Advice on Winning a Consultant Contract

Observe Typical Challenges Faced by Consultant

Short-list

Proposal

- Experts: freelance (availability, qualification, performance)
- Generic, lack of innovation, unrealistic

Collect Relevant Information

- Identify Sectors of Interest and where maximum potential for success is likely
- Know your competition
- Look at past similar projects
- Study CPS and COBP to identify future opportunities
- Review procurement plans (and project documents)
- Check ADB website for opportunities. Register for alerts*

Build Your Brand

 - Visit departments responsible for projects
 - Business Opportunities Fairs (HQ)
 - Business Opportunities Seminars (INRM)
- Visit government executing agencies in advance of tendering opportunities

Build up your Portfolio

- Look at Individual as well as Firm opportunities
- Target standalone as well as associate & JV opportunities.
- Try smaller /low risk assignments (loss leaders) to build understanding and profile.
- Target area of specific expertise; reach out to ADB staff/borrower in advance of RFP to develop understanding of needs.
- If engaged, ensure professionalism, responsiveness and value-add during engagement.
- Use links developed to build profile.

Understand the projects you wish to undertake

- Get to know the Executing Agency
- Obtain all available information on the services to be provided
- Field assessment
- Identify local partner(s), if required
- Estimate the local costs of doing business (e.g. local taxes for EA administered consulting services)

Prepare a Robust Proposal

- Understand the basis on which the proposal will be evaluated
- Study the Terms of Reference (TOR)/Employer's requirements
- Demonstrate understanding of objectives; detail your methodology
- Provide tailored submission; avoid generic templates
- Ensure staff have relevant experience
- Do not add conditions to your offer
- Where possible, utilize employees from your firm (not freelance consultants)

Ask Questions; contact ADB if not receiving a response

Avoid Common Mistakes

- Firm or associates/experts not from ADB member countries*
- Proposal received late: lack of time allocated to enter a proposal into CMS
- Non-compliant proposal (e.g. number of person-months or inclusion of non-nationals for national expert positions)
- Failure to specifically respond to Client requirements
- Failure to disclose conflicts of interest, e.g. EA' employees in a proposal
- Exceeding budget where RFP indicated a Maximum Budget amount
- Inclusion of conditions in proposal

(*) 2017 Procurement Policy: Firms engaged on Borrower Administered Consultancy services may use team members from non-ADB member countries
