

“Clean Portal” Korea’s Digital Corruption Reporting System

September 2025

Mr. MOON Jongpil, Deputy Director, ACRC

Anti-Corruption &
Civil Rights Commission
Republic of Korea

1. Overview

2. Addressing Private Sector Corruption

3. Supporting Technologies

1. Easy access for citizens to report corruption
2. Improve efficiency of case handling
3. Eliminate duplication and inefficiency

1. Public Interest Violations under the Public Interest Whistleblower Protection Act

- public health, safety, the environment, consumer rights, fair competition etc.
- subject to penalties or administrative dispositions under 496 laws
- including Medical Service Act, Food Sanitation Act, Natural Environment Conservation Act

2. Case Example

- Medical Service Act violation reported via Clean Portal → Police investigation → Prosecution

Conflict of interest

| Report details

[Lee★], the [representative pharmacist of □□ Pharmacy], is suspected of committing an act of infringement on the public interest by [preparing medicine without being a pharmacist or herbalist]. I hereby report this act of infringement on the public interest by [Mi★] in violation of the [Pharmaceutical Affairs Act].

[This★ is the [□□ [representative pharmacist] of the pharmacy], and [since March 2000!] there is a suspicion that he has committed an act of infringement on the public interest by [entrusting the dispensing of medicines to non-pharmacist staff] at the [□□ Pharmacy Dispensing Room].

The specific circumstances related to [Lee★]'s violation of the [Pharmaceutical Affairs Act] and public interest infringement are as follows.

[The information will be automatically entered step-by-step based on your selection. Please refer to this information and provide specific details before submitting your report.]

● Please be advised that when reporting, you must attach supporting documents to verify the contents of the report in order for it to be accepted.
