WHY DOING BUSINESS WITH ADB?

Gateway to new opportunities in fast growing emerging economies across multiple sectors

Availability of funds

International best practice procurement procedures

Risks related to transparency, fairness and integrity of procurement processes mitigated through ADB oversight

WHY DOING BUSINESS WITH ADB?

There are two distinct types of procurement where ADB is involved:

1. Procurement under its technical assistance projects where ADB procures and signs contracts; and
2. Borrower administered procurement where the government procures and signs contracts.

Technical Assistance

(ADB Administered)

Provided to governments, but contracts are procured and managed by ADB

Mostly consulting services (feasibility studies, due diligence, knowledge work)

Contracts signed by ADB, subject to English law

Consultants have some privileges & immunities when in project country

Loans and Grants

(Borrower Administered)

Provided to and managed by Governments

Procurement of Works, Goods and Services

Government does procurement (ADB oversight)

Contracts signed by Government, subject to local laws

WHY DOING BUSINESS WITH ADB?

Roles of ADB, Borrower, Suppliers when the government is procuring:

- Responsible for project implementation.
- Accountable for carrying out all procurement activities per ADB rules.
- Contracting with all contractors, suppliers & consultants.

Borrower

- Assist borrowers in designing projects.
- Ensuring funds are used for the purpose intended through monitoring and oversight activities
- Provide implementation support, where needed.

ADB

- Express interest in working with borrowers.
- Comply with requirements in bidding documents and contracts with Borrowers.
- Deliver the infrastructure that changes lives across the region

**Goods, works
& services
providers**

GOALS OF ADB's 2026 REFORMS

NOTE: The 2026 reforms are primarily focused on contracts subject to international advertisement but can be applied across ADB's entire portfolio of projects.

Enhance Competition

- Early market engagement with suppliers before bidding
- Market-facing contract terms & conditions
- Transparency promoted through beneficial ownership declarations

Improve Quality

- Use of quality-focused evaluation methods (merit-point criteria – MPC) on large contracts
- Enhance borrower capacity to procure effectively
- Promote collaborative forms of contracting

Promote Sustainability

- Support local job creation through procurement
- Build skills development pathways into contracts
- Provide evaluation scores to firms proposing sustainable approaches
- Incorporating O+M considerations

GOALS OF ADB's 2026 REFORMS

Goods, Works, non-consulting services, and consulting services

- All international tenders are advertised on ADB's main website (<https://www.adb.org/projects/tenders>).
- You can sign up for alerts at <https://alerts.adb.org>
- Additionally, ADB's consultant management system (CMS) is used to procure all consulting services contracts signed by ADB and advertise other contracts procured by our developing members (<https://cms.adb.org>).

The screenshot shows the ADB website's 'Tenders' section. At the top, there is a search bar with the text 'Search ADB.org' and a navigation menu with 'Projects', 'Documents', and 'Tenders' (the latter is highlighted). Below the navigation, there is a sub-header 'Procurement of goods, works, and consulting services' and another search bar labeled 'Search tenders'. The results section shows 'Results 1-20 of 3958' and a filter for 'Invitation for Bids'. A specific tender listing is visible: 'Loan 4426-UZB: Rural Roads Resilience Sector Project - RRRSP-Wo8: Civil works for the rehabilitation and performance-based maintenance services of Rural Roads in Navoi Region (Lots 1, 2 and 3)'. The status is 'Active' and the deadline is '19 Mar 2026'. Below the listing, there are fields for 'Notice Type: Invitation for Bids' and 'Approval Number: Loan 4426'.

The screenshot shows the landing page for the ADB Consultant Management System (CMS). The header includes the ADB logo and navigation links: 'HOME', 'CONSULTING OPPORTUNITIES', 'SHORTLISTED FIRMS', 'AWARDED CONTRACTS', 'TA CLAIMS PARTNER', and 'CONSULTANT TUTOR'. The main content area features a large blue background with the text 'Welcome to the ADB CONSULTANT MANAGEMENT SYSTEM'. Below this, it states 'CMS opens opportunities for consultants to join and make a difference at the Asian Development Bank.' and provides a link to 'Login for Registered Users'. At the bottom, there are two orange buttons: 'CONSULTANT / EA' and 'ADB STAFF'.

DURING THE ADF 13 PERIOD (2021–2024)

384,000 people helped to emerge from poverty (based on \$2.15 per day poverty line)

501,300 jobs generated, including 84,280 skilled jobs for women

2.5 million people benefited from improved services in urban areas

962,000 people benefited through strengthened environmental conservation, restoration, and/or enhancement, including through pollution control and supporting the water–food–energy security nexus

1.5 million people benefited from increased rural investment
