Opportunities

Huge potential for further work in:

- TVET: supporting practical skills development to meet pressing labor market demands
- PPP in health and primary health care services
- Multi-sectoral collaboration for elderly care services and skills development

Issues for your consideration

- In the PRC/MON, it is essential to have strong consultant teams with robust technical design capacity
- PRC/MON elderly care projects under the health sector transcend simply the health sector and require multi-sectoral engagement
- PRC/MON: Understanding of the domestic project approval procedures, and their constraints and challenges
