Baparekraf for Startup (BEKUP)

Kemenparekraf has initiated a program that supports and promotes Indonesia's digital startup ecosystem to realize national economic optimism in 2024, called BEKUP (Baparekraf for Startup). This program provides opportunities for all Indonesian entrepreneurs to support digital startups in growing and driving Indonesia's vast economic potential by offering **a series of intensive mentoring sessions** targeting **Ideate & StartGrowth** startups.

STAGE:

- 1. Starter Camp-Scouting:** An offline mentoring session that will scout outstanding startups and bring new innovations.
- 2. Startup Ideate:** A program level dedicated to helping startups develop a Minimum Viable Product (MVP).
- 3. StartGrowth:** A program level dedicated to startups that have already gained traction or achieved product-market fit.

Target
120 Startups

Baparekraf Scale-Up Champions (BSC)

Baparekraf Scale-Up Champions is a **startup acceleration program** designed to support innovation and information technology, aimed at accelerating the development of the digital startup ecosystem in Indonesia. This program targets digital application-based startups that focus on the development of 17 Creative Economy Sub-sectors, through a series of activities such as **workshops, mentoring, and access to global partners.**

An initiative to further enhance global access and innovation for Indonesian local startups, aimed at **advancing and promoting Indonesian digital products on the international stage.**

Potential Collaboration with BRIN

We are currently exploring collaboration with BRIN (Badan Riset dan Inovasi Nasional) to initiate co-incubation programs. This effort aims to provide startups nurtured by Kemenparekraf with opportunities to access funding through BRIN's Pendanaan Riset dan Inovasi untuk Indonesia Maju (RIIM) Startup program.

RIIM Startup is funding program provided by BRIN to research-based startups, aimed at becoming independent startups capable of generating profits, with sustainable business development. Selected applicants will receive funding of up to IDR 300 million per year, with a maximum funding period of two years.

Let's Connect !

THANK YOU
