Consultant Management System (CMS)
Consulting Opportunities

Click on "Consultant Management System (CMS)"

Welcome to the Asian Development Bank's Consultant Management System

Consultant Management System (CMS) is an integrated web-based system that supports the ADB's consulting services recruitment, from advertising the opportunity to awarding consulting contracts. This portal will enable users to work with the different facilities available in CMS.

Consultants create and update their profile, search opportunities, send Expressions of Interest (EOIs), respond to Non-Committal Inquiries (NCIs), and prepare and submit proposals.

Some consultant contracts funded through internal resources budget (Staff Consulting -SC) are selected to pilot submitting claims, advances and contract variation requests online. If your contract is selected, its details will appear in the new Contracts tab.

We expect to roll out contract administration module for all staff consulting contracts in January 2013. Consultants engaged for Technical Assistance and Grant projects would still not have this option, pending integration with the ADB's Financial system for managing TA and Grant resources.

[Click here to know who can register as consultants in CMS.](#)

By using this service, you are accepting the [CMS Terms and Conditions](#).

ADB Project Team Members can access all CMS functions like creating a selection, advertising opportunities, sending Non-Committal Inquiries (NCIs), distributing Request for Proposals (RFPs), sending Notice to Proceed (NTPs), and approving requests, even while working outside of the ADB network. Login to the system by typing in your ADB Self-Service Username and Password.

Executing Agencies (EAs) can access Consulting Services Recruitment Notice (CSRN) to post consulting opportunities for ADB-financed projects. Login to the system by typing in your registered Username and Password.

To obtain an EA account, email your ADB Project Officer and copy csr@adb.org with the following details:

1. Email address of the agency representative
2. Full name of the agency representative
3. Name and address of the agency
4. Duration of the recruitment for the project

Consulting Services Recruitment Notice (CSRN)

The Consulting Services Recruitment Notice provides detailed information on the consulting services required for ADB-financed or administered projects. The CSRN includes the terms of reference and is posted on ADB's website for at least one month for firms for EA-administered projects, 15 days for firms for ADB-administered projects or 7 days for individual consultants before shortlisting.

CMS SYSTEM UPDATE

Dear CMS Users,

We are currently testing the new modules on filing claim requesting advances and forwarding contract variations selected contracts in CMS.

Should you experience slowness, error screens or blank pages when working with CMS, contact cmshelp@adb.org.

We thank you for your support in this new initiative of the ADB.

CMS Team

NOTE: CMS undergoes weekly maintenance activities from
