*Transformative climate adaptation through strengthening community-based organisations*

Women at Food System in Bangladesh

# Challenges

- Lack of Recognition
- Market Access issues
- Lack of climate risk information
- Care Work Burden
- Unequal Wage

A group of approximately ten women are sitting in a circle on a large red mat outdoors. They are wearing colorful, patterned saris and headscarves. The setting appears to be a rural area with trees and a corrugated metal building in the background. The women are engaged in a discussion or meeting.

## How can we strengthen CBOs?

- Unionization of women farmers
- Linkage with Department of Social Affairs
- Flexible funding for women led organizations
- Strengthening Evidence Base

A woman wearing a bright pink sari and a matching headscarf is walking along a narrow, stone-lined canal. The canal is filled with water, and the surrounding landscape is rural, with several small, simple houses and palm trees visible in the background. The sky is clear and blue. The text "Thank You" is overlaid in white, centered on the image, with a white horizontal line underneath it.

Thank You
