1st INSPiRE health forum 2025

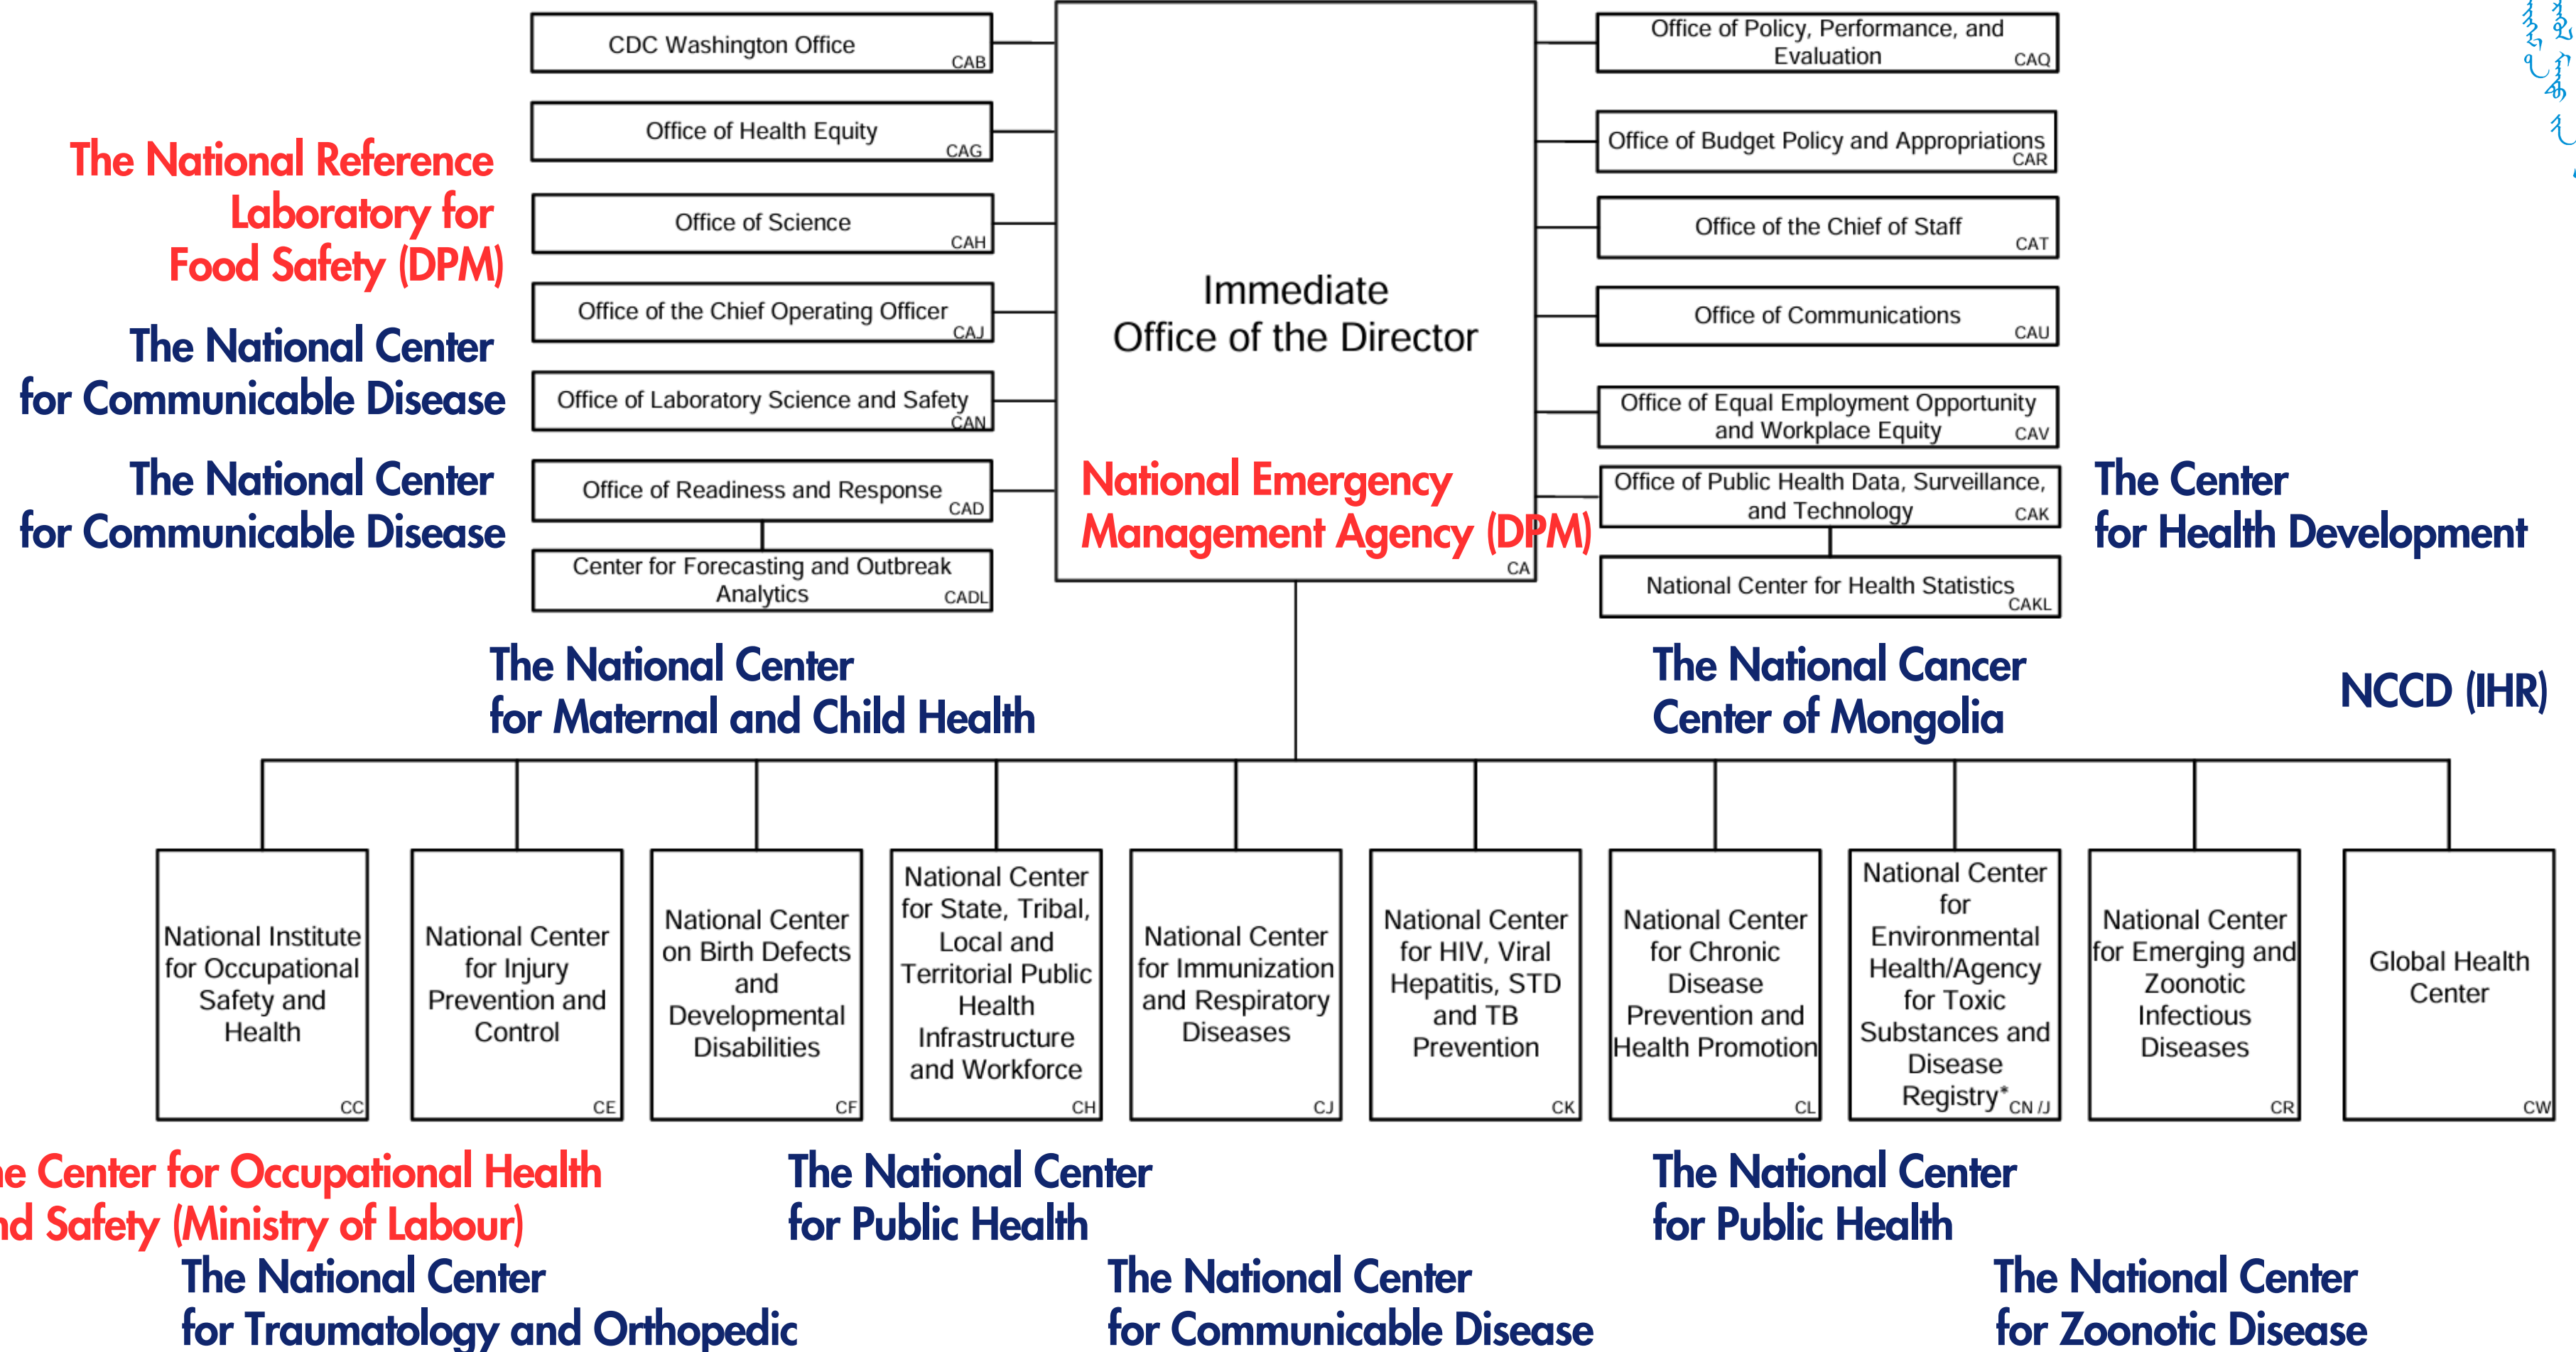

# Risk communication

The fifth horseman of the apocalypse

DEPARTMENT OF HEALTH AND HUMAN SERVICES  
CENTERS FOR DISEASE CONTROL AND PREVENTION (CDC)

# Dr Tedros Adhanom Ghebreyesus, WHO Director-General

Health is not created in clinics and hospitals.

- It's created in streets, homes, communities, schools, markets, workplaces, and parliaments.
- It's created in the air people breathe, the food they eat, the water they drink, the conditions in which they live and work, and in our changing climate.
