# ADB Operational Procurement Stats

## Operational Procurement Statistics Dashboard (ProcDash)

Asian Development Bank Public sector governance

### Welcome to ADB's Operational Procurement Statistics Dashboard (ProcDash)

The Operational Procurement Statistics Dashboard (ProcDash) presents the value of all goods, works and consulting services contracts awarded for projects under the Asian Development Bank operations. It has four sections, namely, overview, operational procurement by nationality, operational procurement by origin of goods and services, and operational procurement by threshold. For purposes of this dashboard, **value of operational procurement is reported in terms of the amount financed by ADB.**

The overview section presented below shows data on operational procurement statistics by region, nature, sector and by borrowing country. Data can be further filtered by contract year and modality. To determine the allocated procurement for policy-based support and results-based lending, click these two items in the modality filter.

For other details about ProcDash, refer to [ProcDash FAQ](#).

ProcDash can also be used to supplement the operational procurement statistics under the Operational Data section of the ADB [Annual Report](#) and the figures from the member Fact Sheets. More information on operational procurement contracts is available on the [Tenders](#) page of ADB's website (choose "Contracts Awarded" from the "Type" selection).

The ProcDash currently shows data as of 31 March 2021. This will be updated every quarter.

# ADB Procurement Framework

# ADB's procurement frameworks

For projects with concept papers approved **on or after 1 July 2017**

ADB's new procurement framework comprises a Procurement Policy and Procurement Regulations for ADB Borrowers. It modernizes project procurement processes through a principles-based approach, to meet the diverse needs of clients as ADB scales up its operations in line with Strategy 2030.

ADB Procurement Policy

Procurement Regulations for ADB Borrowers

For projects with concept papers approved **before 1 July 2017**

ADB's Procurement Guidelines and Guidelines on the Use of Consultants defined the policies and procedures for selecting, contracting, and monitoring suppliers of goods, works, and services for ADB-financed projects.

Procurement Guidelines

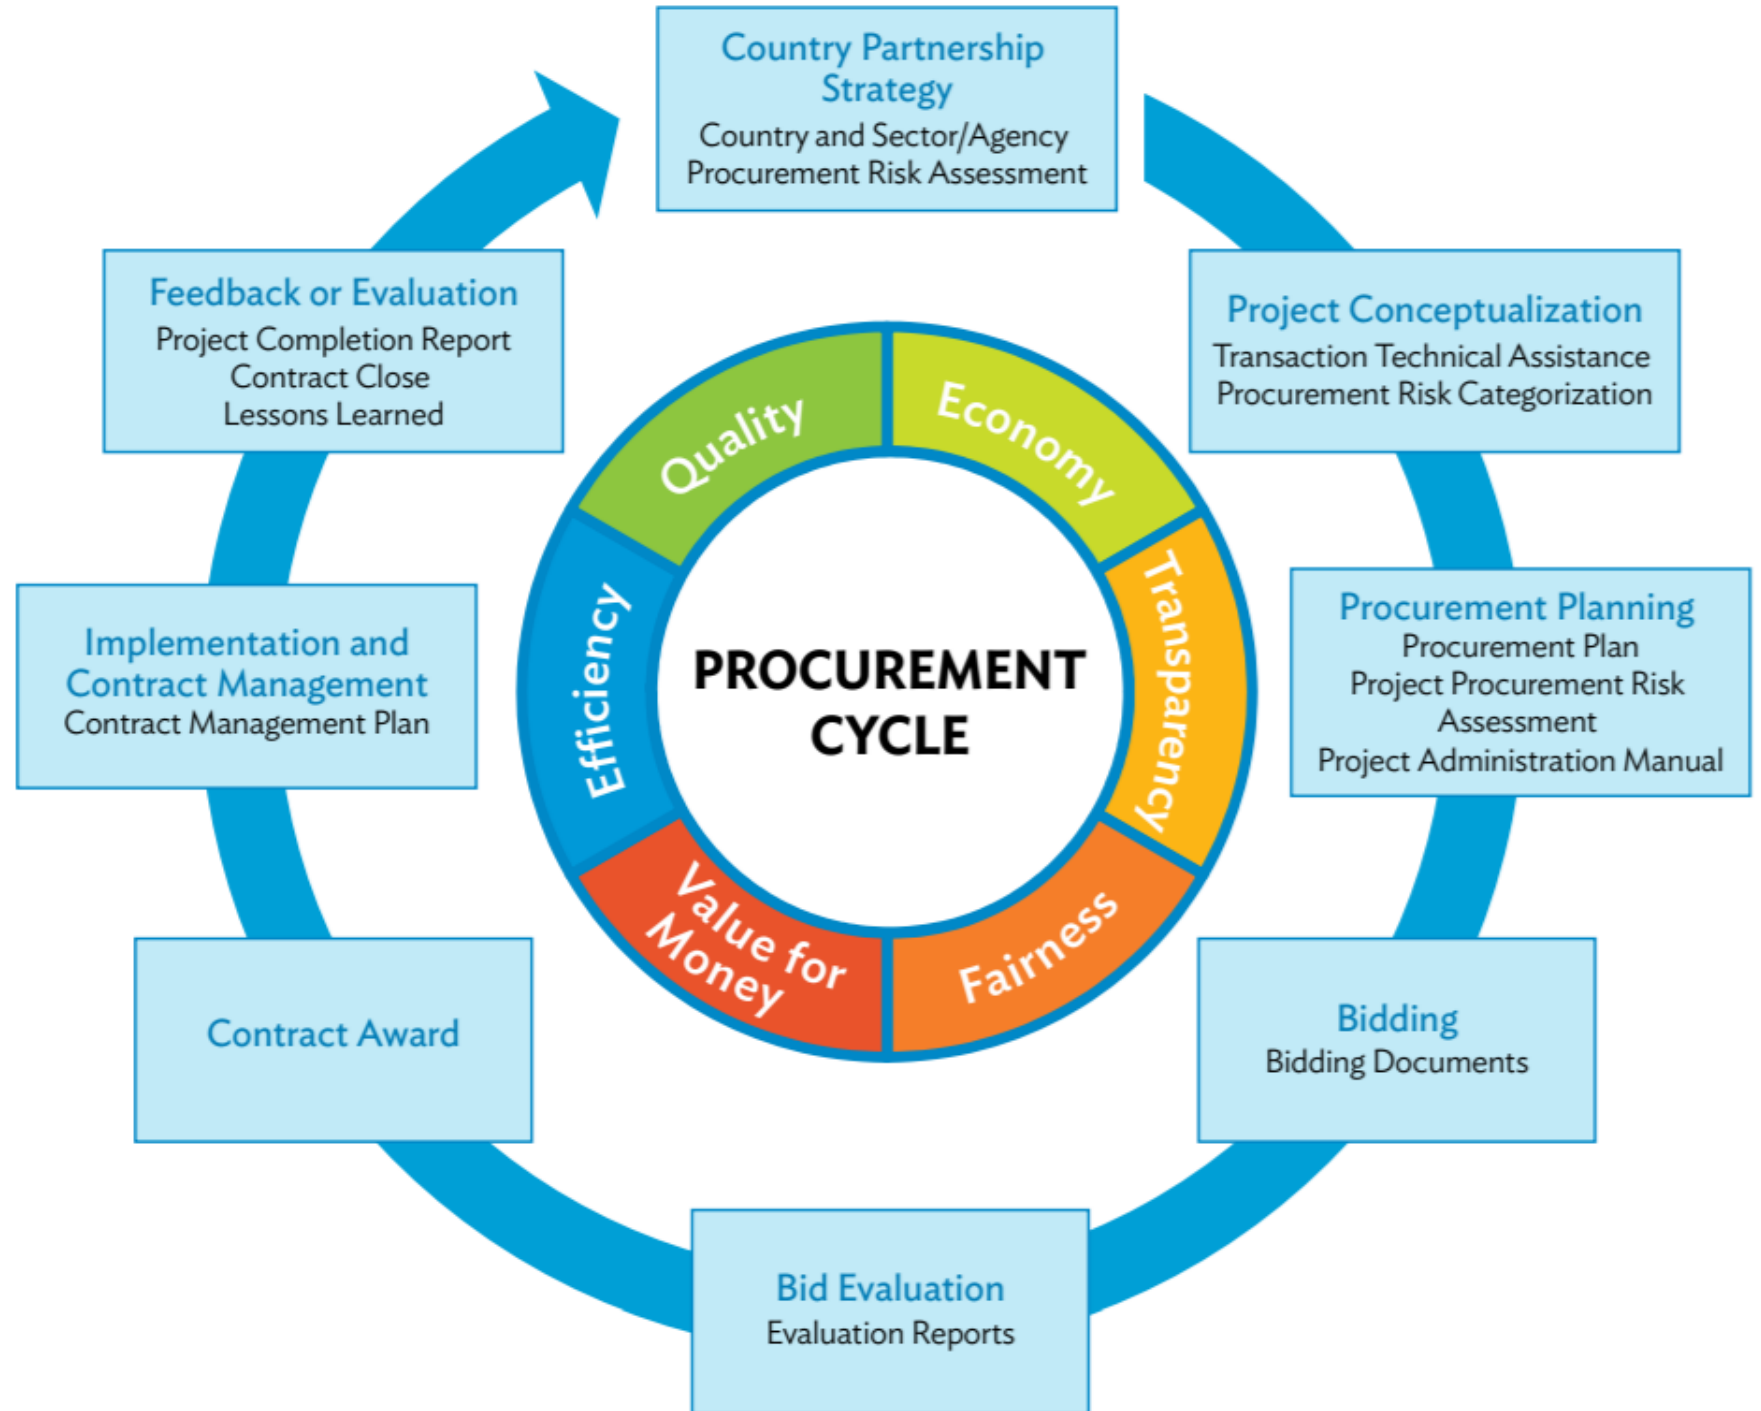

Guidelines on the Use of Consultants

# ADB's procurement principles

	<b>Fairness</b>	Equal opportunity; equitable distribution; and credible mechanisms for addressing procurement-related complaints.
	<b>Economy</b>	Using price, quality, and any nonprice attributes to deliver viable projects.
	<b>Efficiency</b>	Ensures procurement processes are proportional to value and risks.
	<b>Transparency</b>	Deliver relevant procurement information publicly in a consistent and timely manner; appropriate reporting; and confidentiality.
	<b>Quality</b>	Structured arrangements delivering appropriate outputs in an effective manner to achieve project outcomes and objectives.
	<b>Value for Money</b>	Obtain optimal benefits through effective, efficient, and economic use of resources.

# How we procure

## Roles and Responsibilities

- The Borrower (Executing Agency (EA)) is responsible to procure most goods, works, and services
- ADB also procures some services and goods itself to support its borrowers through technical assistance grants (TA) and staff consulting
- ADB reviews the procurement activities of EAs to ensure compliance with ADB's Procurement Policy and Procurement Regulations for Borrowers
- Open competitive bidding is the preferred option
- Technical and financial bid elements

# ADB's Anticorruption Policy & Guidelines

Applies to executing and implementing agencies, contractors, consultants, suppliers, ADB staff, and anyone connected to an ADB-financed, -administered, or -supported activity.

## Recruitment may be national or international

- International may be for any ADB member country (global if eligibility restriction waived)
- A firm is considered national if it is legally incorporated in that DMC
- An individual is national if a citizen of the DMC or, if a national from another member country, he/she legally resides and works in that DMC.

# Recruitment Process

# Procurement Methods to Recruit Firms

# New selection method for firms

- ADB has launched a new, pilot selection method for recruiting consulting firms known as “**simplified consultants’ qualifications selection**” (SCQS)
- It aims to reduce recruitment times by half or more
- Time-saving features include:
  - Single-stage, single-envelope proposal process
  - Proposal length kept short for faster submission and evaluation
  - Fully electronic submission forms in CMS
  - Evaluation is based on highest technical score within maximum budget
  - Financial evaluation follows cost competitive principles
  - Documents necessary for negotiations and any desired changes to the standard contract are raised within the proposal itself
- Opportunities are now being advertised on CMS using SCQS
- The pilot is initially approved for ADB-administered selections with maximum budget up to \$500k until Dec. 2024

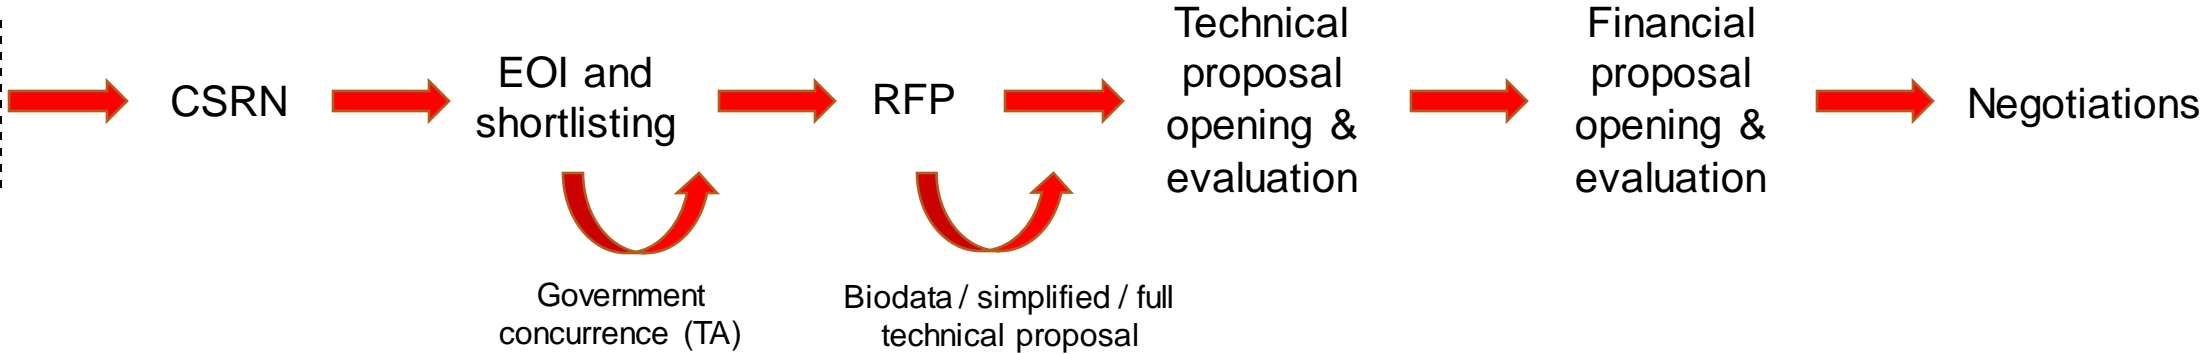

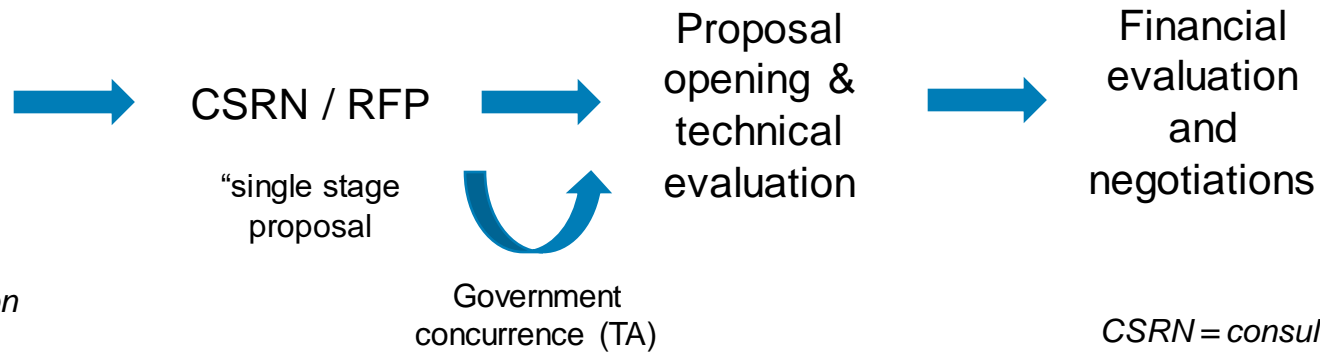

# New selection method for firms

QCBS, QBS,  
CQS, FBS,  
LCS, DC

SCQS

QCBS = quality- and cost-based selection  
 QBS = quality-based selection  
 CQS = consultants' qualifications selection  
 FBS = fixed budget selection  
 LCS = least-cost selection  
 DC = direct contracting

CSRN = consulting services recruitment notice (i.e., advertisement)  
 EOI = expression of interest  
 RFP = request for proposals

## Working with ADB: A Primer for Identifying Business Opportunities for NGOs

**An Overview:**  
How ADB and civil society work together

NGOs can successfully implement ADB-financed contracts. But NGOs bidding for ADB contracts need to think like a consulting firm. Here are some other tips:

- ⚙️ NGOs are expected to cover all of their costs and overheads from an ADB contract. The contract budget does not have to be prepared on an at-cost basis.
- ⚙️ ADB's budget template does not include a line for administrative or indirect costs such as NICRA. Therefore, prepare a budget that breaks down and covers all indirect costs. ADB allows a multiplier for monthly salaries of between 2.0 and 3.0 for full-time employees. See page 3, paragraph F of ADB's [Standard Forms for proposal submissions](#).
- ⚙️ Engage a dedicated administrator with strong finance skills to manage your ADB contract and include the administrator in your proposal.
- ⚙️ If possible, reach out to the ADB Headquarters in Manila and meet staff there working across the Asia and the Pacific region.
- ⚙️ Maximize the information, education and communication resources of the ADB website, including signing up for the ADB Alerts to get timely updates.

- ⚙ Remember not to treat an ADB contract as funding for organizational activities; instead play the role of a service provider that ADB requires.
- ⚙ Be familiar with ADB's requirements, and consider your NGO's own institutional requirements, which may not support this type of contract.
- ⚙ Read the ADB contract and become familiar with it. ADB does not provide training on its own procedures but expects those it engages to learn them.
- ⚙ Keep good records and be prepared to provide clear statements of consulting inputs and actual inputs.
- ⚙ Realize that ADB's standard conditions of contract are non-negotiable.

# Tips for winning ADB-financed assignments

- Collect relevant business intelligence – network!
- Focus on performance and reputation for successful work
- Express interest
- Understand the country, project, and client requirements
- Position yourself to your competitive advantage
- Study the bidding documents and understand the selection method and evaluation criteria
- Engage partnership with firms likely to be shortlisted
- Prepare a responsive and strong technical proposal
- Seek clarifications in writing
- Be ready for possible bid extensions or amendments

# What NOT to do

- Failure to disclose conflict of interest (e.g., employees from EA included in a proposal)
- Firm or JV partners not from an ADB member country
- Submitting proposal late
- Failure to respond to client requirements
- Conditional bids
- Incomplete/noncompliant bids, e.g., missing bid security, letter of bid not signed, JV agreement missing, bid envelopes not properly marked, etc.
- Integrity violations in the bidding process

***When in doubt, always seek written clarification***

# Debriefing and Complaints

## Debriefing:

- Unsuccessful bidders may request debriefing from the procuring entity (the EA or ADB). If they are not satisfied with the explanation given, they may submit a complaint.
- Debriefings are an excellent learning opportunity for future bids!

## Complaints:

- Bidders may file complaint directly with ADB and may copy ADB on correspondence with EAs.
- Complaints to ADB should be submitted through online form: <https://www.adb.org/forms/complaints>

## How to report fraud:

- [www.adb.org/site/integrity/how-to-report-fraud](http://www.adb.org/site/integrity/how-to-report-fraud)

# Operational Procurement

## Operations Procurement

The Procurement, Portfolio and Financial Management Department (PPFD) provides fiduciary oversight of procurement of goods, works, non-consulting and consulting services. PPFD supports ADB staff and borrowers on procurement planning and implementation, contract management, and related risk assessment and mitigation throughout the project life cycle. It also leads procurement and consulting services innovation and capacity building initiatives.

### Goods, Works, and Non-Consulting Services →

ADB provides procurement support to its borrowing member countries for a broad range of development projects and programs involving the procurement of goods, works, and services.

### Consulting Services →

ADB engages individual consultants and consulting entities to provide contract preparation and project supervision, and to help ADB to and reports.

- Procurement Plans
- Prequalified Contractors
- Contracts Awarded
- Bidding Procedures

### Prequalified Contractors

The prequalification of contractors are undertaken for most large, ADB-financed civil works contracts, turnkey contracts and contracts for the supply of expensive and technically complex equipment. ADB reviews and approves the prequalification process conducted by the Borrower's executing agency and publishes lists of prequalified contractors for contracts with estimated value of \$10,000,000 and above.

Consultant Management System

Overview **FAQ**

## Welcome to the Asian Development Bank's Consultant Management System

**Consultant Management System (CMS)** is an integrated web-based system that supports the ADB's consulting services recruitment, from advertising the opportunity to awarding consulting contracts. This portal will enable users to work with the different facilities available in CMS.

**Consultants** create and update their profile, search opportunities, send Expressions of Interest (EOIs), respond to Non-Committal Inquiries (NCIs), and prepare and submit proposals. Login to the system by typing in your registered email address and password.

Since CSRN is now integrated in CMS, consultants are encouraged to complete their full registration to help facilitate EOI submission by tagging project and consulting experiences entered in their profile.

[Click here to know who can register as consultants in CMS.](#)  
By using this service, you are accepting the [CMS Terms and Conditions](#).

**ADB Project Team Members** can access all CMS functions like creating a selection, advertising opportunities, sending Non-Committal Inquiries (NCIs), distributing Request for Proposals (RFPs), sending Notice to Proceed (NTPs), and approving requests, even while working outside of the ADB network. Login to the system by typing in your ADB Self-Service Username and Password.

**Executing Agencies (EAs)** can access Consulting Services Recruitment Notice (CSRN) to post consulting opportunities for ADB-financed projects. Login to the system by typing in your registered Username and Password.

To obtain an EA account, email your ADB Project Officer and copy [csrn@adb.org](mailto:csrn@adb.org) with the following details:

1. Email address of the agency representative
2. Full name of the agency representative
3. Name and address of the agency
4. Duration of the recruitment for the project

## Consulting Services Recruitment Notice (CSRN)

The Consulting Services Recruitment Notice provides detailed information on the consulting services required for ADB-financed or administered projects. The CSRN includes the terms of reference and is posted on ADB's website for at least one month for firms for EA-administered projects, 15 days for firms for ADB-administered projects or 7 days for individual consultants before shortlisting.

This will provide consultants sufficient time to prepare EOIs that are more specific and focused on the project's requirements.
