VISION

We dream of Filipinos who passionately love their country and whose capabilities enable them to realize their full potential and contribute meaningfully for building the nation.
As a learner-centered public institution, the Department of Education continuously engages itself to better serve its stakeholders.

CORE VALUES

- Makabansa
- Makatao
- Makakalikasan
- Makabansa

MISSION

To protect and promote the right of a Filipino to quality, equitable, culture-based, and complete basic education where:

STUDENTS learn in a child-friendly, gender-sensitive, and motivating environment.

TEACHERS facilitate learning and constantly nurture every learner.

ADMINISTRATORS and **STAFF** as stewards of the institution, ensure an enabling and supportive environment for effective learning to happen.

FAMILY, COMMUNITY and **OTHER STAKEHOLDERS** are actively engaged and share responsibility for developing life-long learners.

involved in the development of the school.

NCES Teachers

Our Students

Some of our students (sons and daughters of farmers and fishermen) get their allowance by selling lato or seaweeds which can be found among the mangrove areas.

Our Community

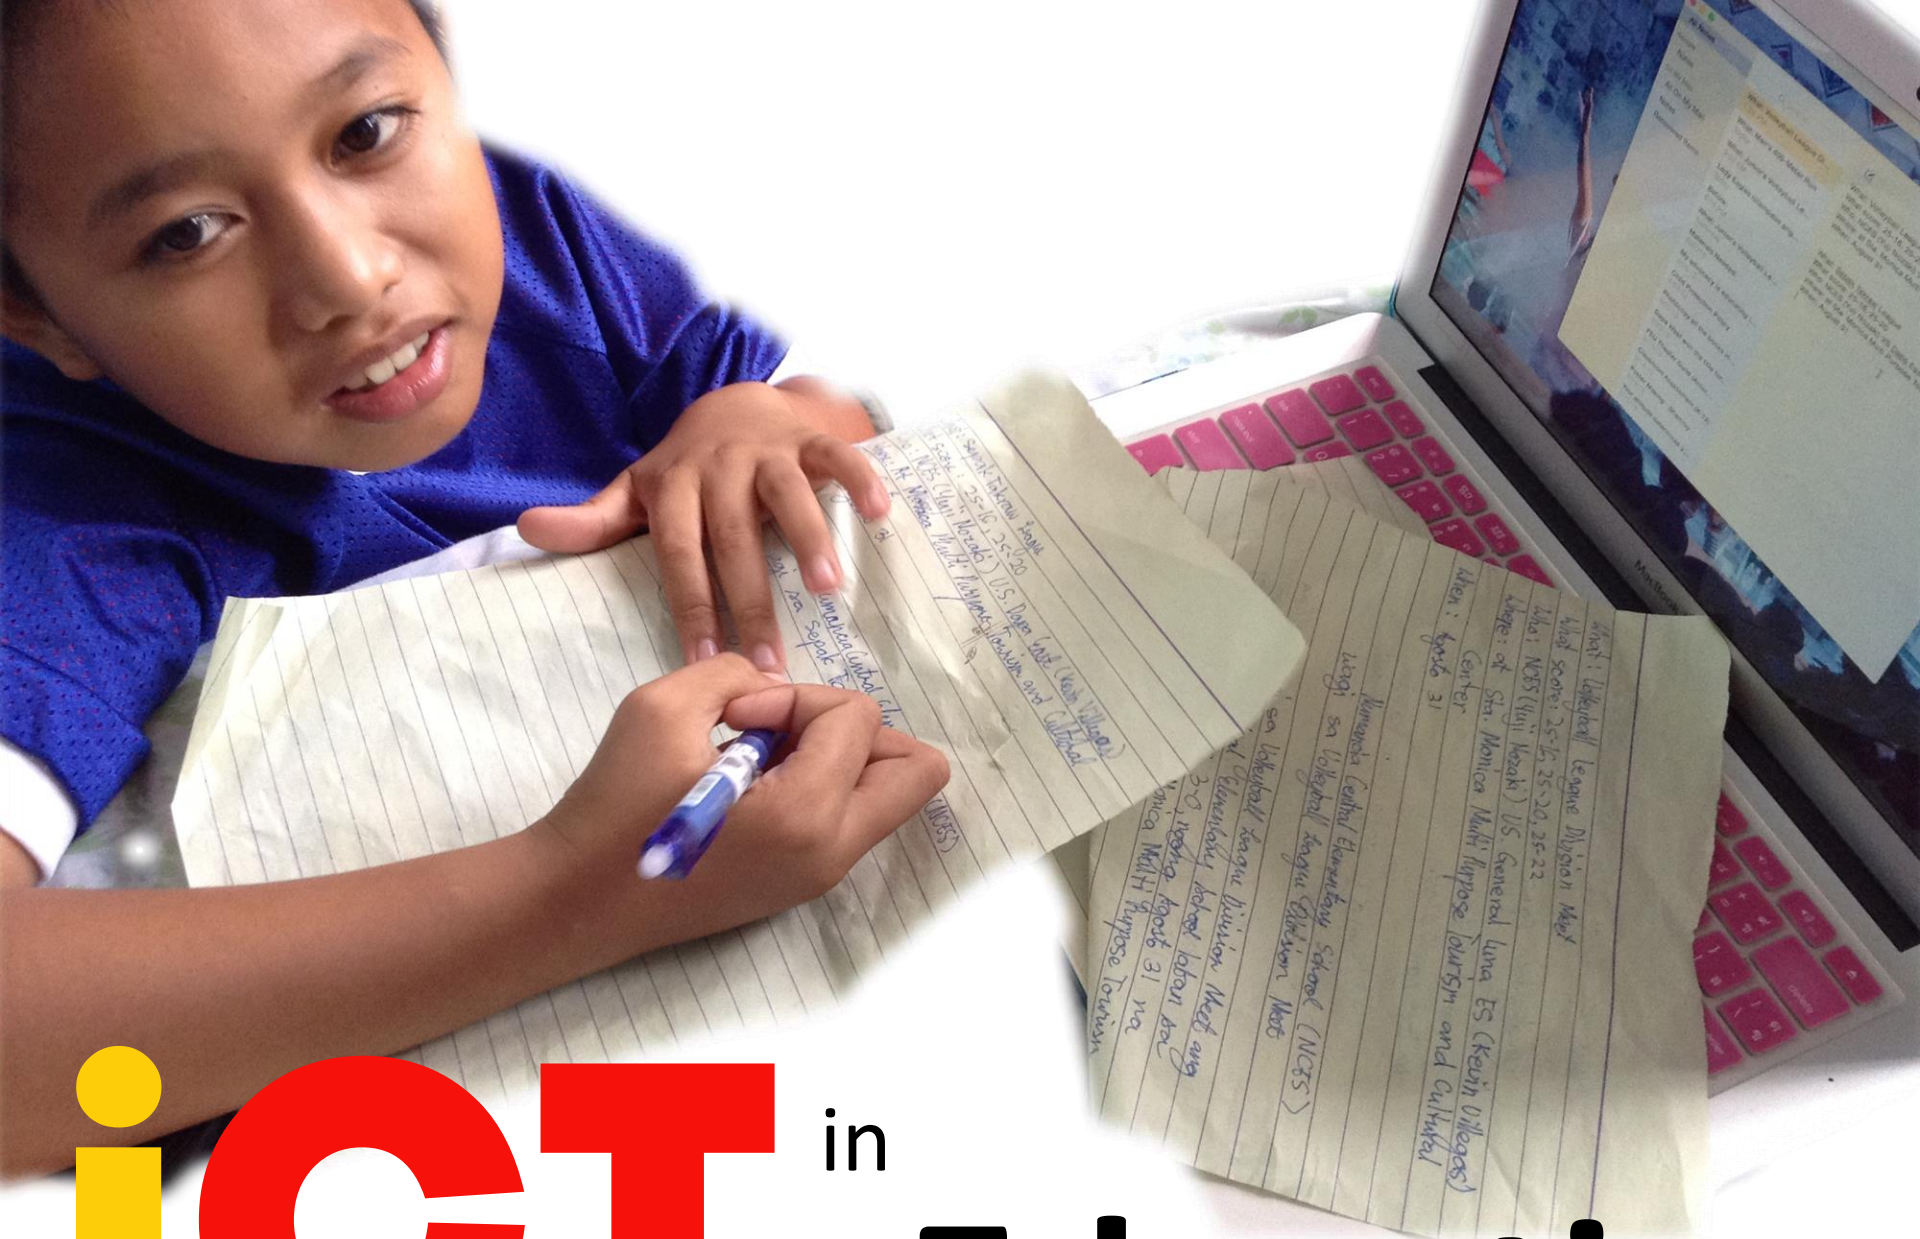

Classroom Challenges

- lack of textbooks & teaching resources
- disengaged students leading to absenteeism

ict in Education

ICT in the Classroom

- LCD Projector
- Laptop & Internet
- Facebook
- Tablet
- Camera Phone
- Desktop Printer

LCD Projector

LCD Projector was used in teaching Science, English, and HEKASI (Social Studies).

Global warming can cause
the sea level to rise.

A hero is someone
we can admire without
apology

SYSTEMS
A system is a set of
interrelated parts
that work together
to achieve a common
purpose. Systems
can be found in
nature, society,
and technology.

"Whether you want to or
not, you are a hero.
There are only two things
between you and
being a hero: your
vision and your courage."

Ideas are like
wandering sons.
They show up when
you least expect them.

IDEAS
Ideas are the building
blocks of innovation.
They are the spark
that starts a fire.
Ideas are the seeds
of change.

Let's do it together!

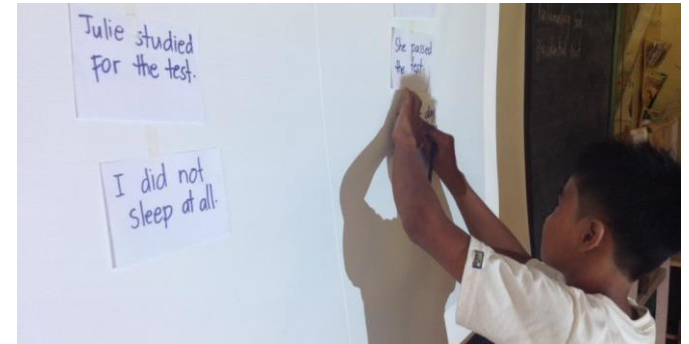

CAUSE	EFFECT
She brushes her teeth.	She has no cavities.
Take studied for the test.	

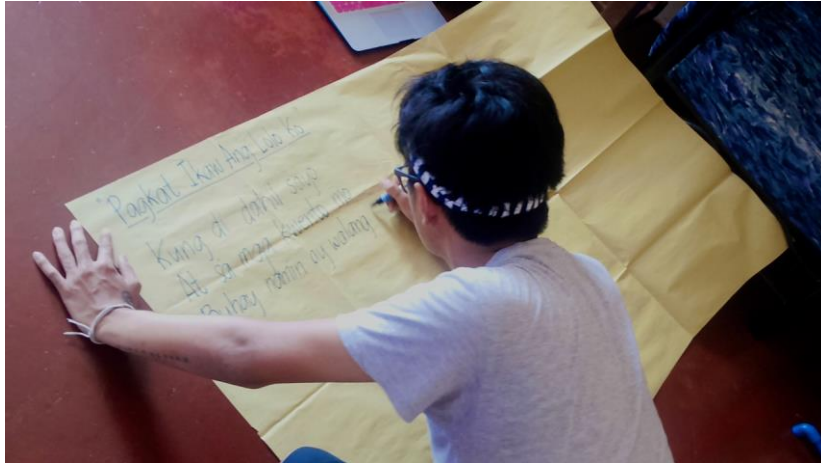

LCD Projector

(to students)

- Students were more engaged with the use of interactive lessons
- Students had improved memory retention

LCD Projector *(for teachers)*

- It saved us time on lesson preparation.
- It allowed us to show online resources that supplemented the lessons.

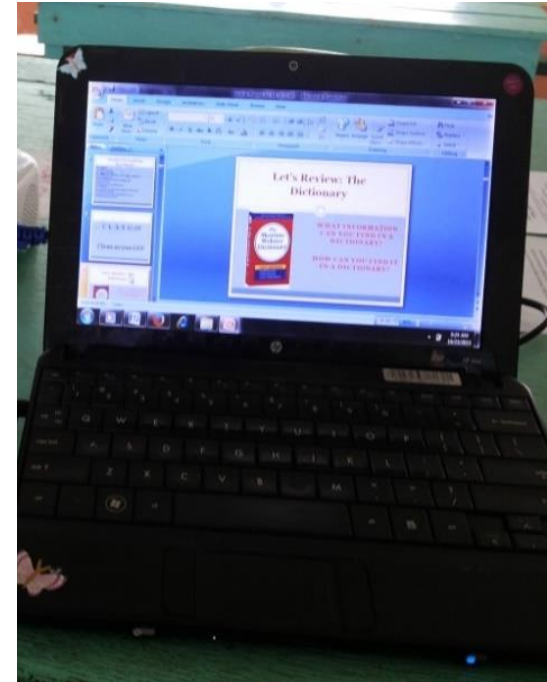

Laptop & Internet

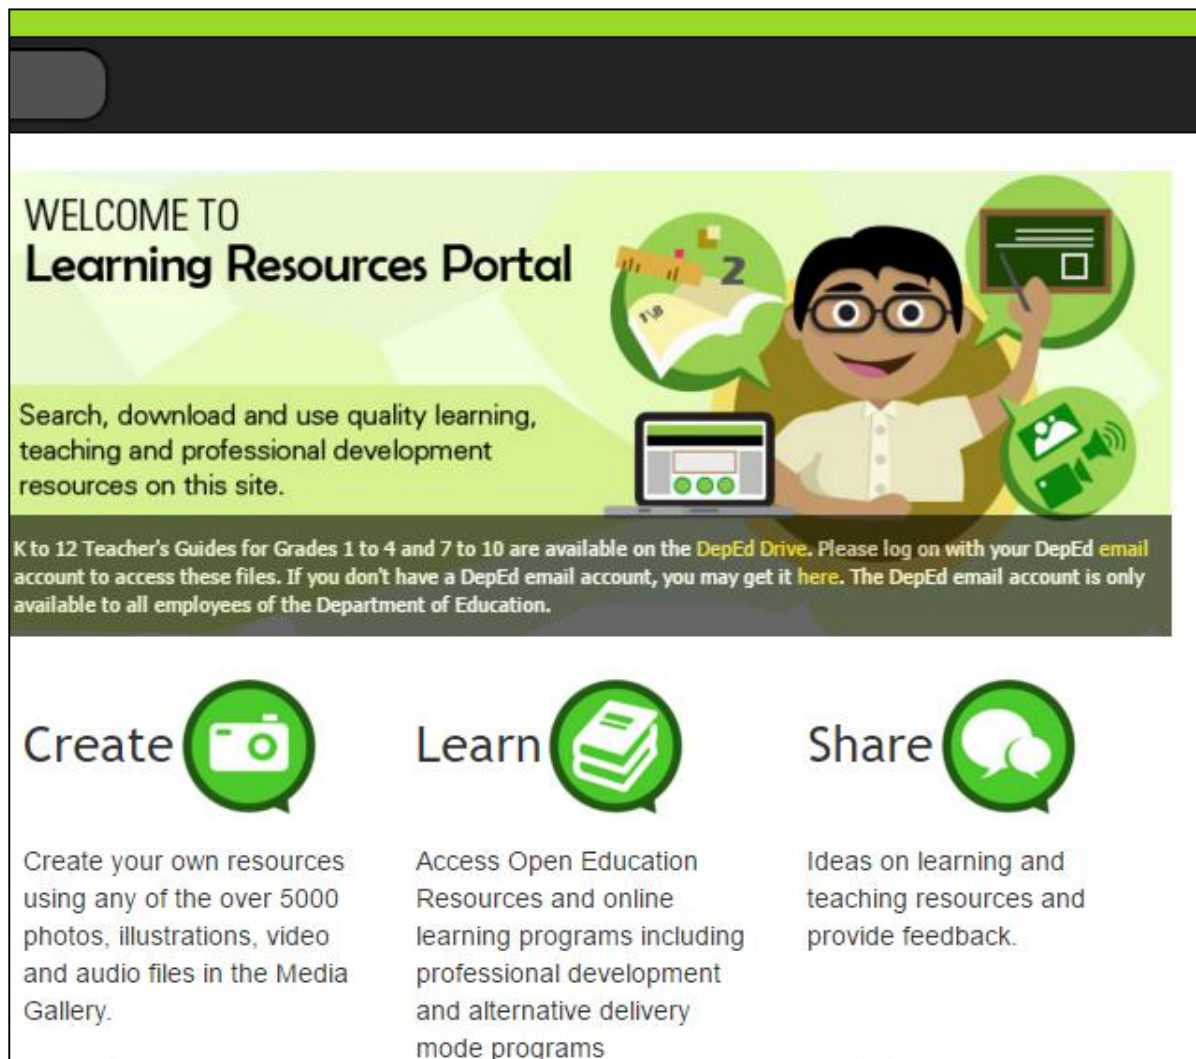

- We were able to access a virtual library of teaching materials, videos or action songs

Laptop & Internet

- We created our lesson plans and PowerPoint presentations as well as recorded and computed grades.
- We edited videos and composed songs using iMovie, Garageband, Mixcraft, and Audacity.

- We accessed important websites like TFP Email, Intranet, DepEd *Tambayan*, DepEd's Learning Resources Management and Development System (LRMDS).

The screenshot shows the homepage of the DepEd Learning Resources Portal. At the top, there is a green header bar. Below it, a dark grey navigation bar contains a search input field. The main content area has a light green background with a large illustration of a teacher with glasses and a yellow shirt, holding a laptop. Surrounding the teacher are several circular icons: a ruler and paper, a chalkboard, a document with a checkmark, and a group of people. The text "WELCOME TO Learning Resources Portal" is displayed in a large, bold font. Below this, a paragraph encourages users to search, download, and use quality learning, teaching, and professional development resources. A notice mentions that K to 12 Teacher's Guides for Grades 1 to 4 and 7 to 10 are available on the DepEd Drive, requiring a DepEd email account for access. At the bottom, there are three main sections: "Create" with a camera icon, "Learn" with a book icon, and "Share" with a speech bubble icon. Each section has a brief description of its function.

WELCOME TO
Learning Resources Portal

Search, download and use quality learning, teaching and professional development resources on this site.

K to 12 Teacher's Guides for Grades 1 to 4 and 7 to 10 are available on the [DepEd Drive](#). Please log on with your DepEd email account to access these files. If you don't have a DepEd email account, you may get it [here](#). The DepEd email account is only available to all employees of the Department of Education.

Create 

Create your own resources using any of the over 5000 photos, illustrations, video and audio files in the Media Gallery.

Learn 

Access Open Education Resources and online learning programs including professional development and alternative delivery mode programs

Share 

Ideas on learning and teaching resources and provide feedback.

Our Story

facebook®

- We used it in finding donors and partners.

I Dare You to Read

Updated about 10 months ago

#IDareYouToRead

#TeamSiargao

Donate books, electric fans and floor mats for our school library's improvement.

Come on! It's never too late to help.

Create Call to Action Like Message ...

Timeline About Videos Photos More

- Teacher Facebook Page where we share our Fellowship experiences, and our students' essays and performances.

Tablet

Tablet

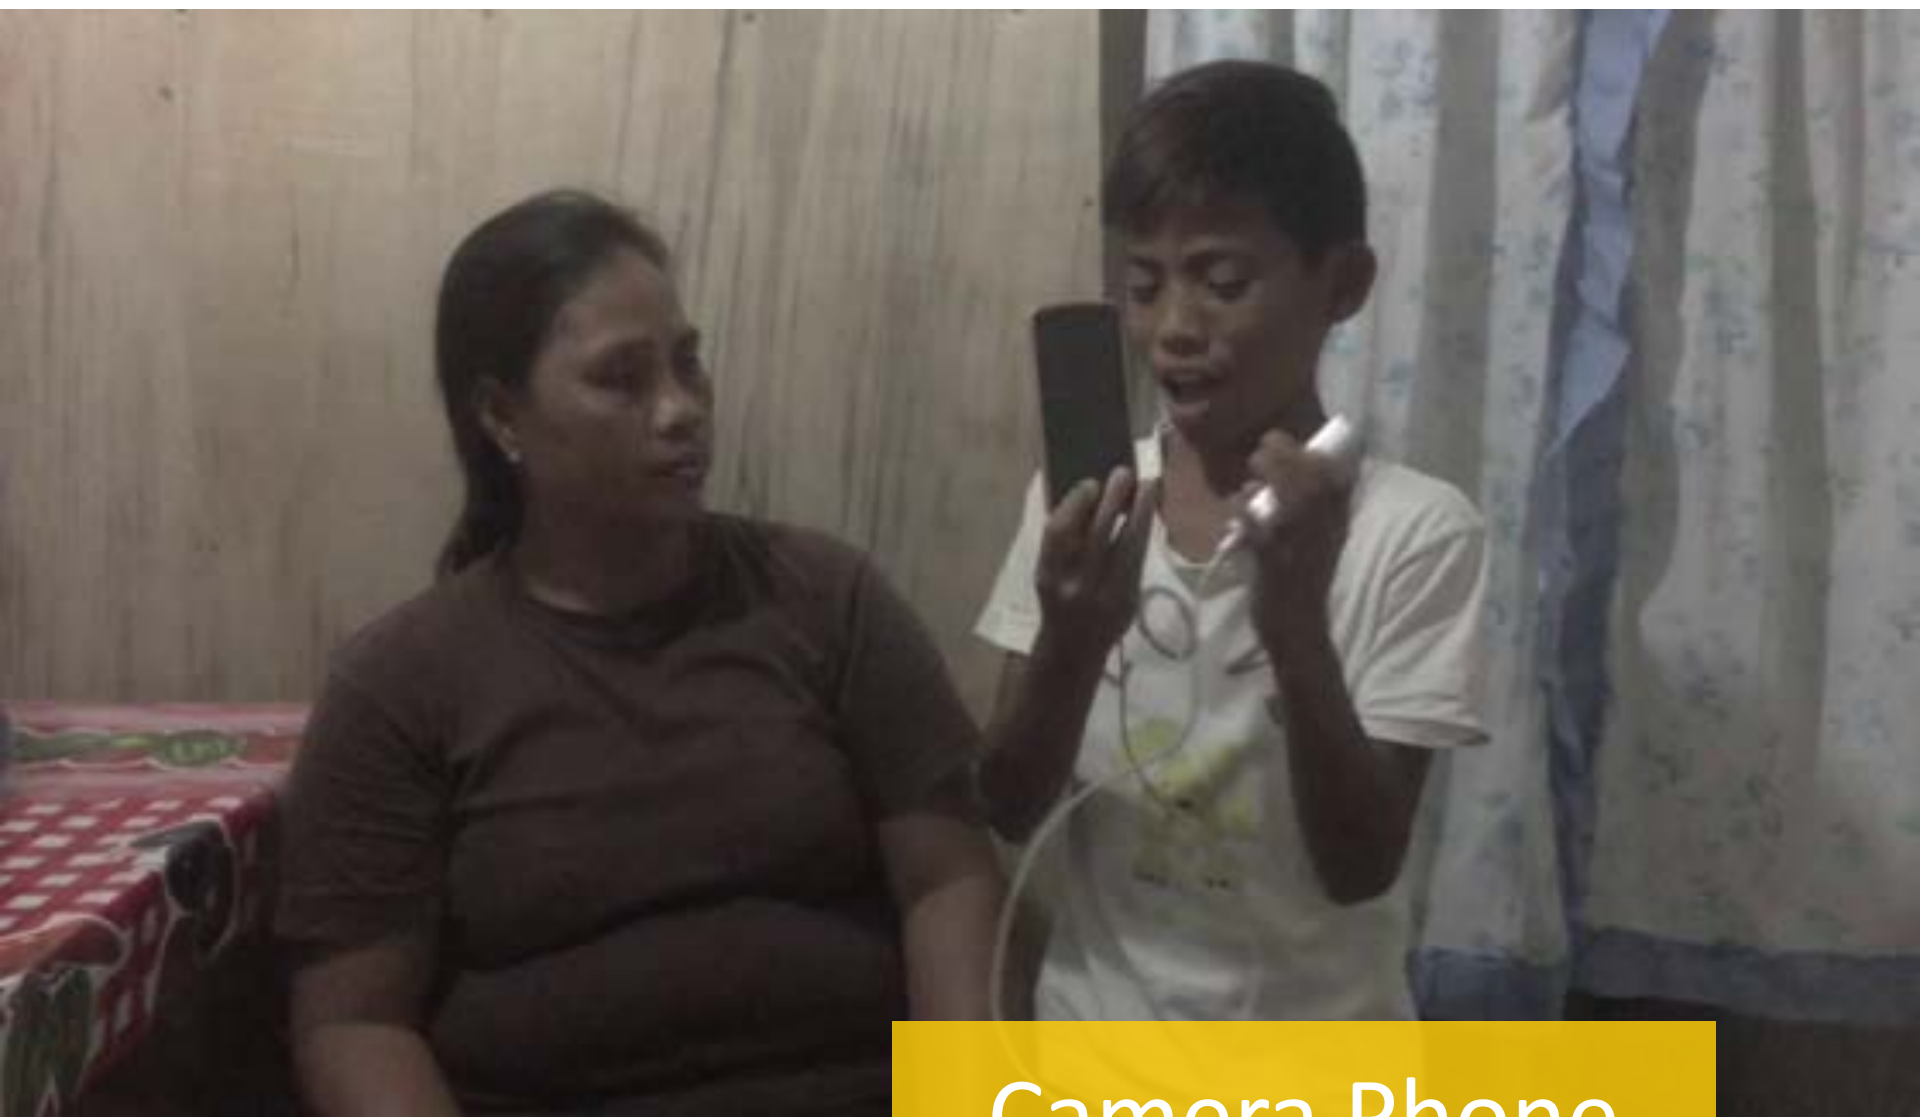

- It served as an alternative to laptops.
- Students used it to search for information.
- We used internet to research for lessons.
- Educational games helped kids improve their spelling and vocabulary.

Challenges in Using Tablet

- Not all students have access.
- Internet connection is unstable.

Camera Phone

Camera Phone

- Class activities were documented.
- Lessons got more contextualized.
- Group presentations were more learner-centered.
- Communication between teacher and parents was improved.

Challenges in Using Camera Phone

- Not all parents have access to mobile phones.

Wish List

We hope to...

- repair existing ICT tools in the school.
- have a virtual classroom and cultural exchange with another school;
- have additional LCD projectors, printers, and speakers in the school;
- provide intensive training to teachers especially on how they can integrate ICT in their lessons

Sustainability of ICT in NCES

- Engage school leaders
- Train and transform teachers
- Create and sustain private and public partnerships
- Make teachers & students accountable for the ICT tools in the classroom.

“THE ILLITERATE OF
THE 21ST CENTURY
WILL NOT BE THOSE
WHO CANNOT READ
AND WRITE, BUT
THOSE WHO
CANNOT LEARN,
UNLEARN,
AND RELEARN.”

~ALVIN TOFFLER
