

Overview of ADB's Operational Priorities and Business Opportunities in the Pacific

Emma Veve
Director General, Pacific Department
Asian Development Bank
27 February 2026

14 Developing Member Countries in the Pacific

Cook Islands (COO)

Federated States of Micronesia (FSM)

Fiji (FIJ)

Kiribati (KIR)

Marshall Islands (RMI)

Nauru (NAU)

Niue (NIU)

Palau (PAL)

Papua New Guinea (PNG)

Samoa (SAM)

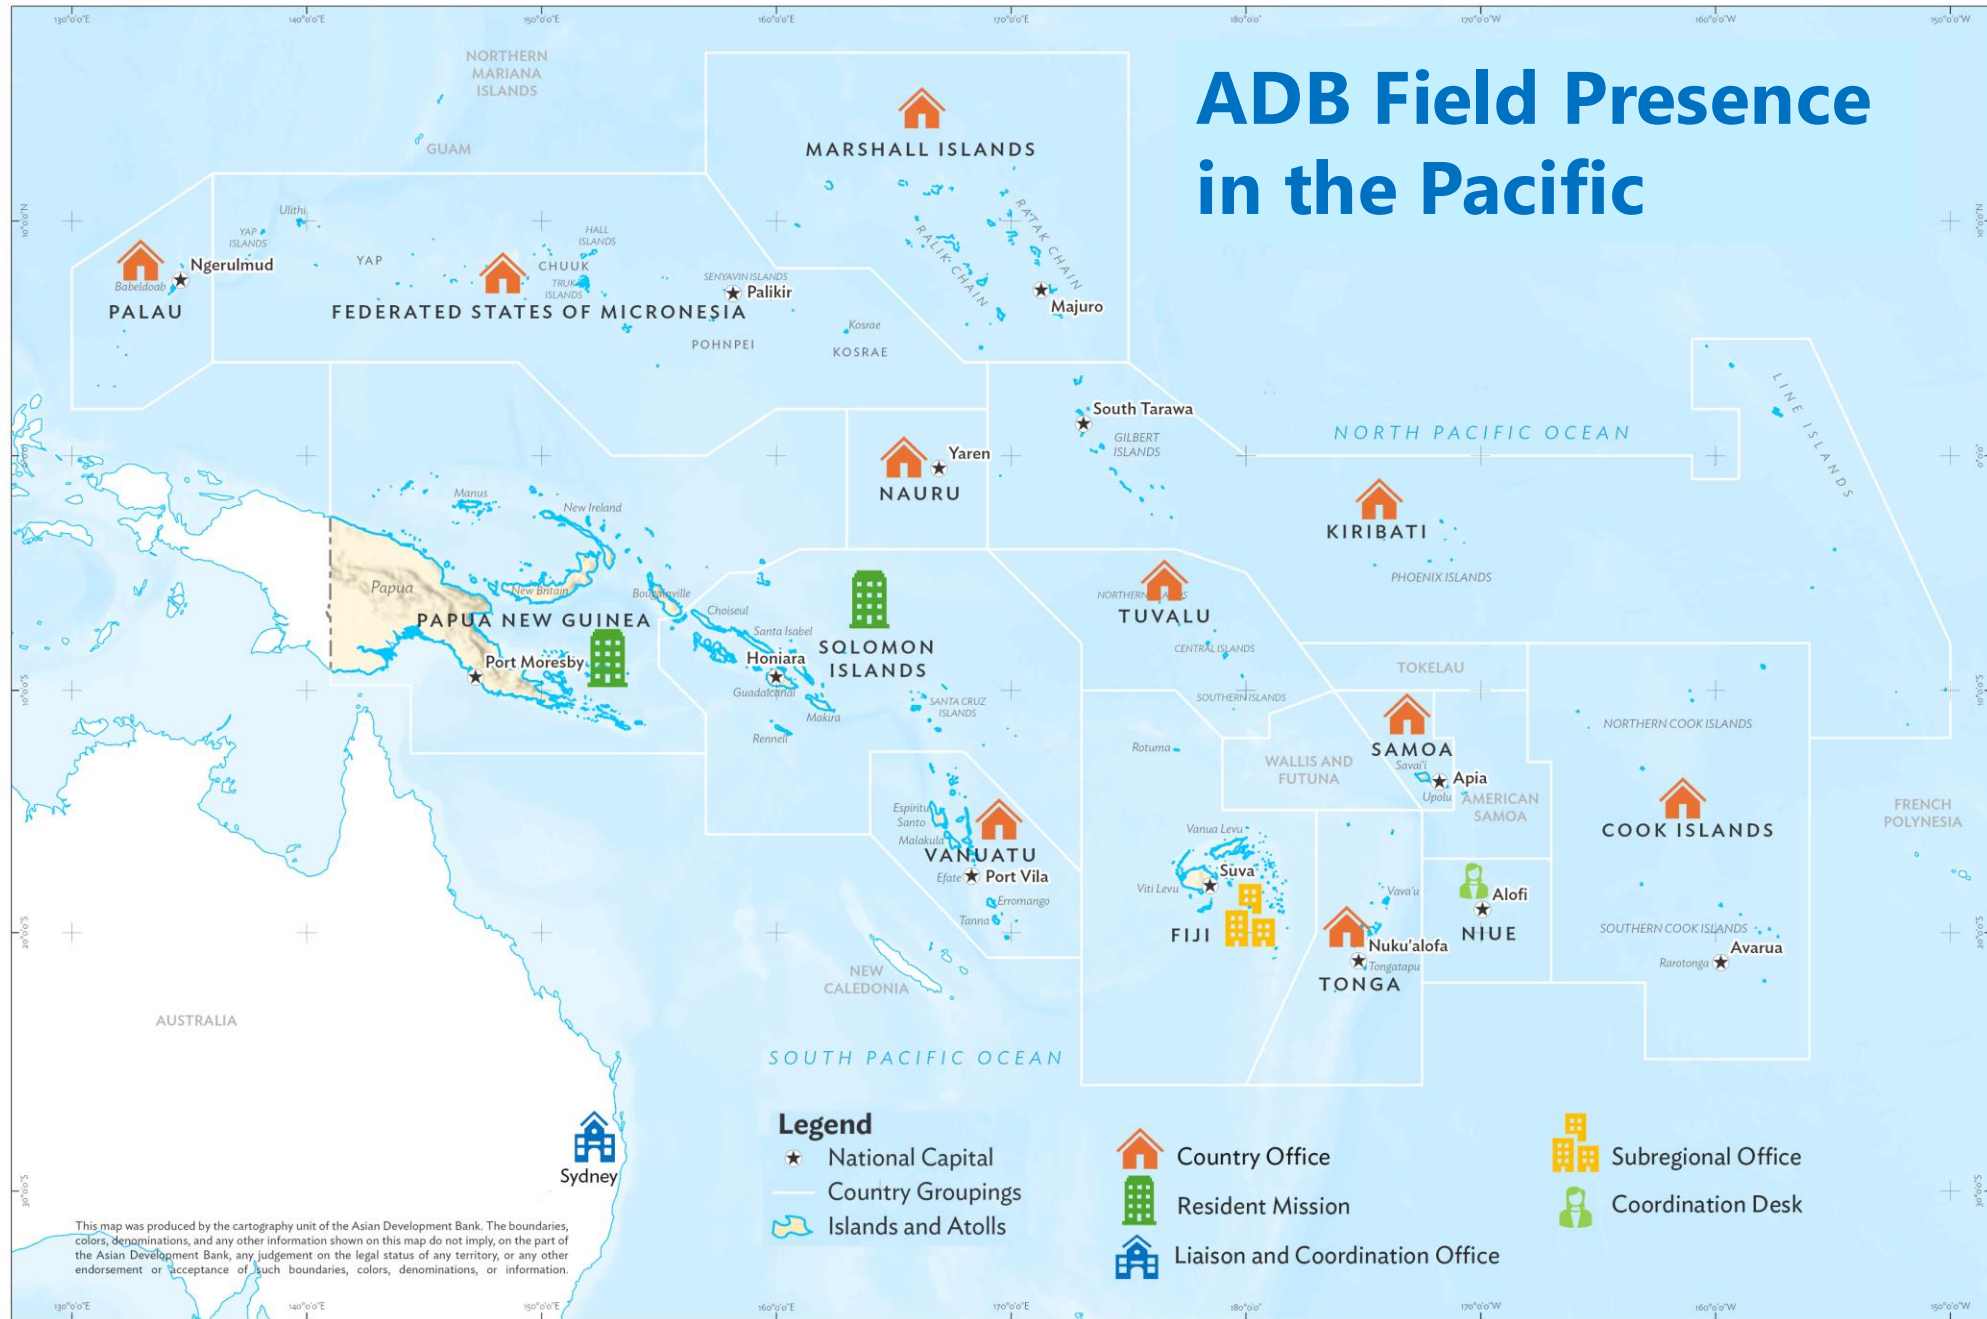

Solomon Islands (SOL)

Tonga (TON)

Tuvalu (TUV)

Vanuatu (VAN)

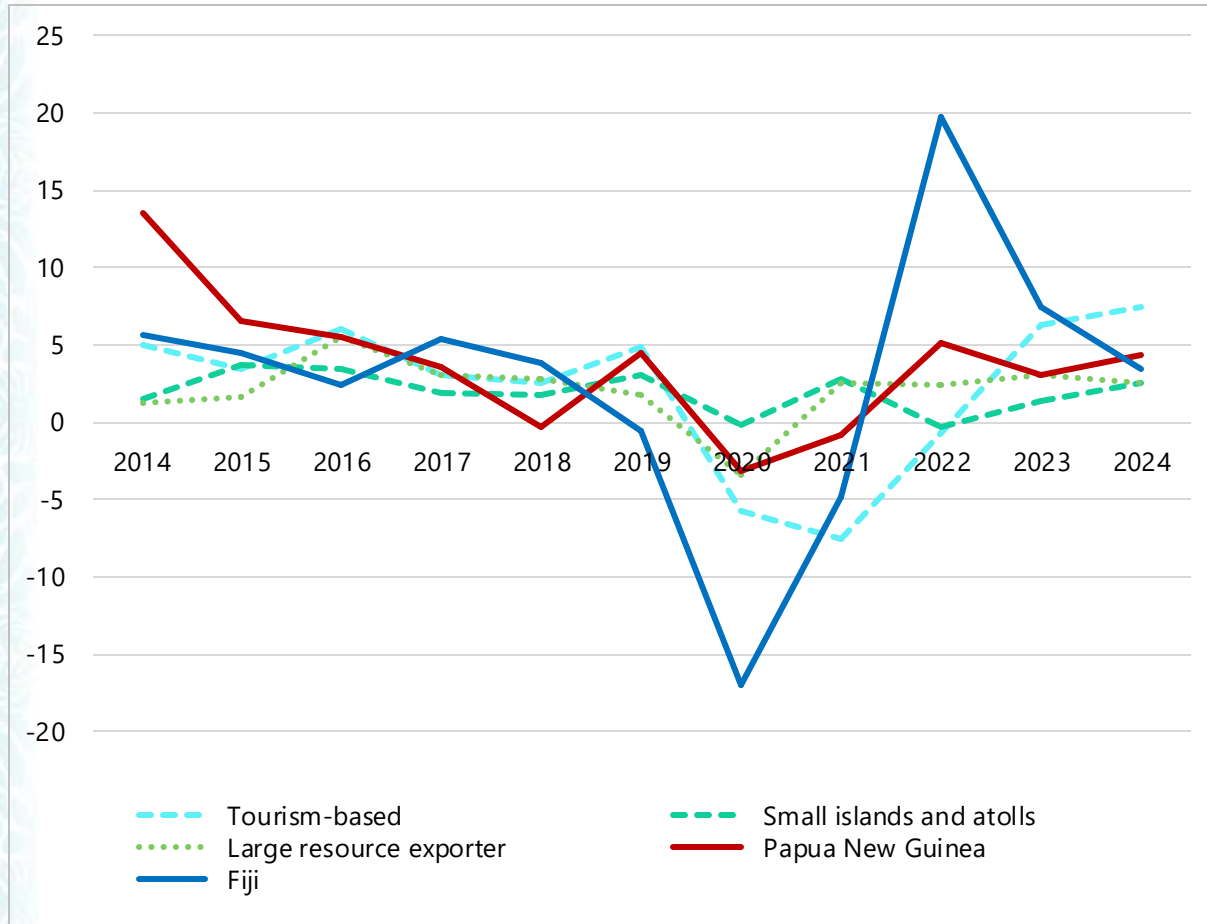

ADB Field Presence in the Pacific

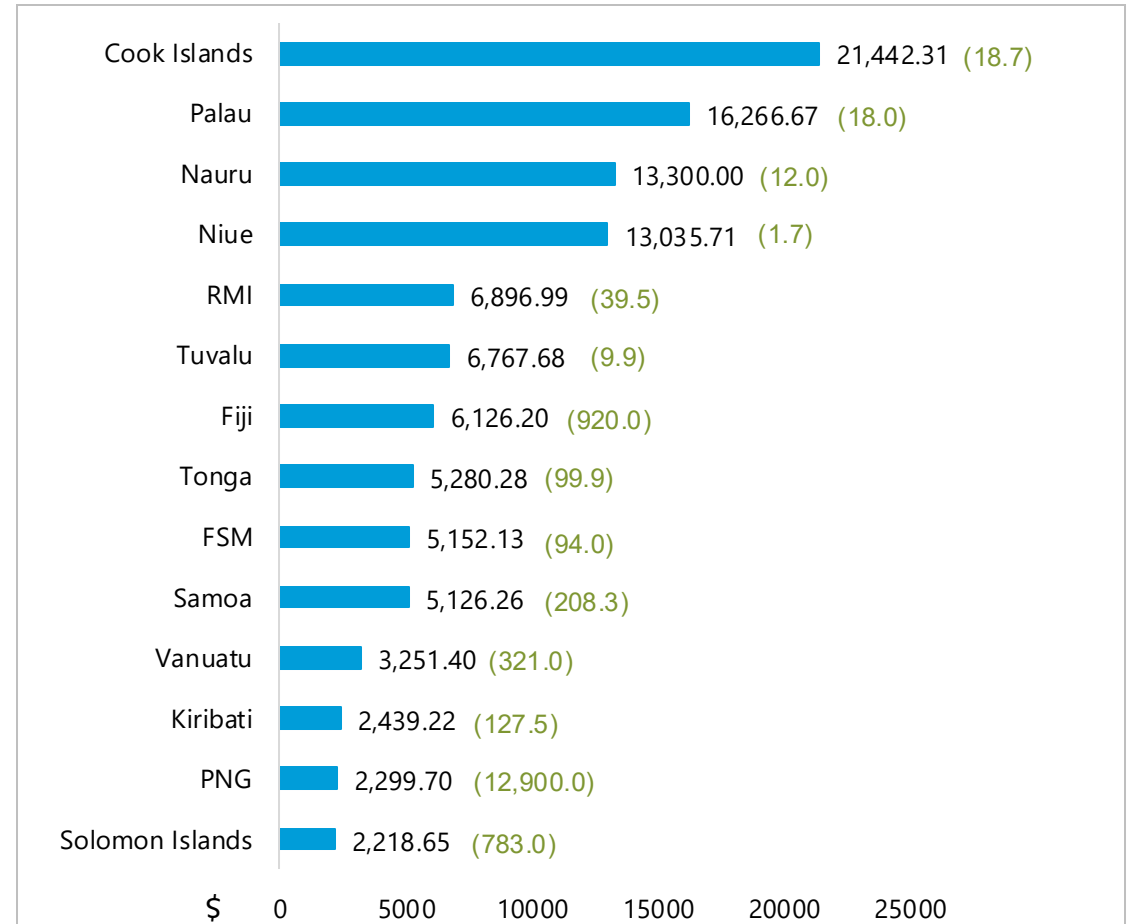

This map was produced by the cartography unit of the Asian Development Bank. The boundaries, colors, denominations, and any other information shown on this map do not imply, on the part of the Asian Development Bank, any judgement on the legal status of any territory, or any other endorsement or acceptance of such boundaries, colors, denominations, or information.

Volatile Economic Growth in Diverse Set of Pacific Countries

GDP Growth of Pacific DMCs (%)

GDP Per Capita (\$) and Population ('000, 2024)

Note: The Tourism-based Pacific DMCs are the Cook Islands, Niue, Palau, Samoa, Tonga, Vanuatu, while Small islands and atolls include Kiribati, the Marshall Islands, the Federated States of Micronesia, Nauru and Tuvalu. The Large resource exporter only includes the Solomon Islands.

Key Development Constraints...

Pacific Island Countries are small, isolated and dispersed, and these geographical and demographic features pose **unique development challenges**, addressing which requires **quality investment and innovative solutions**:

- capacity and governance constraints
- narrowly-based economies vulnerable to climate change and external shocks
- distance from major markets
- high-cost structures
- unequal access to services and opportunity

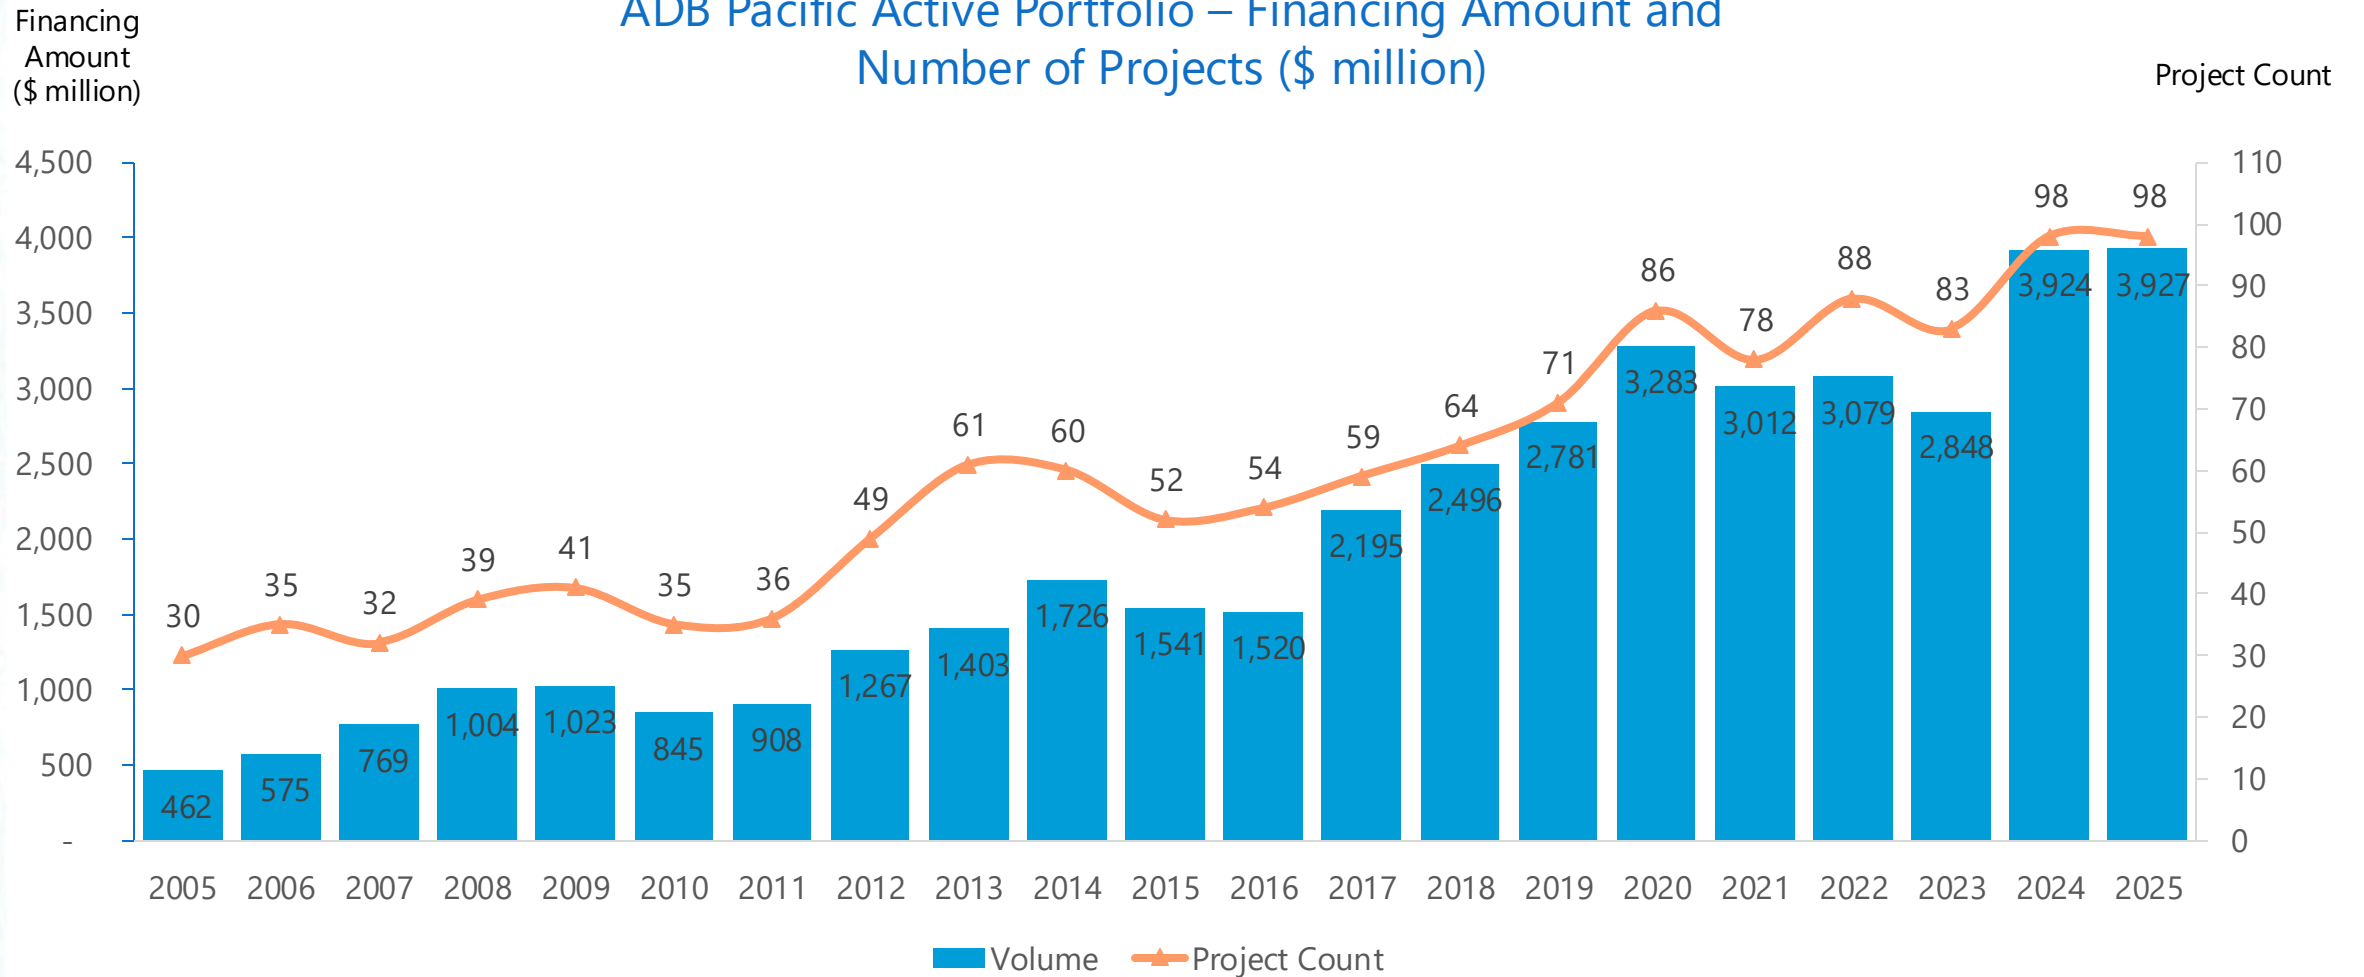

ADB's Strategy: Pacific Approach 2021–2025

ADB's Growing Support for the Pacific

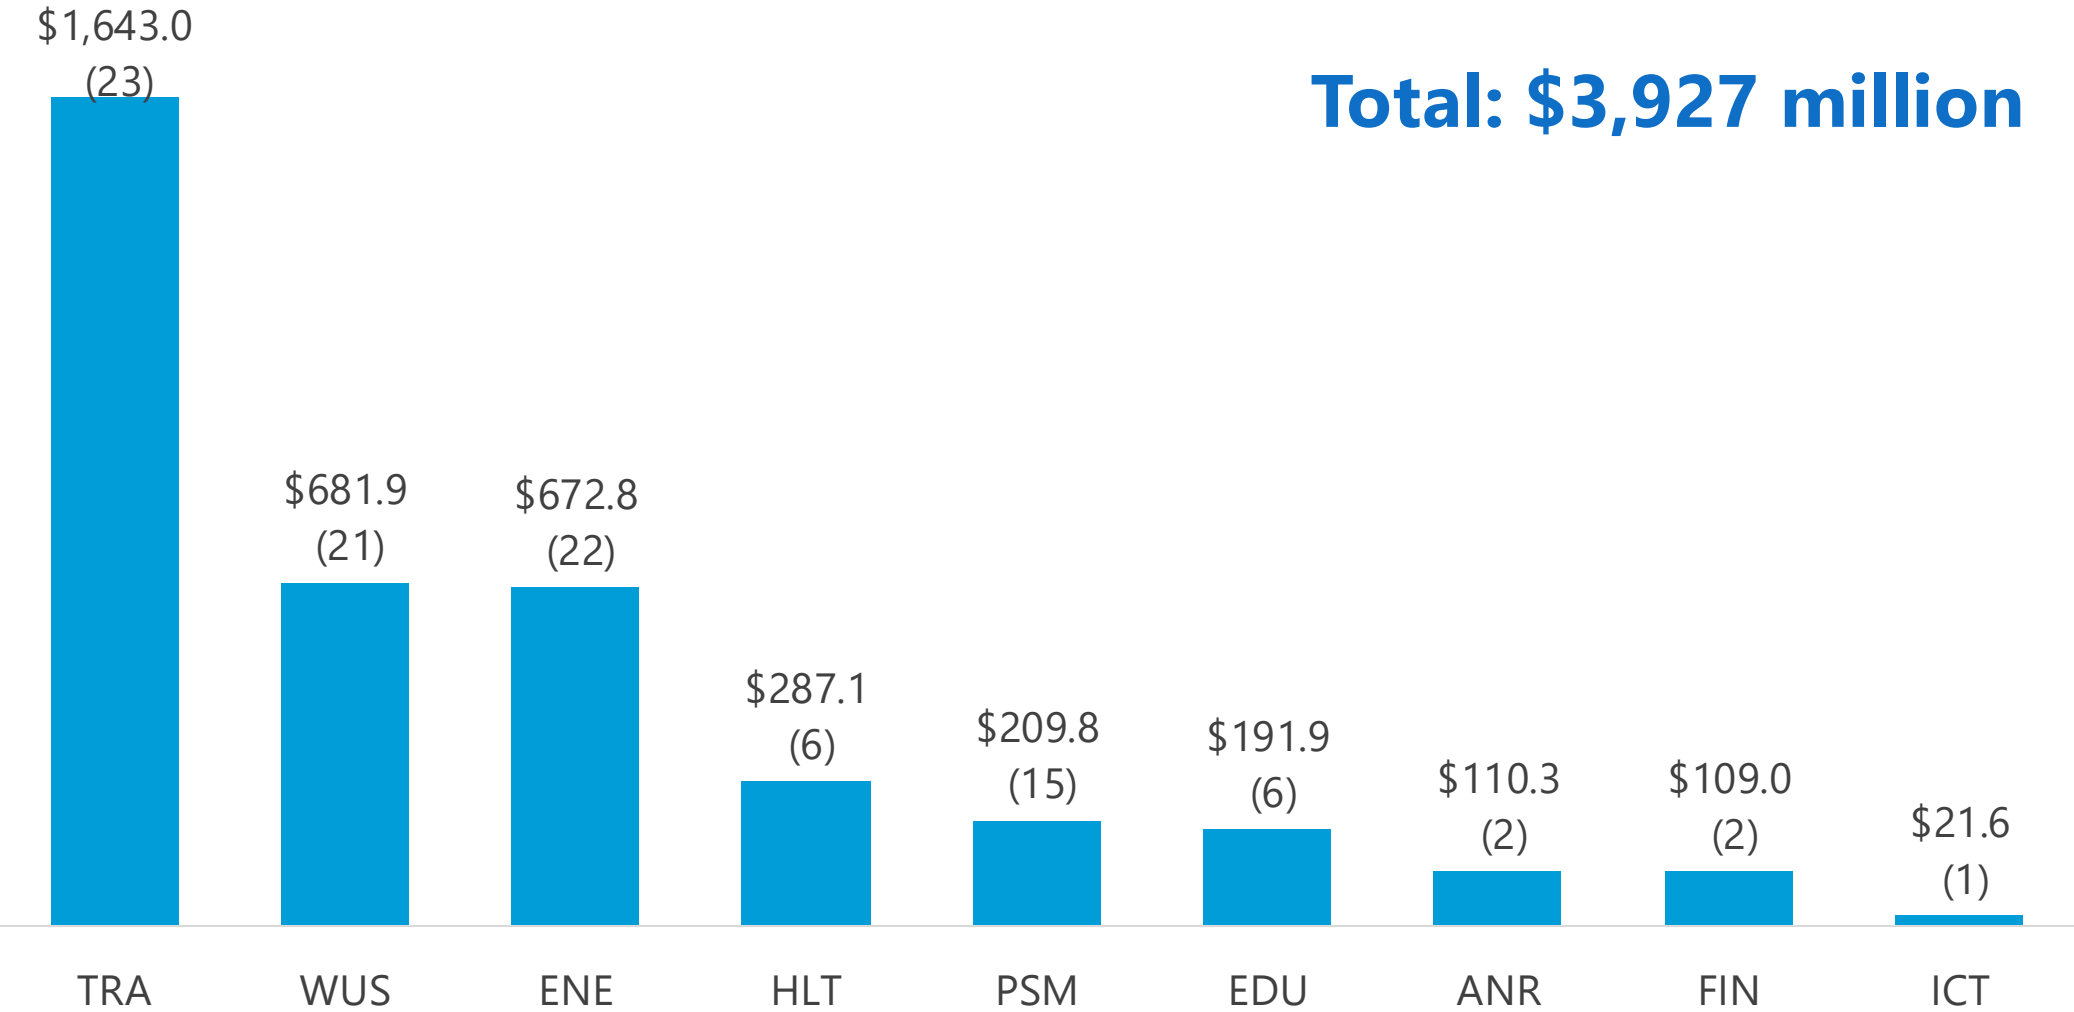

ADB Pacific Active Portfolio – Financing Amount and Number of Projects (\$ million)

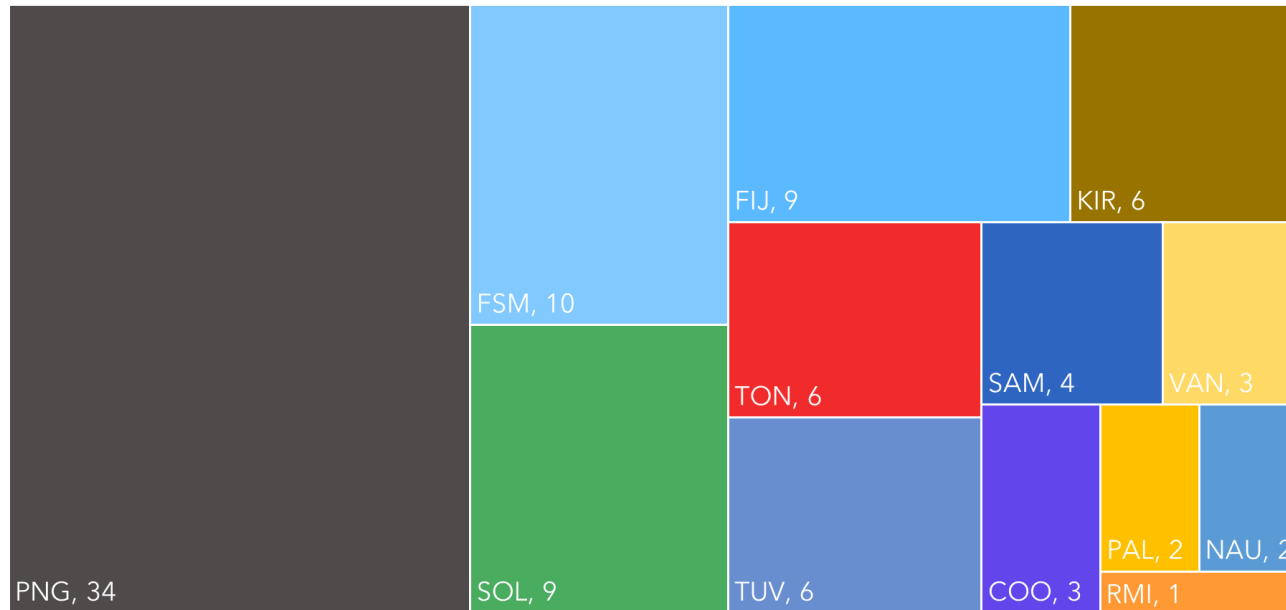

ADB Pacific Active Portfolio in Volume by Sector

(\$ million)

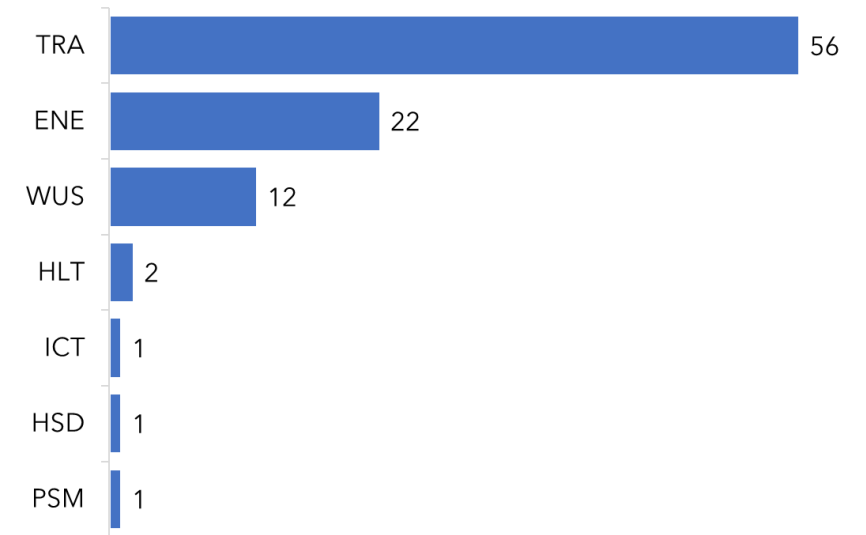

Procurement Trends in the Pacific (2016–2025)

Number of Contracts Awarded by Project DMC

Number of Contracts Awarded by Primary Sector

- Number of contracts is largest in PNG followed by FSM, SOL, and FIJ.
- Transport, energy and water and urban sectors are the large contributors.

Note: Includes goods and works only and with contract value of ≥\$5 million.

Pacific Business Opportunities

\$3,927 m

Active Portfolio

\$3,615 m

2026–2028
Program

\$624 m

Procurement Pipeline
(2026–2027)

Upcoming Business Opportunities in the Pacific

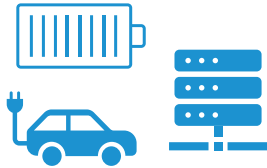

Transport

Construction of bridges, roads, ports, infrastructure and systems upgrade

Consulting services for construction supervision

Estimated Transaction Value: \$135 m

Energy

Construction of solar power plants, battery energy storage systems.

Supply of electric vehicles, generators, smart meters, charging station, upgraded SCADA

Estimated Transaction Value: \$126 m

Water & Urban Development

Construction of water treatment plants, sewerage systems, water supply networks, sanitation and solid waste, storage reservoir

Estimated Transaction Value: \$191 m

Agriculture

Construction of dam for flood management and hydropower

Consulting services for biodiversity, flood management, project management

Estimated Transaction Value: \$75 m

Human & Social Development

Construction of hospital, referral laboratory, health centers, school buildings, training centers

Consulting requirements for design and construction supervision

Estimated Transaction Value: \$92 m

Finance and Public Sector Management

Consulting services for financial access, financial inclusion, digital finance, IT platform development, tax policy, budget and financial management

Estimated Transaction Value: \$5 m
