

Working in inclusive cities in ASEAN region

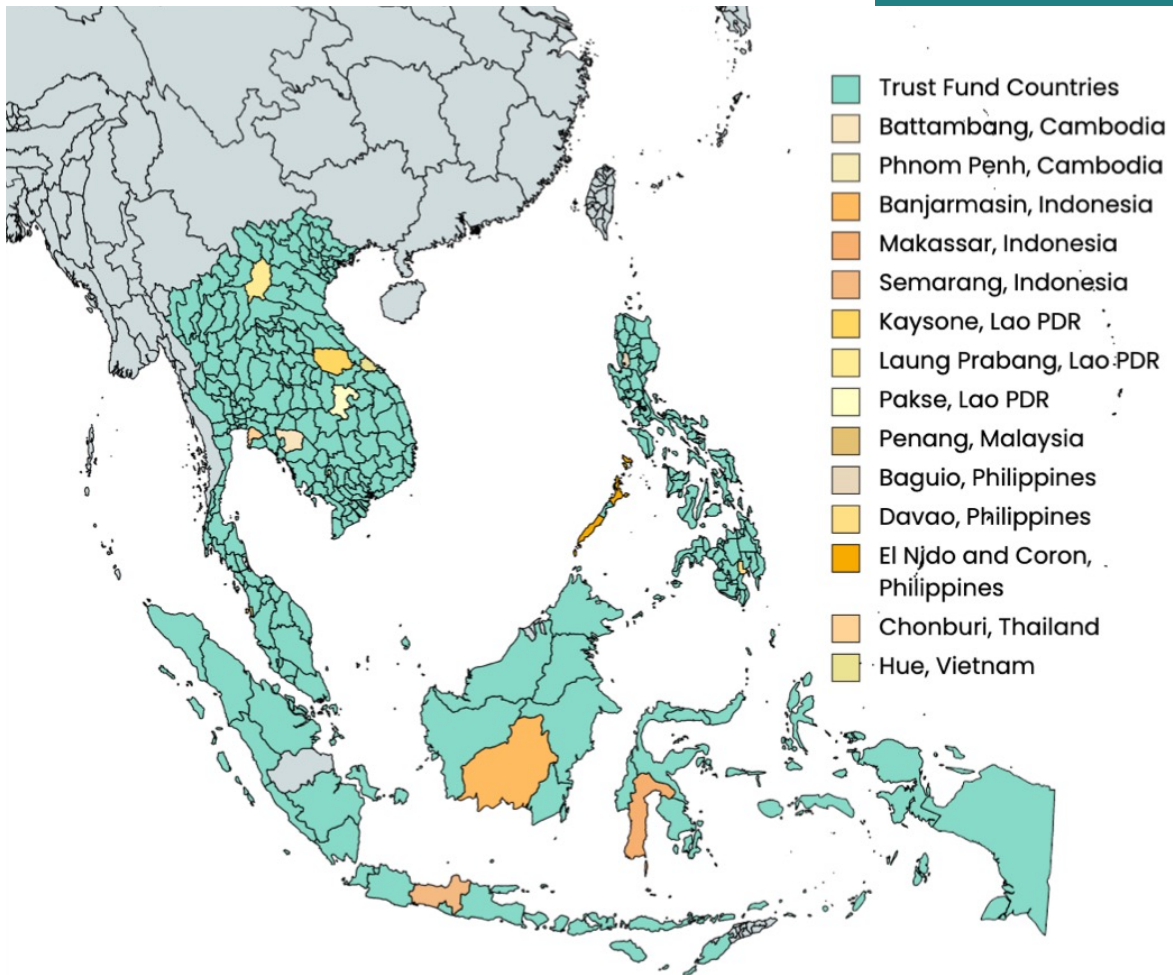

AASCTF Smart City Networking Day
June 2022

Why Inclusion?

ASEAN Inclusive Cities Dialogue

- 120+ Stakeholders
- 15 Cities
- 6 ASEAN Countries

Strategic Approach

- Local Ownership
- Political Feasibility
- Inclusive process

A black and white photograph of a tropical landscape. In the foreground, there is dense, low-lying vegetation, including various types of ferns and broad-leafed plants. In the middle ground, a steep hillside rises, covered in thick tropical forest with many palm trees visible. In the background, a range of mountains is visible under a sky filled with large, dramatic clouds. A thin, vertical purple line is positioned near the top center of the image. A semi-transparent teal rectangular box is centered over the middle of the image, containing the word "Reflections" in white text.

Reflections

Modalities

- Building stake
- Value digital/hybrid spaces
- Seek input in clusters
 - Low tech is also smart
 - Look below the iceberg

A black and white photograph of a tropical landscape. In the foreground, there is dense, low-lying vegetation, including various ferns and broad-leafed plants. To the right, a steep hillside rises, covered in thick forest with several tall palm trees visible. In the background, a range of mountains is visible under a sky filled with large, dramatic clouds. A semi-transparent teal rectangular box is centered over the middle of the image, containing the text "Thank you" in white.

Thank you
