SAGE Banker by SatSure for Efficient Crop Loan Lifecycle Management and Financial Inclusion of Small Hold Farmers

Less than 25% of farmers have access to institutional credit for farming activities. SatSure is helping change that.

Overview

SAGE Banker by SatSure is a product suite for banks and financial institutions for increasing financial inclusion of small hold farmers, increase operational efficiency across the lending processes, better portfolio risk management, and reduction of non-performing assets or non-performing loans.

Summary

SatSure has implemented SAGE with a banking client in India and has successfully demonstrated its value.
