ADB Procurement Policy

Procurement Regulations for ADB Borrowers

For projects with concept papers approved **before 1 July 2017**

ADB's Procurement Guidelines and Guidelines on the Use of Consultants defined the policies and procedures for selecting, contracting, and monitoring suppliers of goods, works, and services for ADB-financed projects.

Procurement Guidelines

Guidelines on the Use of Consultants

ADB's Procurement Principles

Principles		Outcomes
	Fairness	Equal opportunity; equitable distribution; and credible mechanisms for addressing procurement-related complaints.
	Economy	Using price, quality, and any nonprice attributes to deliver viable projects.
	Efficiency	Ensures procurement processes are proportional to value and risks.
	Transparency	Deliver relevant procurement information publicly in a consistent and timely manner; appropriate reporting; and confidentiality.

How we procure

Roles and Responsibilities

- The Borrower/Executing Agency (EA) is responsible to procure most goods, works, and services
- ADB also procures goods/services to support its borrowers through technical assistance grants (TA) and staff consulting
- ADB reviews the procurement activities of EAs to ensure compliance with ADB's Procurement Policy and Regulations
- Open competitive bidding is the preferred option
- Technical and financial bid elements

Common Mistakes

- Bids not signed or Bids signed by a person who is not authorized signatory
- No Bid Security or Bid Securing Declaration (if required)
- Insufficient Amount of Bid Security, Incorrect Validity Period
- Lack of Supporting Documents (JV Agreements, Audited Fin Statements, Past Performance Certificates)
- Incomplete Bids / Partial Bids
- Absence of test reports if required as per bidding documents
- Conflicts of interest not disclosed
- Inclusion of financial offer with technical offer where bid conditions require them to be separated

- Failure to provide a Signed letter of Bid, a correct Bid Validity Period and the required Bid Security or Bid Securing Declaration and Priced BOQs are grounds for immediate disqualification of the Bid.

- Minor omissions to the documents required by the Bidding Documents may be clarified. Multiple minor omissions may add up to a major omission and if clarified would give the Bidder an unfair advantage

Operations Procurement

The Procurement, Portfolio and Financial Management Department (PPFD) provides fiduciary oversight of procurement of goods, works, non-consulting and consulting services. PPFD supports ADB staff and borrowers on procurement planning and implementation, contract management, and related risk assessment and mitigation throughout the project life cycle. It also leads procurement and consulting services innovation and capacity building initiatives.

Goods, Works, and Non-Consulting Services →

ADB extends loans and provides technical assistance to its developing member countries for a broad range of development projects and programs involving the procurement of goods, works, and services.

<https://www.adb.org/business/operational-procurement/goods-services>

Advance Action

If requested by the borrower, ADB is prepared, in urgent cases, to authorize procurement prior to loan approval. This is particularly when early contracting of goods or works would be crucial for timely completion of the project or when substantial financial benefits would accrue.

Cor
ADB
cont
and

In such cases, ADB will approve the draft prequalification or bidding documents before they are issued and ensure that requirements for public advertising and notification of bid invitation be followed.

ADB's approval of such advance procurement is with the explicit understanding that it does not commit ADB to approve the project and loan, and that future ADB financing depends on compliance with ADB's procedural requirements.

Prequalified Contractors

The prequalification of contractors are undertaken for most large, ADB-financed civil works contracts, turnkey contracts and contracts for the supply of expensive and technically complex equipment. ADB reviews and approves the prequalification process conducted by the Borrower's executing agency and publishes lists of prequalified contractors for contracts with estimated value of \$10,000,000 and above.

Consultants to Register in CMS (cms.adb.org)

Welcome to the Asian Development Bank's Consultant Management System

Consultant Management System (CMS) is an integrated web-based system that supports the ADB's consulting services recruitment, from advertising the opportunity to awarding consulting contracts. This portal will enable users to work with the different facilities available in CMS.

Consultants create and update their profile, search opportunities, send Expressions of Interest (EOIs), respond to Non-Committal Inquiries (NCIs), and prepare and submit proposals. Login to the system by typing in your registered email address and password.

Since CSRN is now integrated in CMS, consultants are encouraged to complete their full registration to help facilitate EOI submission by tagging project and consulting experiences entered in their profile.

[Click here to know who can register as consultants in CMS.](#)
By using this service, you are accepting the [CMS Terms and Conditions](#).

ADB Project Team Members can access all CMS functions like creating a selection, advertising opportunities, sending Non-Committal Inquiries (NCIs), distributing Request for Proposals (RFPs), sending Notice to Proceed (NTPs), and approving requests, even while working outside of the ADB network. Login to the system by typing in your ADB Self-Service Username and Password.

Executing Agencies (EAs) can access Consulting Services Recruitment Notice (CSRN) to post consulting opportunities for ADB-financed projects. Login to the system by typing in your registered Username and Password.

To obtain an EA account, email your ADB Project Officer and copy csrn@adb.org with the following details:

- | | |
|---|--|
| 1. Email address of the agency representative | 3. Name and address of the agency |
| 2. Full name of the agency representative | 4. Duration of the recruitment for the project |

Consulting Services Recruitment Notice (CSRN)

The Consulting Services Recruitment Notice provides detailed information on the consulting services required for ADB-financed or administered projects. The CSRN includes the terms of reference and is posted on ADB's website for at least one month for firms for EA-administered projects, 15 days for firms for ADB-administered projects or 7 days for individual consultants before shortlisting.

This will provide consultants sufficient time to prepare EOIs that are more specific and focused on the project's requirements.
