STRATEGY 2030

Rehan Kausar

Director, Portfolio Management Division

ADB's vision

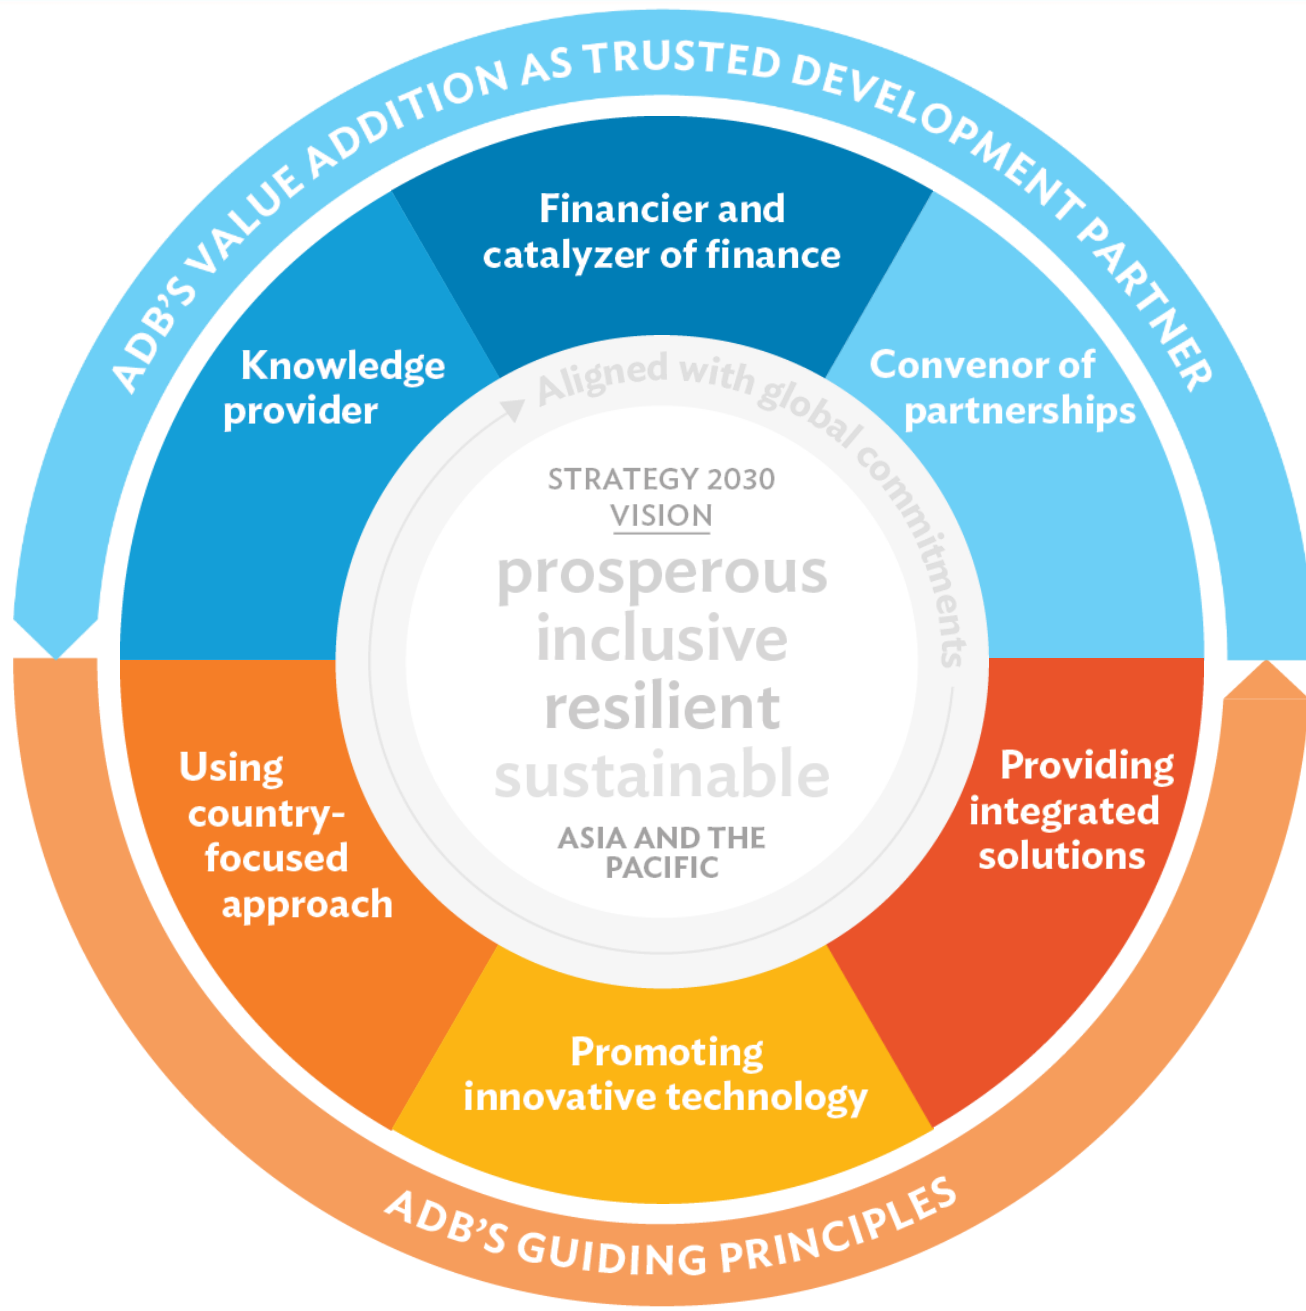

ADB aims to achieve a

PROSPEROUS
INCLUSIVE
RESILIENT
SUSTAINABLE

ASIA AND THE PACIFIC

...while sustaining efforts to eradicate extreme poverty

Differentiated Approaches

Fragile and
conflict-
affected
situations

Small
island
developing
states

Low-income
and lower
middle-
income
countries

Upper
middle-
income
countries

← Targeted approaches to pockets of poverty
and fragility at subnational level →

Operationalizing Strategy 2030

Develop operational plans for the 7 operational priorities

Develop a new corporate results framework and report performance

Use the CPS to further refine priorities at the country level

7 operational priorities

Addressing remaining poverty and reducing inequalities

Accelerating progress in gender equality

Tackling climate change, building climate and disaster resilience, and enhancing environmental sustainability

Making cities more livable

Promoting rural development and food security

Strengthening governance and institutional capacity

Fostering regional cooperation and integration

Operational Priority 6: Strengthening Governance and Institutional Capacity

- support public management reforms to help DMCs improve governance and create an enabling environment for sustainable growth
- help countries build resilience and respond to economic shocks, strengthen service delivery, and improve capacity and standards
- uphold environmental and social safeguards, adhere to fiduciary standards, and implement anticorruption measures in all its projects and programs

What's new in Strategy 2030

- Expanded vision statement
- Differentiated approaches across country groups
- Enhanced country focused-approach
- Integrated solutions
- Innovative technology

Key approaches

Expanding private sector operations

Catalyzing and mobilizing financial resources for development

Strengthening knowledge services

Stronger, better, faster ADB

- Ensure robust resource base
- Enhance human resources
- Maintain strong country presence
- Improve products and instruments
- Modernize business processes and systems
- Promote digital transformation
- Achieve timely and value-for-money procurement
- Increase use of country systems
- Strengthen collaboration with CSOs

Strategy 2030 targets

At least 75% of ADB's operations will promote gender equality by 2030

At least 75% of the ADB's operations will support climate change mitigation and adaptation

ADB's own climate financing will reach \$80 billion

ADB's private sector operations will reach one-third of ADB operations in number by 2024

Every \$1 in ADB financing for its private sector operations will be matched by \$2.5 of long-term cofinancing by 2030
