Pacific Portfolio

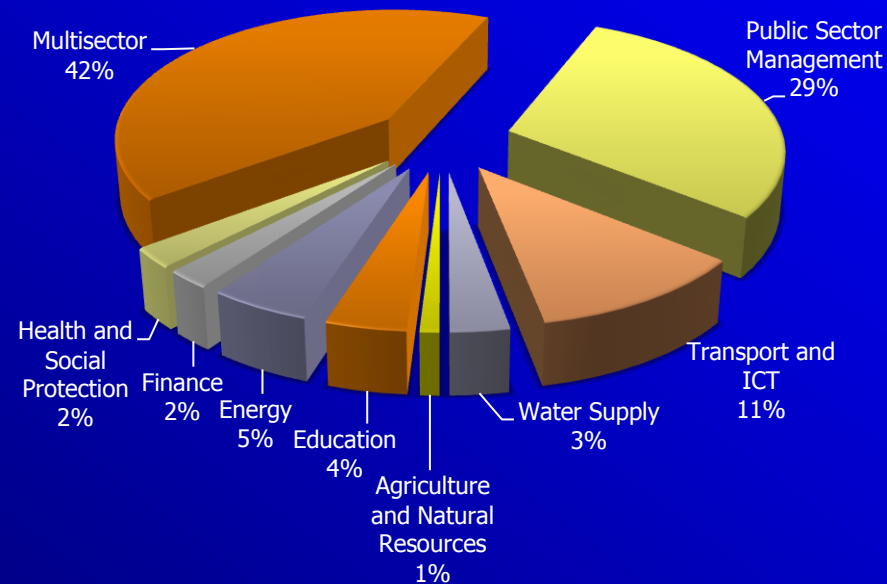

Loans and Grants by Sector 2013-2015

Pacific Portfolio

Technical Assistance by Sector 2013-2015

Pipeline by sector

Current areas of focus

- Support to assist Pacific island countries to undertake public sector reform and achieve long-term fiscal sustainability
- Regional technical assistance to strengthen governance, accountability, and public financial management
- Technical assistance to individual countries on components of public financial management
- Private sector development initiative - state-owned enterprise reform, public-private partnerships, financial sector reform to promote access to financial services, and reform of the legal and business regulatory environments

Future opportunities

- Lending and grant programs:
 - Samoa, Solomon Islands, Tonga – economic reform and public financial management reform
- Technical assistance programs:
 - State-owned enterprise reform, public financial management, economic management and planning, enhancing service delivery
- Public financial management support across the portfolio (for example, undertaking financial due diligence for the preparation of projects)
