

**3rd Asian Sanitation Dialogue**  
27–29 May 2014 • Asian Development Bank, Manila, Philippines

## Day 1, Session 4

# Green from Brown: Greening Our Urban Wastes

A stylized illustration of a rural landscape. On the left, there are two blue houses with white roofs. In the center, a blue truck is parked on a green field, with a person standing next to it. To the right, a blue water fountain is spraying water. In the background, there are several palm trees. The bottom of the image shows a blue body of water with a small white boat.

Chair: **Arjun Thapan**, Chair, Board of Trustees, Waterlinks

## ✦ Sustainable Urban Development

**Paul Fleming**, Lead, Climate Resiliency Program, Seattle Public Utilities, USA

## ✦ Moderated Panel Discussion

- **Luis Lopez**, INCLAM
- **Iñigo Aizpuru**, Project Manager, IDOM Engineering and Consultancy
- **Jakyum Kim**, Water Systems Consultant for Overseas Business, Korea Water Resources Corporation (K-Water)
- **Paul Fleming**, Lead, Climate Resiliency Program, Seattle Public Utilities, USA

# Green from Brown: Greening Our Urban Wastes

## Objectives:

- Discuss innovative solutions, technologies, and supporting policies to achieve green city development, climate resiliency, and efficient solid waste, wastewater and stormwater management.
- Present good practices on: planning for green cities; energy and water efficiency in homes, buildings and industries; pollution reduction; recycling of water, nutrients and energy from wastes.
- Discuss key elements of cross-sector partnership for success.
