# Southeast Asia Region

# Country Strategies

Country	Key focus areas
Cambodia	National highway network development with Regional connectivity impact Rural road network development Road safety improvement
Indonesia	Transport infrastructure in remote areas National railway network development
Laos	National road network improvement Urban transport management
Myanmar	National highway network development National railway network development Rural road network development Road safety improvement

# Country Strategies

Country	Key focus areas
Philippines	Supporting 'Build, Build, Build' Program Transport infrastructure development in Manila Transport network improvement in Mindanao
Thailand	National highway development Road safety improvement
Viet Nam	National highway development in remote areas Urban transport system development (MRTs in Hanoi, HCMC)

# Approved projects in 2018

Project Name	Country	Value (\$m)	Modality	Approval Date	Duration
L3678/G0581: Rural Roads Improvement III	CAM	60.0	Project	Jun 2018	June 2026
L3747: GMS Highway Modernization	MYA	194.7	Project	Nov 2018	June 2025
L3769: Emergency Assistance for Reconstruction and Recovery of Marawi	PHI	100.0	Project	Dec 2018	June 2024
L3762: Northern Mountain Provinces Transport Connectivity	VIE	188.36	Project	Dec 2018	June 2025

# Lending Pipeline, 2019

ADB

Project Name	Country	Value (\$m)	Modality
EDSA Greenways Project	PHI	100	Project
Malolos-Clark Railway	PHI	2,750	MFF
Infrastructure Preparation and Innovation Facility (Additional)	PHI	200	Project
Metro Manila Bridges Project	PHI	180	Project
Rural Roads and Access Project	MYA	70	Project

*Note: Projects are indicative and amounts/ modality subject to change*

# Lending Pipeline, 2020

ADB

Project Name	Country	Value (\$m)	Modality
Integrated Roads Network Improvement	CAM	200	MFF
National Roads Development (Kalimantan)	INO	300	Project
2 <sup>nd</sup> GMS Highway Modernization	MYA	275.3	Project
South Commuter Railway Project	PHI	2,615	MFF

*Note: Projects are indicative and amounts/modality subject to change*

# Lending Pipeline 2021

ADB

Project Name	Country	Value (\$m)	Modality
Laguna Lakeshore Road Transport	PHI	5,000	MFF
Bataan-Cavite Bridge Project	PHI	3,500	MFF
Metro Rail Transport, Line 4: Ortigas to Rizal	PHI	500	Project

*Note: Projects are indicative and amounts/modality subject to change*

# Lending Pipeline 2021

ADB

Project Name	Country	Value (\$m)	Modality
Second Northern GMS Transport Network Improvement (Additional)	LAO	50	Project
Railway Modernization	MYA	200	Project

*Note: Projects are indicative and amounts/modality subject to change*

# Non-Lending Pipeline, 2019

Technical Assistance	Country	Value (\$m)
Road Safety for Highway Development in GMS East-West Economic Corridor	MYA	1.0
Improving Road Safety for Sustainable Development in ASEAN	REG	2.0
Preparing Transport Sector Projects in SEA, Phase 2	REG	3.0
Due Diligence for Road Projects in Kalimantan	INO	1.0
Preparing Railway Projects in Indonesia	INO	0.5

*Note: Projects are indicative and amounts/modality subject to change*

# Key Opportunities

Project	Package Description	Value (\$m)	Proc. Method	Date to Advertise
L3747-MYA: GMS Highway Modernization	Designs and construction supervision	4.5	QCBS	Q3 2019
	Civil Works (3)	37/ 41/ 51	ICB	Q1 2020
L3631-PHI: Improving Growth Corridor in Mindanao Road Sector	Engineering designs	9.8	QCBS	Q3 2019
	Institutional support (3)	5/6/ 3	QCBS	Q3 2019

# Key Opportunities

Project	Package Description	Value (\$m)	Proc. Method	Date to Advertise
L3769-PHI Emergency Assistance for Reconstruction and Recovery of Marawi	Road/Bridge	35	OCB	Q4 2019
	Viaduct	64	OCB	Q3 2020

# Key Opportunities

Project	Package Description	Value (\$m)	Proc. Method	Date to Advertise
PHI: Malolos-Clark Railway	Tunnel/ Underground Stations	589	OCB	Q2 2019
	Depot/ Approach Line	281	OCB	Q2 2019
	Viaduct/ Elevated station	163	OCB	Q2 2019

# Key Opportunities

Project	Package Description	Value	Proc. Method	Date to Advertise
EDSA Greenways Project	Project Management Construction Supervision	TBD	QCBS	Q4 2019
Infrastructure Preparation and Innovation Facility (AF)	Detailed engineering designs	Various	QCBS	Q3 2019
Due Diligence for Road Projects (Kalimantan)	Project preparations	\$1m	QCBS	Q3 2019

# Growing needs of expertise

- Road safety
- Climate and disaster resilient infrastructure
- Climate change mitigation
- Gender equality
- Innovative technology
- Environmental and social sustainability
