ADB Operational Procurement Stats

Operational Procurement Statistics Dashboard (ProcDash)

Asian Development Bank Public sector governance

Welcome to ADB's Operational Procurement Statistics Dashboard (ProcDash)

The Operational Procurement Statistics Dashboard (ProcDash) presents the value of all goods, works and consulting services contracts awarded for projects under the Asian Development Bank operations. It has four sections, namely, overview, operational procurement by nationality, operational procurement by origin of goods and services, and operational procurement by threshold. For purposes of this dashboard, **value of operational procurement is reported in terms of the amount financed by ADB.**

The overview section presented below shows data on operational procurement statistics by region, nature, sector and by borrowing country. Data can be further filtered by contract year and modality. To determine the allocated procurement for policy-based support and results-based lending, click these two items in the modality filter.

For other details about ProcDash, refer to [ProcDash FAQ](#).

ProcDash can also be used to supplement the operational procurement statistics under the Operational Data section of the ADB [Annual Report](#) and the figures from the member Fact Sheets. More information on operational procurement contracts is available on the [Tenders](#) page of ADB's website (choose "Contracts Awarded" from the "Type" selection).

The ProcDash currently shows data as of 31 March 2021. This will be updated every quarter.

Recruitment may be national or international

- International may be for any ADB member country (global if eligibility restriction waived)
- A firm is considered national if it is legally incorporated in that DMC
- An individual is national if a citizen of the DMC or, if a national from another member country, he/she legally resides and works in that DMC.

Procurement Methods to Recruit Firms

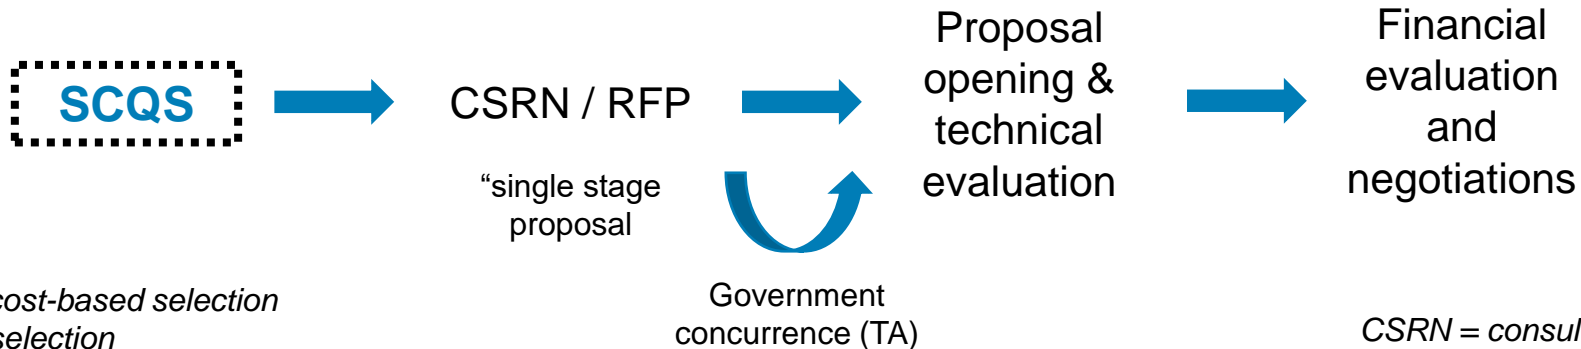

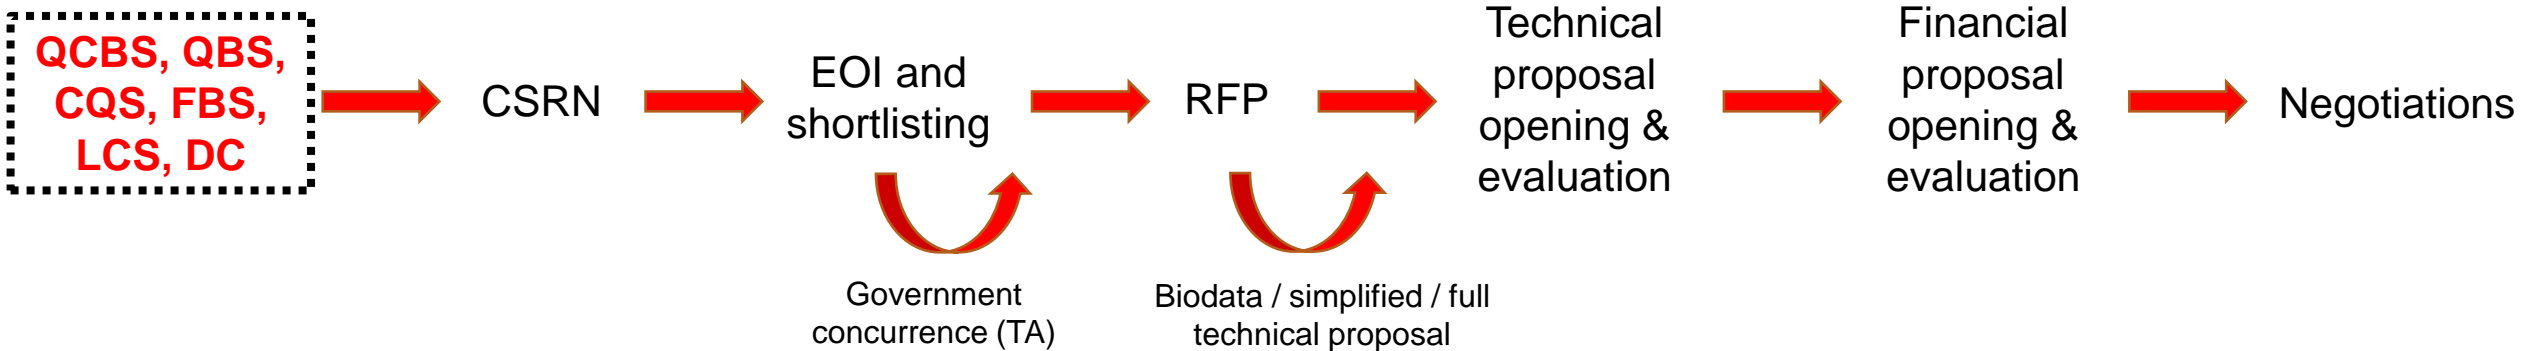

QCBS	• Quality & Cost Based Selection
QBS	• Quality Based Selection
CQS and SCQS	• Consultants Qualifications Selection
FBS	• Fixed Budget Selection
LCS	• Least Cost Selection

New selection method for firms

- ADB has launched a new, pilot selection method for recruiting consulting firms known as “**simplified consultants’ qualifications selection**” (SCQS)
- It aims to reduce recruitment times by half or more
- Time-saving features include:
 - Single-stage, single-envelope proposal process
 - Proposal length kept short for faster submission and evaluation
 - Fully electronic submission forms in CMS
 - Evaluation is based on highest technical score within maximum budget
 - Financial evaluation follows cost competitive principles
 - Documents necessary for negotiations and any desired changes to the standard contract are raised within the proposal itself
- Opportunities are now being advertised on CMS using SCQS
- The pilot is initially approved for ADB-administered selections with maximum budget up to \$500k until Dec. 2024

New selection method for firms

QCBS = quality- and cost-based selection
QBS = quality-based selection
CQS = consultants' qualifications selection
FBS = fixed budget selection
LCS = least-cost selection
DC = direct contracting

CSRN = consulting services recruitment notice
(i.e., advertisement)

Tips for winning ADB-financed assignments

- Collect relevant business intelligence – network!
- Focus on performance and reputation for successful work
- Express interest
- Understand the country, project, and client requirements
- Position yourself to your competitive advantage
- Study the bidding documents and understand the selection method and evaluation criteria
- Engage partnership with firms likely to be shortlisted
- Prepare a responsive and strong technical proposal
- Seek clarifications in writing
- Be ready for possible bid extensions or amendments

What NOT to do

- Firm or JV partners not from an ADB member country
- Submitting proposal late
- Failure to respond to client requirements
- Conditional bids
- Incomplete/noncompliant bids, e.g., missing bid security, letter of bid not signed, JV agreement missing, bid envelopes not properly marked, etc.

When in doubt, always seek written clarification

Debriefing and Complaints

Debriefing:

- Unsuccessful bidders may request debriefing from the procuring entity (the EA or ADB). If they are not satisfied with the explanation given, they may submit a complaint.
- Debriefings are an excellent learning opportunity for future bids!

Complaints:

- Bidders may file complaint directly with ADB and may copy ADB on correspondence with EAs.
- Complaints to ADB should be submitted through online form:
<https://www.adb.org/forms/complaints>

The prequalification of contractors are undertaken for most large, ADB-financed civil works contracts, turnkey contracts and contracts for the supply of expensive and technically complex equipment. Consultants to Register in CMS (cms.adb.org)

Welcome to the Asian Development Bank's Consultant Management System

Consultant Management System (CMS) is an integrated web-based system that supports the ADB's consulting services recruitment, from advertising the opportunity to awarding consulting contracts. This portal will enable users to work with the different facilities available in CMS.

Consultants create and update their profile, search opportunities, send Expressions of Interest (EOIs), respond to Non-Committal Inquiries (NCIs), and prepare and submit proposals. Login to the system by typing in your registered email address and password.

Since CSRN is now integrated in CMS, consultants are encouraged to complete their full registration to help facilitate EOI submission by tagging project and consulting experiences entered in their profile.

[Click here to know who can register as consultants in CMS.](#)

By using this service, you are accepting the [CMS Terms and Conditions](#).

ADB Project Team Members can access all CMS functions like creating a selection, advertising opportunities, sending Non-Committal Inquiries (NCIs), distributing Request for Proposals (RFPs), sending Notice to Proceed (NTPs), and approving requests, even while working outside of the ADB network. Login to the system by typing in your ADB Self-Service Username and Password.

Executing Agencies (EAs) can access Consulting Services Recruitment Notice (CSRN) to post consulting opportunities for ADB-financed projects. Login to the system by typing in your registered Username and Password.

To obtain an EA account, email your ADB Project Officer and copy csr@adb.org with the following details:

|---|--|
| 1. Email address of the agency representative | 3. Name and address of the agency |
| 2. Full name of the agency representative | 4. Duration of the recruitment for the project |

Consulting Services Recruitment Notice (CSRN)

The Consulting Services Recruitment Notice provides detailed information on the consulting services required for ADB-financed or administered projects. The CSRN includes the terms of reference and is posted on ADB's website for at least one month for firms for EA-administered projects, 15 days for firms for ADB-administered projects or 7 days for individual consultants before shortlisting.

This will provide consultants sufficient time to prepare EOIs that are more specific and focused on the project's requirements.
