Green Jobs are also 'decent' jobs

Socially and Economically Uplifting

Reasonable Career Prospects

Adequate Wages

Safe Working Conditions

Job Security

Worker's Rights

Next Steps: Preparing the Youth

It takes two to tango

Need for innovative partnerships

Consider regular skills + finishing school approach

Engage industry and industry associations as champions

Provide recognition and incentives for green technicians/TVET institutions

Create a central repository of initiatives on green skills/green jobs

Seed fund or provide grants for innovative skills development projects

And many more...

The best time to plant a tree was 20 years ago.

The second best time is now.
