*His Majesty's Ambassador of UK  
for Indonesia and Timor Leste,  
Embassy of the United Kingdom*

**Mr. Jiro Tominaga**

*Country Director,  
ADB Indonesia Resident Mission*

The Indonesia Urban Resilience Forum, organized by the Asian Development Bank (ADB) through the Urban Resilience Trust Fund (URTF), the UK Foreign, Commonwealth & Development Office (FCDO), and the Ministry of National Development Planning (BAPPENAS), is a strategic dialogue among international, national, and city level decision-makers and stakeholders. It aims to mainstream understanding of urban resilience, good practices, and investment gaps in the country, and to explore opportunities for cooperation.
