Notice of Submission

Notice of bid invalidity due to failure to register for change of bid participation qualification

Article 44 of the Enforcement Regulations of the National Contract Act and Article 42 of the Enforcement Regulations of the Local Contract Act, the Bidding Notice stipulate that bids are invalid.

In particular, there are cases where bids are invalidated because "bids are submitted without registering the name of the company (or the name of the corporation) and the name of the representative (if there is a representative of the recipient) among the bidding qualification registrations".

Bidders should check the bidding eligibility registration and be familiar with the contents of the bid announcement so that there is no disadvantage.

Bidder registration related bid invalidation prevention notice

2. If you have already lost your qualification as a bidding agent of the company due to resignation - This bid must be submitted by a representative or another executive/employee bidding agent.

- If an unqualified person submits a bid, he or she will be subject to sanctions as an unfair contractor in accordance with Article 76, Paragraph 1, Paragraph 1 of the Enforcement Decree of the National Contract Act.
- The representative should immediately cancel the bidding agent information for the unqualified person listed on the bidding participation qualification registration certificate of the Public Procurement Service or change it to another qualified person.

Consent to provide company information

1. If you participate in this bidding, the company information necessary for bidding and selecting the winning bidder will be provided to the announcing agency and the requesting organization of the bidding announcement.

2. Those who agree to the above provision of corporate information and wish to participate in the bidding should select whether to agree below and participate in the bidding, and if they do not agree to the provision of corporate information, they will be restricted from participating in the bidding.

Prior Consent to Joint Use of Administrative Information

I agree that the person in charge of processing the business of the user organization will electronically check my required documents (*administrative information for joint use) through the joint use of administrative information pursuant to Article 36 of the 「E-Government Act」 for the purpose of executing the bid in this case.

- Purpose of use: Confirmation of whether the bid is invalid as stipulated in the Enforcement Decree of the National (Local) Contract Act, the Enforcement Regulations of the National (Local) Contract Act, and the Bidding Notice.
- Administrative information for joint use: Certificate of business closure, certificate of business closure, certificate of corporate registration, criminal record check
- Agency of use: Ordering organization (bid executor)

☒ I agree to provide company information.

☒ I agree to the joint use of administrative information.
