ADB's Support in the PPP Development Cycle

Variety of ADB's Assistance To Promote PPP

ADB's Value Addition as the PPP Advisor

1

Ability to structure and advise a “pathfinder” project, or first of its kind in a sector or DMC, that can set a standard for the following projects.

2

Thorough understanding on the strategic priorities and needs of each country underpinned by the long-term engagement and relationship with the government.

3

Deep insights into the countries' PPP landscape including legal and regulatory framework for PPP.

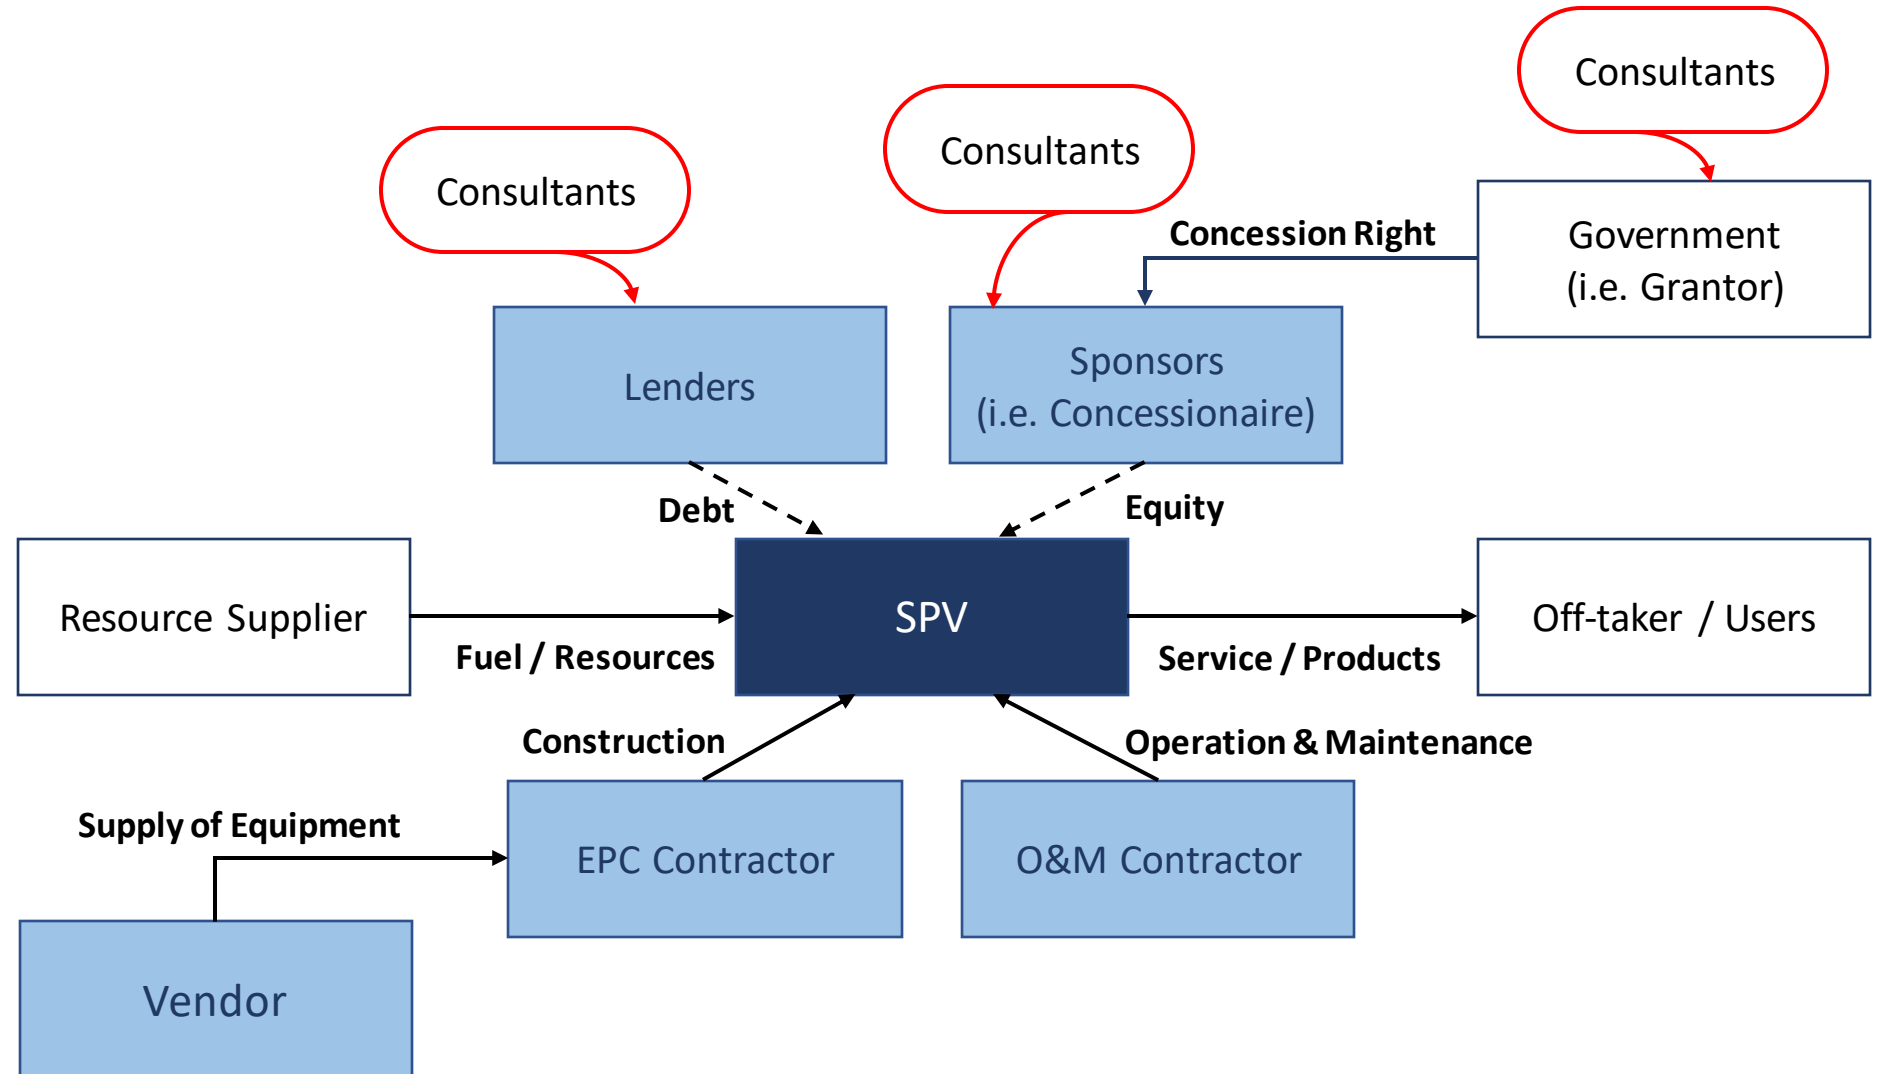

4

Familiarity of key commercial requirements of project finance banks in Asia and the Pacific.

5

Assurance on the transparency, fairness, and governance in the bid process and reduce political risks.
