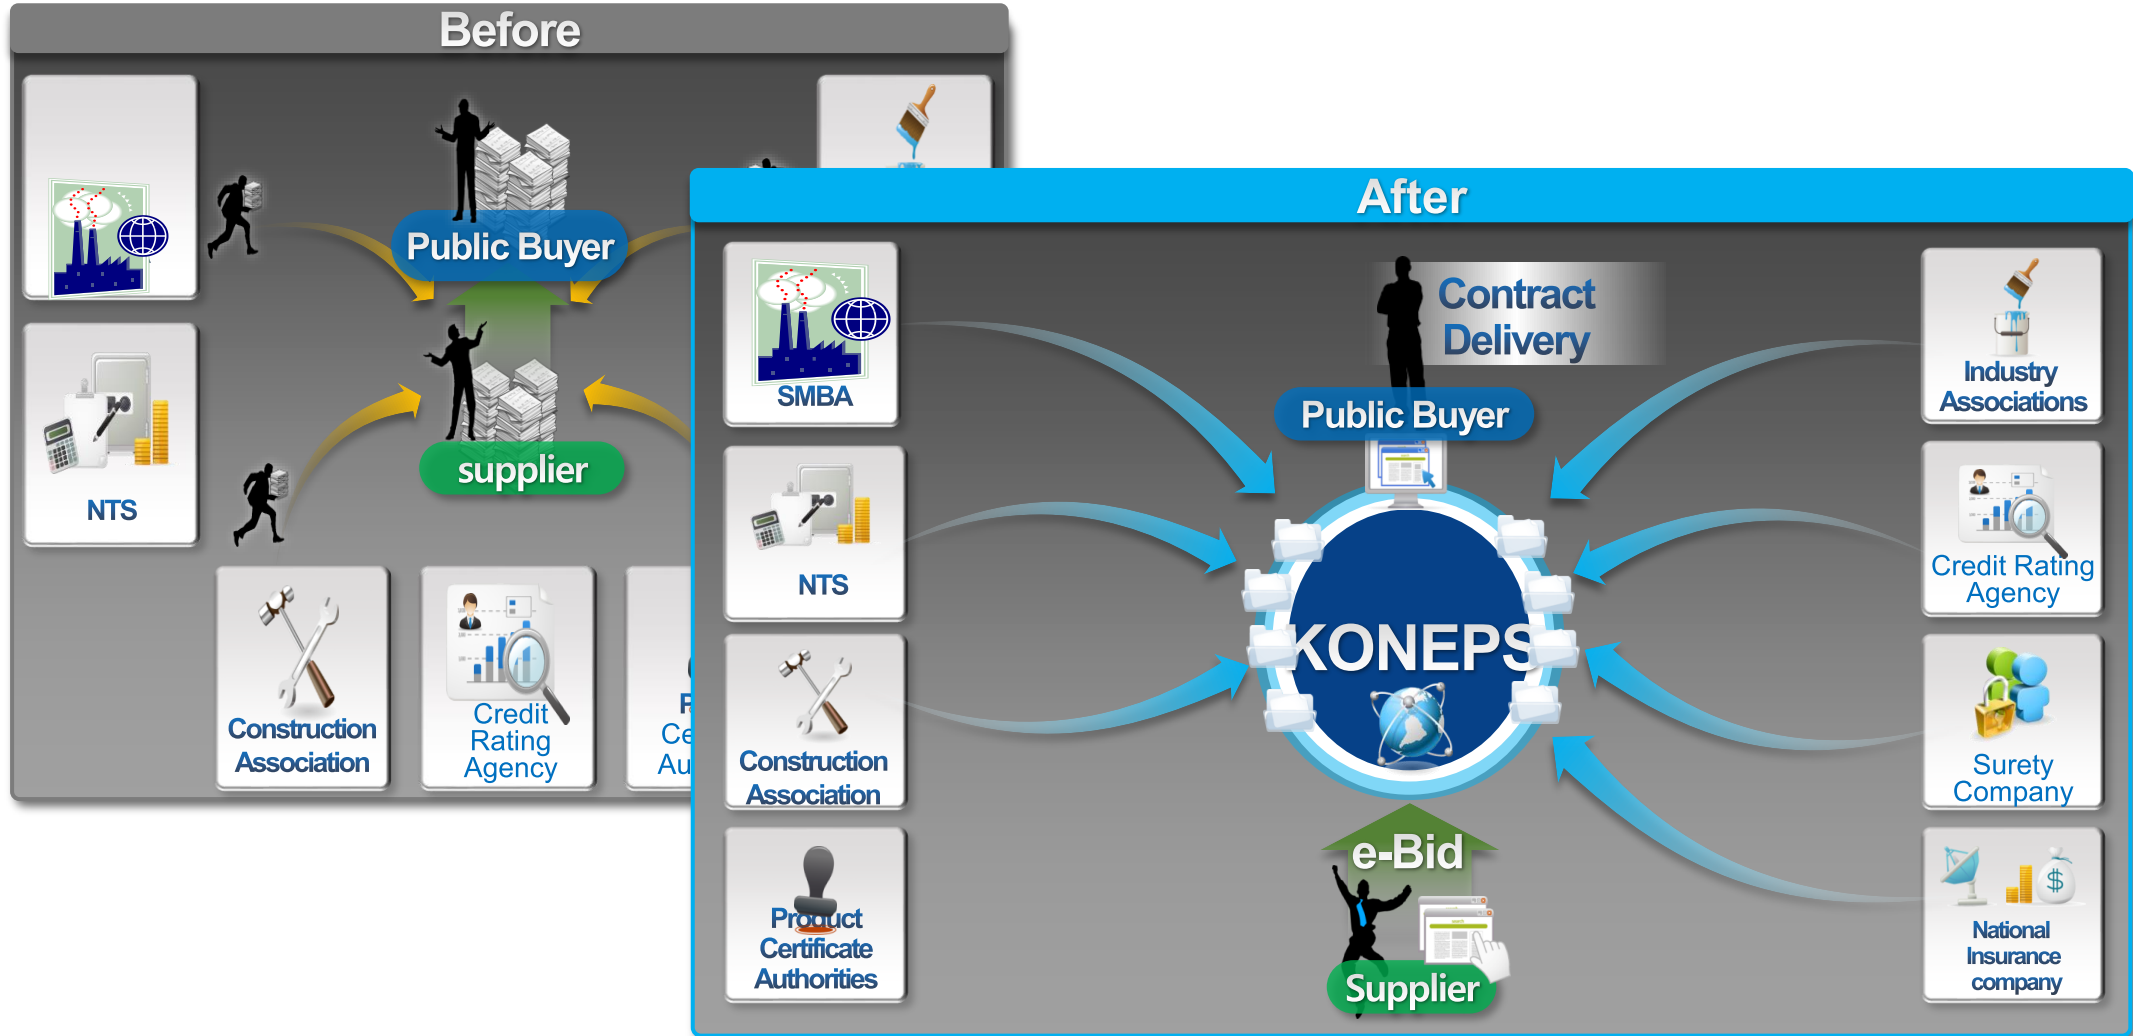

Public sector

Focus on **Process** over Results

2. Single window for public procurement

3. One-Stop Service by information sharing

4. Pre-registration and sharing of bidding qualifications

- ❖ Eligibility for bidding participation **must be proven by documents** issued by the relevant agency
- ❖ **In order to efficiently carry out** competitive bidding work,
 - qualifications for participation in competitive bidding can be **registered in advance** and qualifications for bidding participation **can be granted through this**.

However, the prerequisites must be met

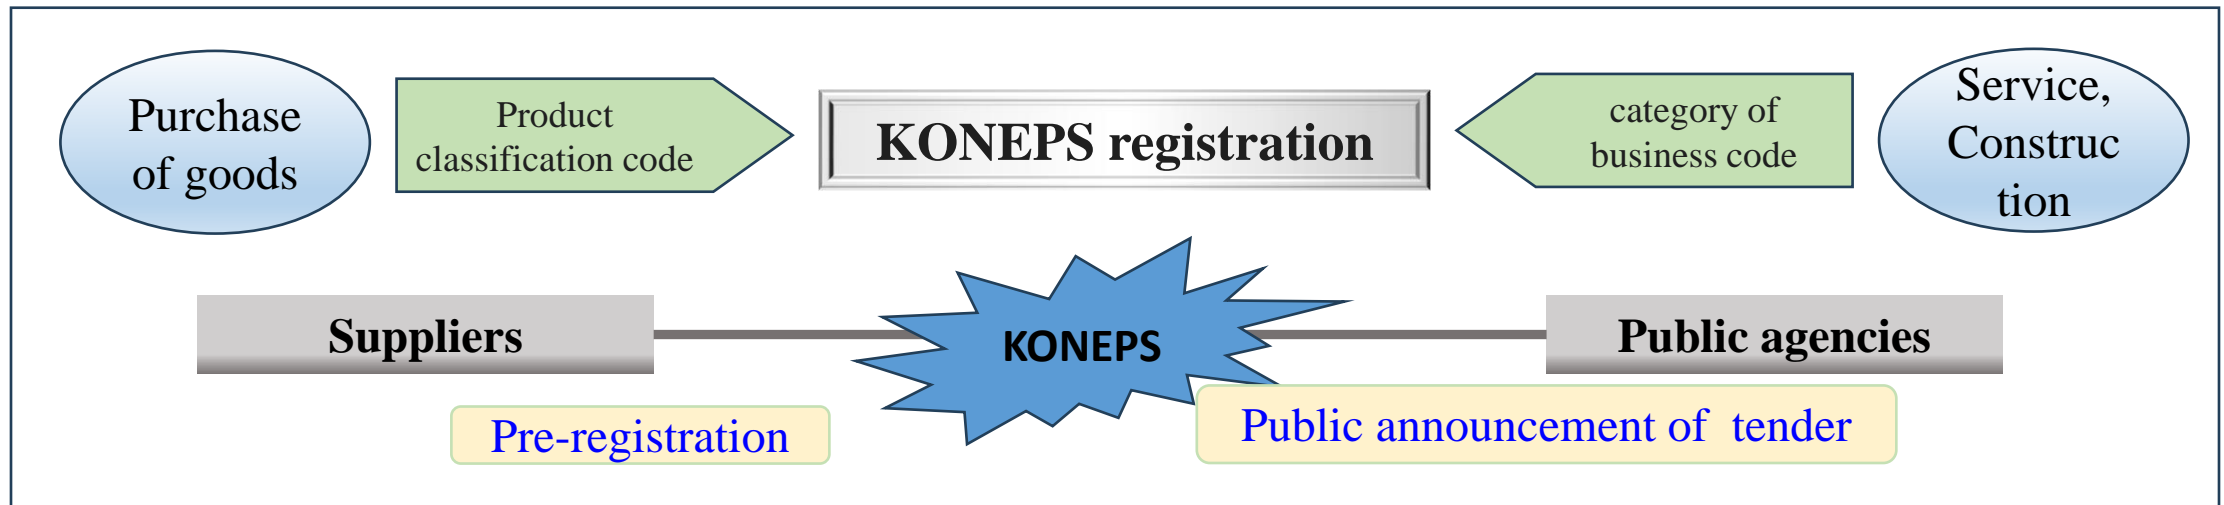

- ❖ Competitive bidding qualifications **can be registered with KONEPS in advance**, which is **considered to have been registered with other government offices**

4. Pre-registration and sharing of bidding qualifications

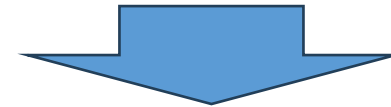

- ❖ **Registration** of competitive bidding qualifications **and issuance of registration certificates** according to goods, construction, and services
 - **Check documents** issued by related agencies required **for business registration**
 - **Business verification** (corporate registration certificate, business registration certificate)
 - Check whether it is **manufactured or not**
 - Regulations for registration of qualifications to participate in bidding -

5. Replace bid deposit with payment memorandum KIP 한국 조달 연구원 KOREA INSTITUTE OF PROCUREMENT

- ❖ The deposit is a system to **ensure the faithful performance** of public procurement participants
Bid deposit, contract deposit, payment deposit, defect deposit, etc
- ❖ **Bid deposit** : **Penalty** to be imposed if the successful bidder **refuses to conclude the contract**
!! It must be returned to bidders who did not win the bid

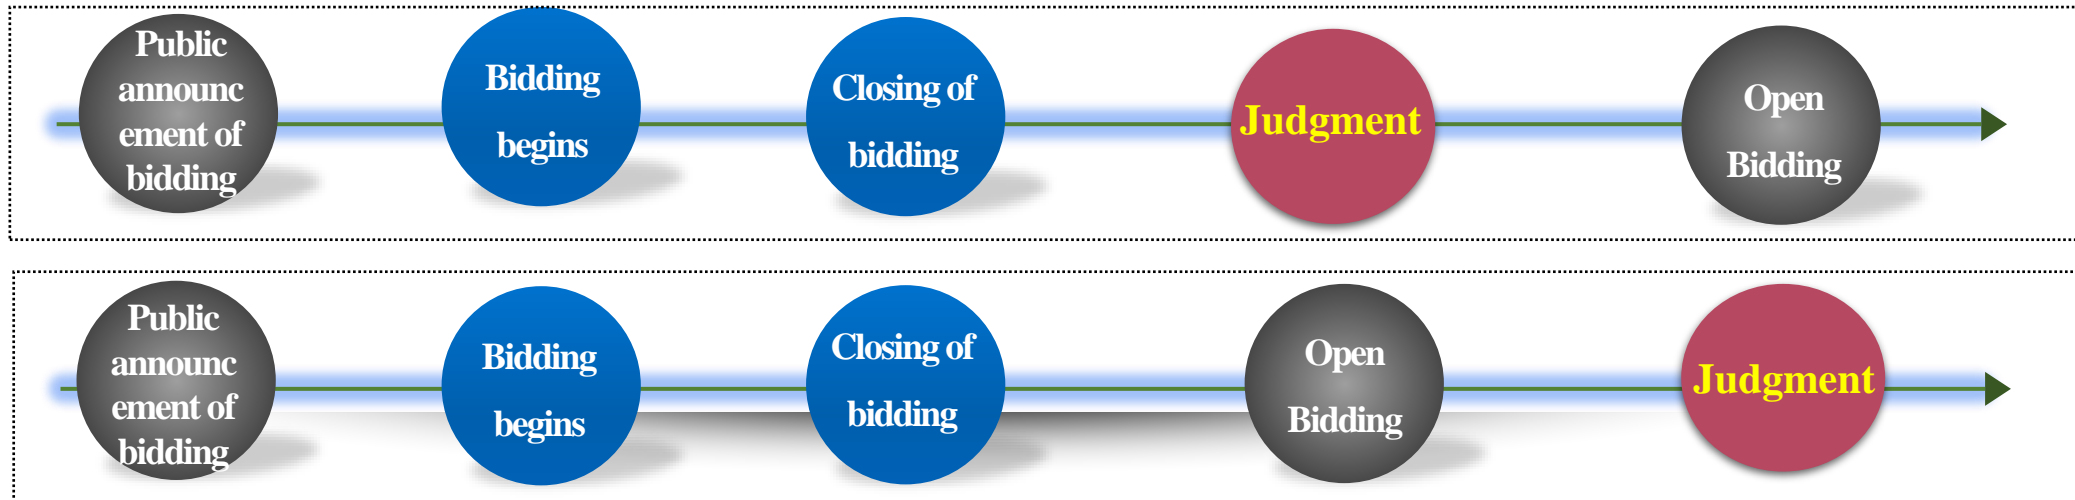

- ❖ **Replacement with payment memorandum**(1999)
Except when there is a **risk of avoiding the conclusion of a contract**

❖ Judgment of bid participation qualifications :

- (pre-judgment) Judgment **before bid opening**
- (post judgment) Decision made **after bid opening** to shorten bidding time

- KONEPS terms and conditions-

IV. Transparency and Fairness in public procurement

1. KONEPS Mandatory Use Regulations

- ❖ **Public announcement of bidding** : Should be publicly announced **using KONEPS**

- ※ Parallel if necessary : Daily newspapers (central GOV.) or homepages (local GOV.)

- ❖ **Submission of bid** : Must apply **using KONEPS**

- ※ In exceptional cases : direct bidding, postal mail bidding is possible: international bidding etc

- ❖ **Purchase through quotation** : Should be done **by way of competition using KONEPS**

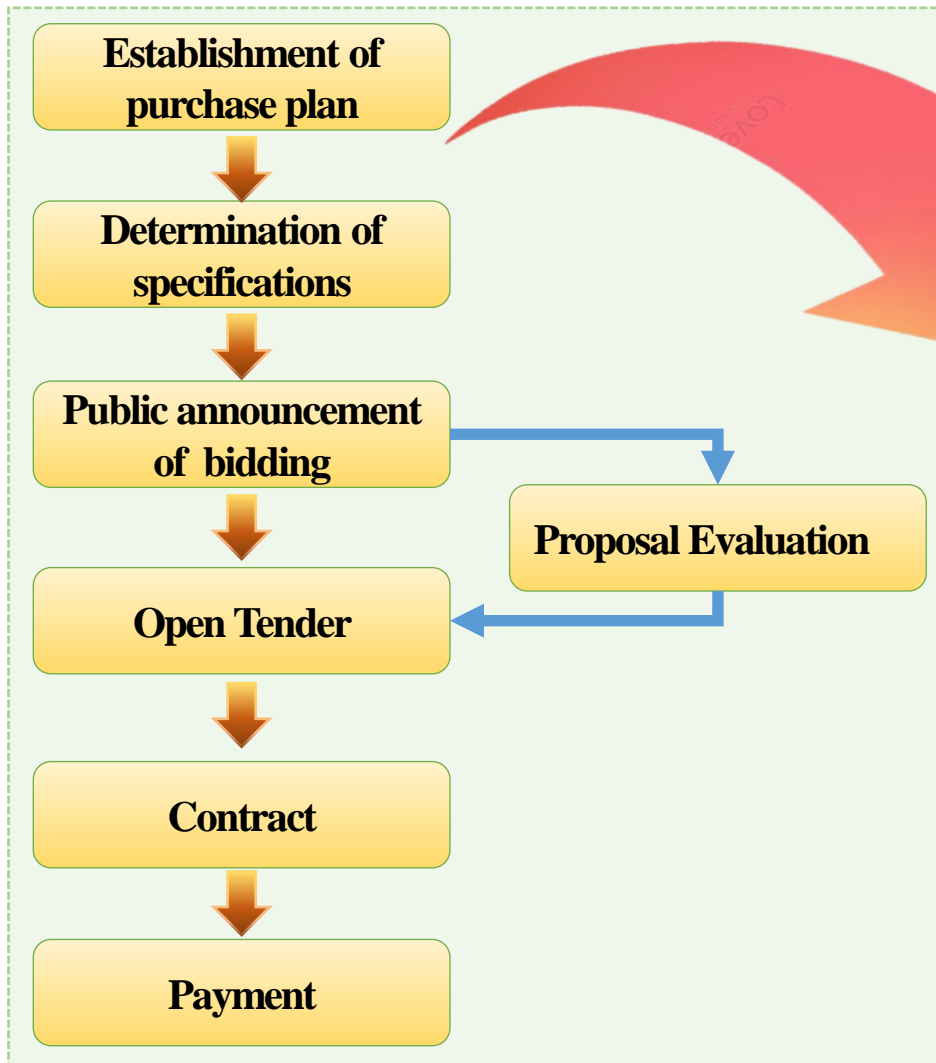

- ❖ **Submission of technical proposals** : In principle, submission is made **using KONEPS**

- ※ In exceptional cases, submissions may be made by e-mail or postal mail

- ❖ Central governments and local governments **cannot separately bid** for goods or services **contracted by the PPS at a unit price.**

- ※ Number of businesses : 13,835 Number of Items : 1,016,745, Amount supplied 18 Billion \$

2. **Disclose information** at each stage of procurement

❖ **Disclosure of purchase plan to KONEPS**

Central GOV. : **quarterly**

Local GOV. : When plan is established, **without delay**

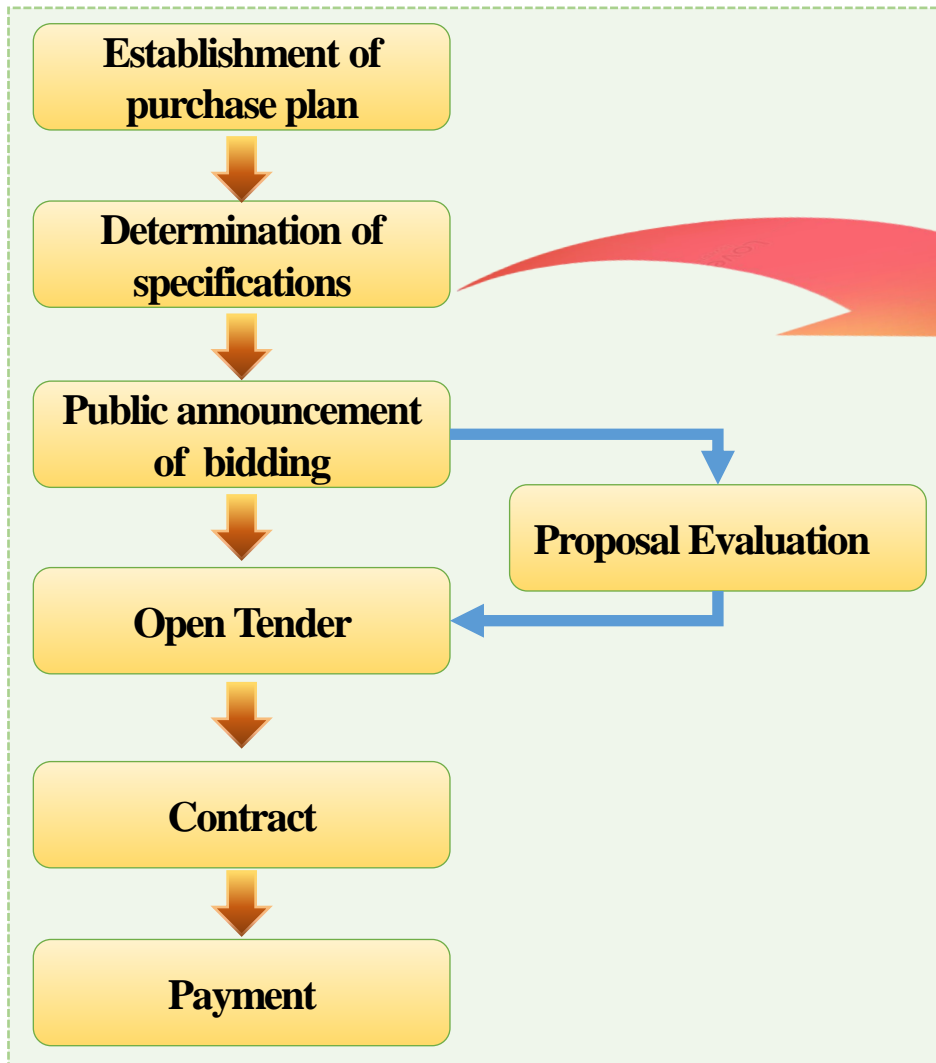

❖ **What is revealed**

Purchasing agency, purchase time, item, amount, bidding method, **person in charge and contact information**, etc

❖ **Negotiated contracts also require the purchase plan to be disclosed.**

2. Disclose information at each stage of procurement

2. Determination of specifications

❖ **Disclose detailed specifications** of items to be purchased prior to bidding announcement.

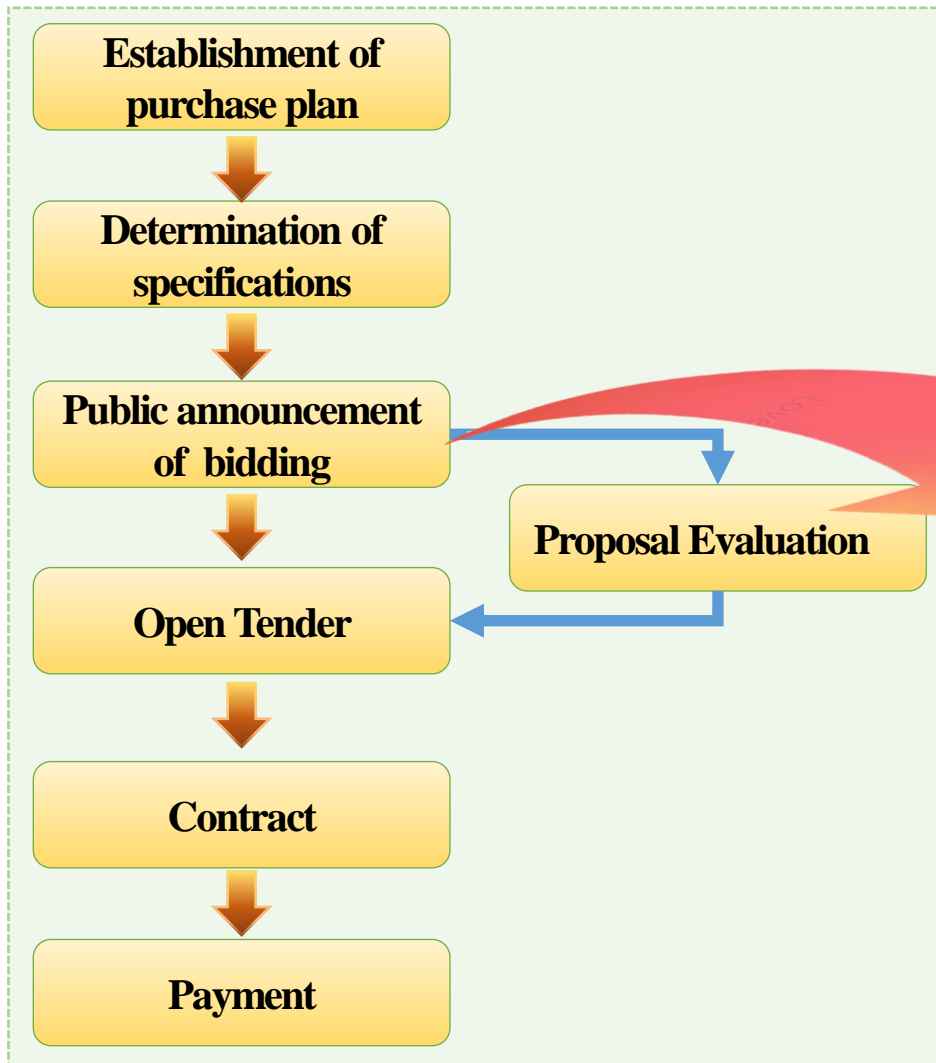

Companies participating in the bidding are **directly inspected** to see if specific specifications that **may limit competition** are included.

- Item: Specification sheet
- Service: Task details

* **First implemented by the PPS, then legislated by the Legislative Research Service (2016)**

2. **Disclose information** at each stage of procurement

3. Public announcement of bidding

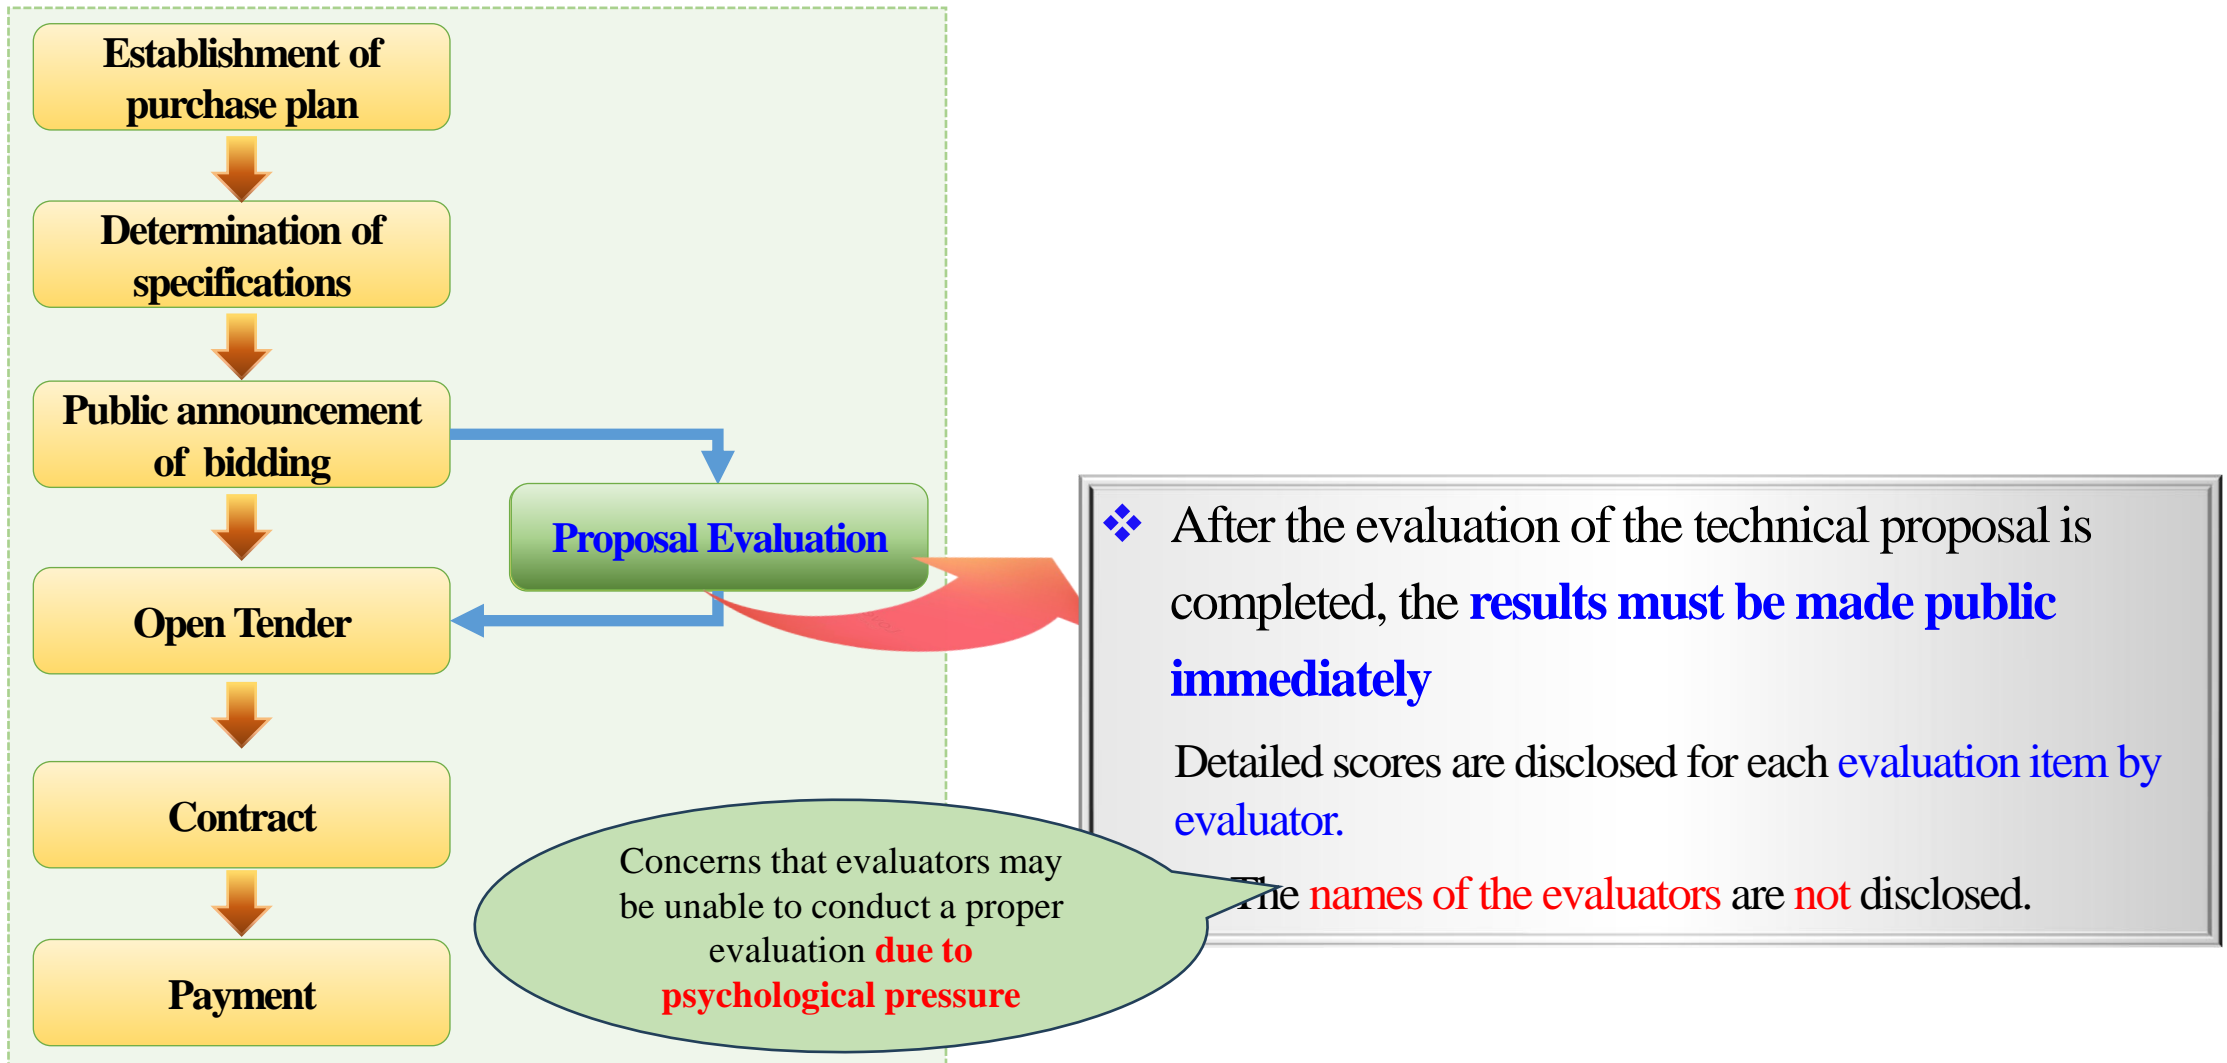

❖ **Bidding announcements from all public institutions**, including central agencies, local governments, and public enterprises, are **posted on the KONEPS**.

- More than 20 items, including the place and date of bidding , are stipulated in the law
- All bidding information that does not require security is provided to KONEPS in the form of attachments.

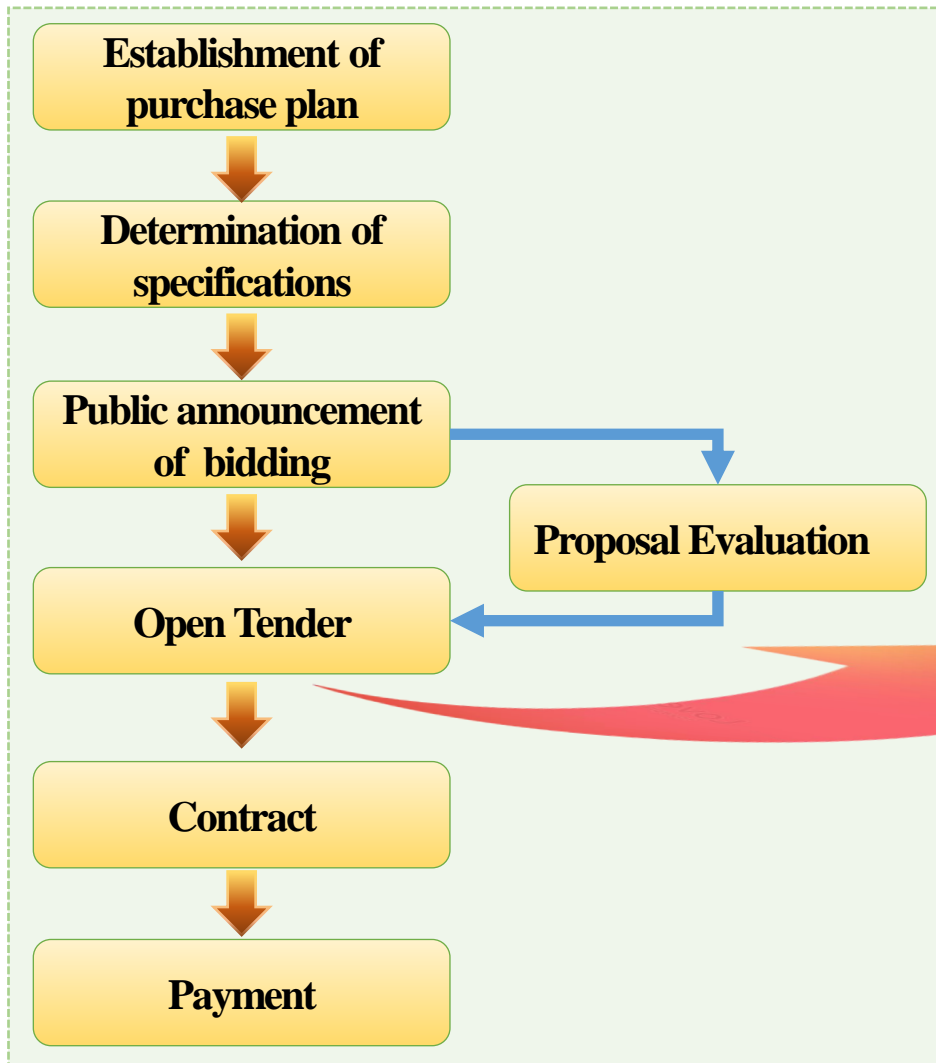

2. Disclose information at each stage of procurement

4. Proposal Evaluation

2. Disclose information at each stage of procurement

5. Open Tender

❖ A bid is opened, **the results are immediately made public.**

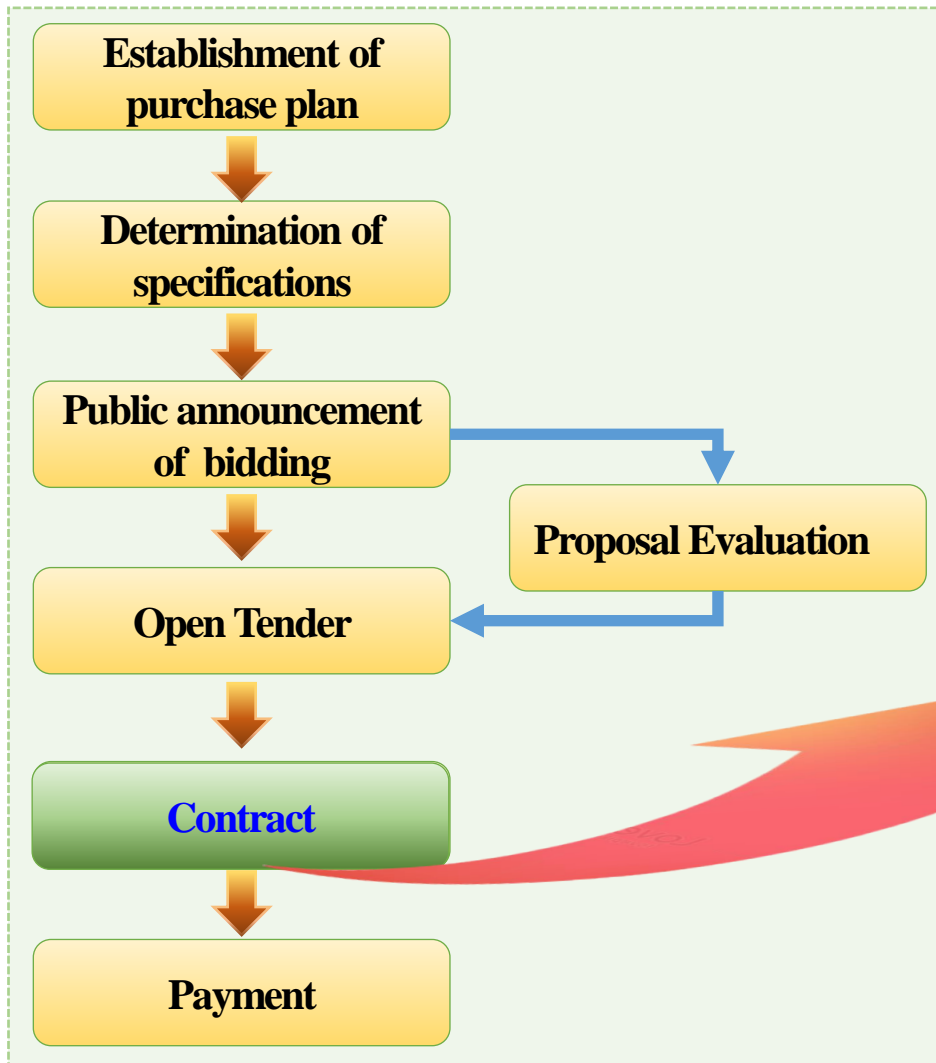

The list of companies that submitted bids, the bid amount, and even the time of bid are disclosed.

Once the bid opening results are published, they **cannot be changed or re-opened** under any circumstances.

※ What if the bid was conducted incorrectly?

2. Disclose information at each stage of procurement

6. Contract

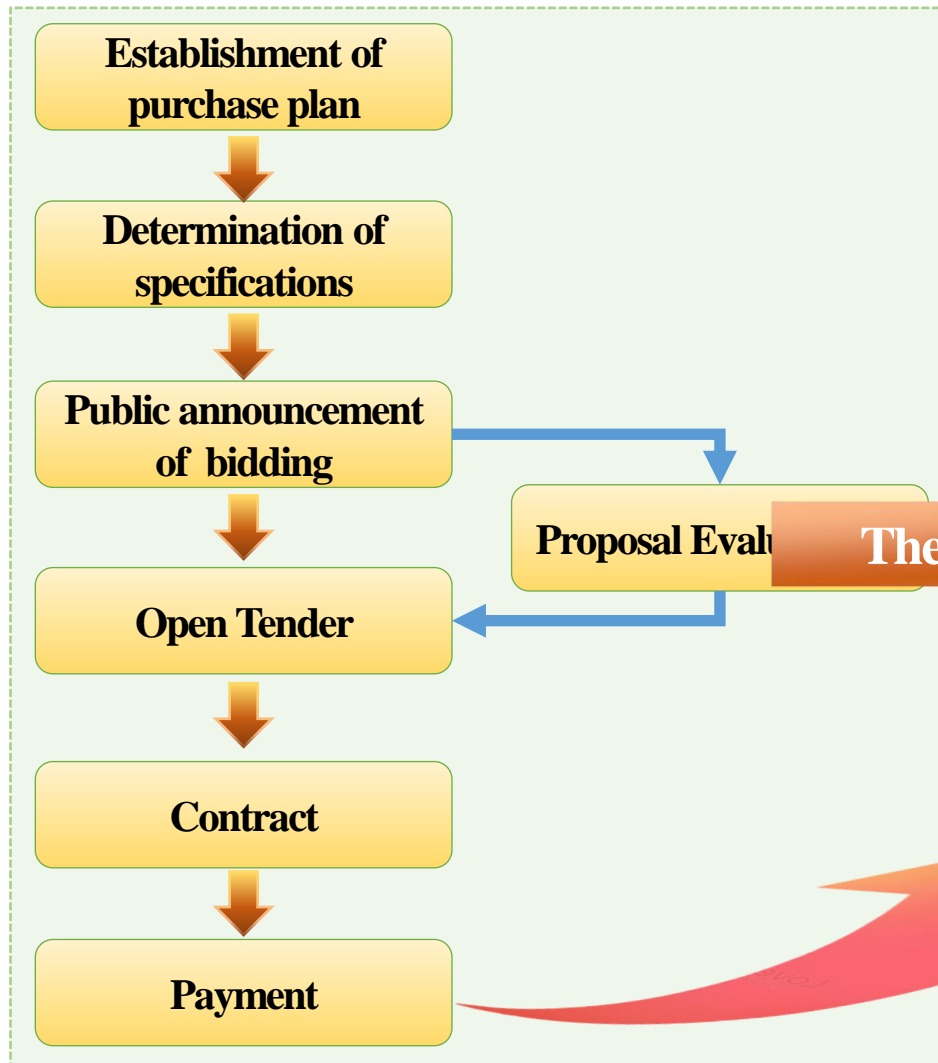

❖ Public institutions **must disclose all details of their contracts**

Including **negotiated contracts** and **contracts not concluded in KONEPS**

Excluding contracts requiring confidentiality **as stipulated by law**

2. Disclose information at each stage of procurement

7. Payment

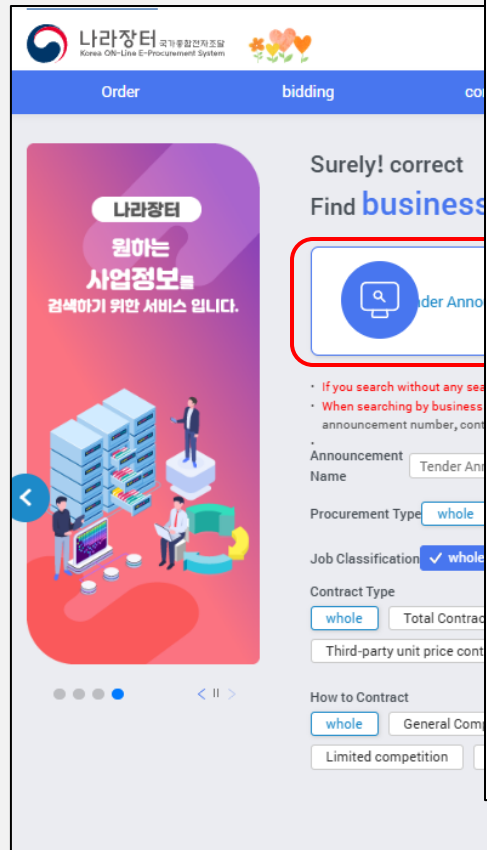

There is no need to visit public institutions at any stage of work.

❖ Disclosure of delivery inspection results and payment status

1200만원 횡령한 서귀포시 공무원 적발...감사원 파면 요구

김두영 기자 | 승인 2024.05.09

서귀포시, 10일 인사위원회 통해 징계 수위 결정

1000만원이 넘는 공금을 횡령한 서귀포시 공무원이 적

감사원은 9일 '2023년 공직비리 기동감찰' 주요 감사 공무원 A씨(6급)에 대해 파면 징계를 요구했다.

감사원에 따르면 서귀포시 소속 회계 담당 공무원인 A씨는 2018년부터 2023년까지 서귀포시 모 읍사무소와 보건소에서 근무하면서 관급자재 대금 300여 만을 조달청에 지급하는 과정에서 조달청이 아닌 자신의 계좌로 입금하는 등 10차례에 걸쳐 1208만원을 횡령한 것으로 밝혀졌다.

A씨는 횡령한 자금으로 의류를 구입하거나 생활비 등으로 사용한 것으로 밝혀졌다.

특히 A씨는 자신의 횡령 사실이 드러나지 않도록 세금계산서 등 관련 서류를 변조하는 수법으로 허위 지출경비를 만들거나 다른 경비를 부풀려 집행한 것으로 조사됐다.
