Project portfolio overview

Sectors / subsectors	Project	Contractors / subcontractors
Energy	Moragolla Hydropower Project	Two International Contractors
	Polpitiya – Hambanthota Tx. Line	One International Contractor
Transport	Integrated Road Investment Programme (Phase 1&2)	Local Contractors
	Port Access Elevated Highway Project	One International Contractor
Ports and Aviation	Summerhill Workshop Complex Construction Project	One International Contractor / Local Sub-Contractor

Challenges in implementing OHS

1. Non availability / lack of financial allocation
2. Lack of awareness / resources
3. Insufficient commitment from the contractors
4. Communication gap in case of International contractors
5. Cultural conflict between local and international personal
6. Abandoned construction sites due to financial reasons
7. Substandard Quality of PPEs
8. Lack of strong policies

Solutions

1. Allocate necessary funding during project planning stage
2. Provide necessary awareness, according to an organized plan / resources to the contractors
3. Introducing penalties for contractor's poor performance
4. Deploy qualified translators with project experience
5. Encourage mutual relationships by training
6. Include necessary standards for PPEs in Contract specifications
7. Strengthening the policies

Opportunities for improvement and support

1. Knowledge sharing on good practices
2. Facilitating a forum for OHS reviews in similar projects
3. Policy level implementations on OHS standards and education
4. Institutional strengthening

Thank you!
