- Increased number in countries/systems
- Rapid increase in the amount
- Different development stage
- Different Systems

Government Engagement /Willingness

Expand usage from small contracts to large contracts

Apply new technology

- More closely work with DMC's relevant departments
- Streamline and expedite the review of DMC e-GP system
- Encourage and Enhance knowledge sharing
- Study and review new technology which can apply for e-GP system

- More resources
- Enhance our Procurement Review System

Thank You !
