**Economic freedom is  
the most basic human freedom.**

**It is a prerequisite to  
enjoying all other freedoms.**

**We need to change the way  
we score creditworthiness.**

**We can still create a better world.  
It's just a matter of time.**

As we say here in Filipino:  
**Bawal mapagod. Ang daming tumutulong.**  
*(Don't despair. So many are helping.)*
