**[External Email]**

Thank you, Dr. Peng.

May we request your permission/consent to upload your presentation and webinar recording in the ADB-managed sites such as [ADB Knowledge Events](#) website.

### **Consent Request**

*ADB Knowledge Events is an online collection of materials from conferences, seminars, and other events organized and/or supported by ADB. It aims to share development knowledge generated from ADB events with the international development community and the public. Your presentation material will be a welcome addition to the repository's growing collection.*

*Kindly confirm if you authorize ADB to upload/print/publish your material on ADB-supported public websites and ADB-managed accounts on social web-based platforms. Please note that authorizing ADB to do so means you confirm that you are the sole copyright owner of this learning material and that it does not infringe or violate any copyright, contain unlawful statements, or violate any proprietary or privacy rights.*

*If needed, ADB may also modify your material to comply with ADB guidelines, including but not limited to the use of the ADB member designations, logo, provisions in the ADB Handbook of Style and Usage, ADB Branding Toolkit, and guidelines on borders and maps, ADB board documents, publications, and presentations. Copyrights and credits will be maintained under your name.*

Please feel free to e-mail us if you have questions or clarifications.

Best Regards,

**Mark Joseph Agas**

**Subject:** [Reminder and Consent Request] Green Roads Webinar Series: Public Transportation Innovations and Adaptation Planning for Climate Change - A Case Study of Florida

Dear Dr. Peng,

We just sent the Zoom unique link through calendar invite. Please use your respective link to join the test run 15-30 minutes prior to the actual webinar schedule. Same link will be used during the actual webinar.

May we also request your permission/consent to upload your presentation and webinar recording in the ADB-managed sites such as [ADB Knowledge Events](#) website.
